This supplement is an addition to our publication schedule as authorized by the General Council in March. It will basically contain the chapter newsletters and will be distributed each summer.

Chapter newsletters will no longer be published in the Fall and Spring issues of the magazine. It is hoped that the change will give us the opportunity to still give alumni communication about chapter life and activities and enable us to save some printing expense.

Also, beginning with the Fall issue the magazine will be printed by the Hart Press in Long Prairie, Minnesota, instead of Menasha, Wisconsin. The Hart Press is part of The George Banta Company so we are not actually changing printers—just locations.

We look forward to working with The Hart Press but we will also miss the strong relationships developed with the people in Menasha. I would like to especially thank Dick Dietrich, who was our account executive in Menasha. He has been responsive to our needs and has handled the magazine in a highly professional manner. Dick has always been willing to go that extra step to insure quality, and I am going to miss working with him.

## Georgia Chapters Stage Joint CSD

The six chapters of Epsilon North Province in Georgia raised \$3,000 for three state mental facilities with a four-day charity walk that ended in Atlanta April 10. Approximately 250 Phi Delts participated, walking a mile at a time along the 800-mile route between cities. Various stages of the walk are shown above with the culmination at right featuring Bill Griffin (Georgia Southern '76), Dr. Norman Pursley of Gracewood State Hospital, Lynne Wright of Central State Hospital and Mary Webb of the Easter Seals Society along with a chest containing the \$3,000.

**NOTE:** Chapter newsletters are arranged in alphabetical order by state. All Canadian newsletters are grouped together. Newsletters will be printed once a year in the Summer Supplement to The Scroll. Deadline is May 10, 1977 for next year. Only newsletters that are (1) typed, (2) double-spaced, (3) signed, (4) confined to 250 words and (5) submitted by deadline time will be used. If name of rush chairman is known it will be carried in chapter listing.

### DALHOUSIE UNIVERSITY

Nova Scotia Alpha (1930), 1378 Seymour St., Halifax, N.S., Can. Chapter Adviser—Dr. Samuel G. Fullerton, 7072 Fielding Ave., Halifax, N.S., Can. Rush Chairman—James C. Fullerton, 7072 Fielding Ave., Halifax, N.S., Can.

Nova Scotia Alpha is currently undergoing a metamorphosis. It is changing and developing both structurally and spiritually. In recent years the fraternity has been on a downhill slide letting the true meaning and purpose of fraternity life give way to too much partying and too little responsibility. In the Fall of 1975 we were deep in financial debt. Through much hard work during the year, however, we have managed to climb out of debt and are now financially stable. We achieved this accomplishment through various fund raising projects, functions and dances. A few of the highlights over the year were the "Suitcase Party" won by Ian Thompson, the Hallowe'en Party, the Christmas Banquet and the Bermuda Bash.

However, it was not all fun this year at Nova Scotia Alpha. Brothers and pledges both worked on the security force we set up at Mount Saint Vincent University over the winter. This contract has brought us a lot of money and we hope to renew it in the Fall. With the little money we had to work with, some major repairs were made to the fraternity house. The Fall pledge class, for example, remodelled the hallway and bar. The Brothers did major work on the upstairs of the building as well.

Many of our men played varsity sports again this year and wrestling and judo champion Mike Soares was invited to the Olympic trials. The fraternity played inter-faculty football and hockey finishing high in both sports.

Our involvement in student activities did not stop there, though. Eight active brothers held positions in Dalhousie's Student Government and an alum served on the Senate. A great honor befell Brother Gordon Neal and the entire fraternity when he was elected President of the Dalhousie Student Union. His position should prove beneficial to the fraternity next year.

Another important election was that of Dr. S.G.B. Fullerton (Dalhousie '52) as chapter adviser to Nova Scotia Alpha. Dr. Fullerton's son, Chris, was the chapter president this year. His leadership and the hard work by all the officers are responsible for the success of Nova Scotia Alpha today. Another factor in the chapter's success this year has been the visits by our chapter consultants. Bob Roberts helped us set up a Management by Objectives program in the Fall which has aided us in the handling of fraternity business. In the spring when Dick Walters was here he motivated us in revising the pledge program. All questionable activities have been eliminated and replaced by a much more constructive program.

A record number of men were pledged this year, 38, of which 13 have been initiated to date. A more important record was set this year, though. For the first time in years Nova Scotia Alpha held a Community Service Day project. The painting we did at the YWCA was not only a great success but turned out to be fun too. We are already discussing ideas for next year's project.

Other important plans for next year include the institution of a new scholarship program and pledge program, improving the fraternity house, and increasing the fraternity's involvement at Dalhousie. We have already agreed to act as officers for the Dalhousie Clean-up Awareness Committee. A major undertaking will be the formation of an alumni club. The active brothers, of course, cannot form the club; it must be formed by the alumni but we are resolved to encourage the formation until it is done.

Alumni are always welcome at the fraternity and it is our hope to see you at the upcoming functions this year. In the

meantime, the spirit of Nova Scotia Alpha is strong and faith in the Bond solid. —Timothy H. Reid

### UNIVERSITY OF ALBERTA

Alberta Alpha (1930), 10942 87th Ave., Edmonton, Alta., Can. Chapter Adviser—J. Donald Matheson, 10324 Villa Ave., Edmonton, Alta., Can. Rush Chairman—Doug Thomas, 14211 95th Ave., Edmonton, Alta., Can.

Alberta Alpha began the New Year by initiating the following men: Bill Lawrence, Lorne Wensel, Jim Rae, Mark MacIveen, and Doug Thomas, all Edmonton. A brief but fruitful rush followed, which produced the following fine Phikeias: Karl Martens, Darrel Ewanishyn, Paul Somerville, Bill Stewart, Ian Sorenson, Wes Mudryk, and Guy Matheson, again all of Edmonton. At the time of this writing plans were being made to initiate all these men prior to next September's school term.

The following new officers were elected: Gus Hope—president, Jim Johnson—vice pres., Graham Huckell—treasurer, Ken Macquisten—secretary, Darrel Poirier—house manager, Doug Thomas—warden and rush director, Lorne Wensel—alumni secretary, Jim Rae—sports rep., Doug Matheson—chaplain, Rick Lough—steward, and Bill Lawrence and Tom Farnell as community service directors.

The term was highlighted by the pledge party, for which our Phikeias are required to obtain dates for the brothers, and whose theme was "Comic Book Characters". Founder's Day Weekend followed on March 15, at the Holiday Inn for the formal dinner and dance, preceded the day before by the Founder's Day Stag. Province President Pete Wickstrand, former Province President Bob Dinkel, local architect Gordon Forbes, Federal Government Deputy Minister Jack L. Lyndon, Chapter Adviser Don Matheson, and a host of other distinguished alumni were in attendance at the stag, held at the house.

Our main Community Service Day this year was held March 25, near the close of our academic year. We carried out lawn repair and post-winter cleanup at the Salvation Army Sunset Lodge retirement home, and it was felt by the brothers that this event resulted in much greater feelings of Brotherhood, and the better understanding of what it means to be a Phi. Such was not unnoticed by those who were, at the time, Phikeias. In all, we are now in a good position to carry out a successful Rush in September. —David S. Welsh

### UNIVERSITY OF BRITISH COLUMBIA

British Columbia Alpha (1930), 1031 Highland Drive, W. Vancouver, B.C., Can. V7S 2G7. Chapter Adviser—J. Scott Maxwell, 4221 Delbrook, N. Vancouver, B.C., Can. Rush Chairman—James Thompson, 852 Westview, N. Vancouver, B.C., Can.

The most recent pledge class produced eight new activities and there are another nine Phikeias due to be initiated in September. The chapter's primary obstacle has been to find, or build, a satisfactory house on campus after losing our previous house last year. As a result, the chapter has been forced to temporarily rent a house just off campus. However, we are hopeful that with a little luck, and the support of the alumni, B.C. Alpha will be back on campus next year.

To encourage a closer rapport between the actives and alumni, there have been two major social events this year. In the first term, all of the alumni were invited to an open house. Then in March, the annual Founders Day Banquet was an outstanding success with more than 80 alumni attending, including George Houser (McGill '02) and many other brothers from the first classes at U.B.C.

The chapter had an active sports agenda participating in many intramural competitions. We were quite successful considering our relative size and placed eighth overall for the year.

This year there were two retreats, to help both actives and Phikeias escape for a weekend from the ties of girl friends and studies at Manning Park Lodge and Harrison Hot Springs.

The two outstanding highlights of the year were a pool party at the Reifel Estate and the annual formal banquet at the U.B.C. Faculty Club. The latter event concluded the year on a note of success, enthusiasm, and hope for the chapter next year. —Warren Funt

### UNIVERSITY OF MANITOBA

Manitoba Alpha (1930), 548 Stradbrook, Winnipeg, Man., Can. R3L 0J9. Chapter Adviser—Edward D. Brown, 1901 Dorchester Ave., Winnipeg, Man., Can. R3M

OR2. Rush Chairman—Dave MacMillan, 624 Waterloo St., Winnipeg, Man., Can.

We recently held our elections with Paul Keirstead taking over as president. Others include Bill Mitchell, vice pres.; Ken MacDonald, treasurer; Cam Duncan, warden; Gord Weibe; secretary; and Jeff Kess, social chairman.

We initiated 13 men this winter, the tops on campus. They are Doug Cortens, Regan Dennehy, Al Doerkson, Cam Duncan, Steve Duncan, Jean-Marc Guennette, Cory Gray, Jeff Kess, Pat Lee, Shawn Leslie, Rich Waroway, and Gord Weibe, all of Winnipeg and Graham Wunsch of Saskatoon. At our initiation banquet Steve Duncan was awarded with the William Talbot Allison award for being outstanding pledge.

We are proud of our intramural hockey team which needs to win its next game to make the playoffs after a shaky start. Brian Boulton was selected to play in the all-star game for the Manitoba Major Junior Hockey League.

We are planning to renovate our chapter house after we get the foundation repairs done. Renovations will include the kitchen and party room. We are raising money for these projects by holding socials at the University.

We once again had a great time at the Minnesota Beta Ski Weekend at Sugar Hills with eight brothers attending. —Gord Weibe

### ALABAMA

#### AUBURN UNIVERSITY

Alabama Beta (1879), 215 S. College St., Auburn, AL 36830. Chapter Adviser—John M. Wright, 1224 Old Mill Rd., Auburn, AL 36830. Rush Chairman—Russell Chason, 215 S. College St., Auburn, AL 36830.

During fall quarter, we set as our goal for the year the purchase of a new carpet for the main living area of the house. Due to generous alumni contributions and hard work by our brothers, this carpet will be installed in early September. Also, at our annual A-Day lunch, we were presented by our Mother's Club with a lighted replica of a Phi Delta pin which added greatly to the appearance of the living room.

During spring quarter we initiated four new brothers and affiliated Brother Allen Ryan from Kentucky Alpha-Delta. Our new initiates are Emmett Wilkinson, Selma; Allen Voges, Chattanooga, TN; Craig Hurst, Miami, FL; and Mike Holt, Bainbridge, GA. Along with Delta Delta Delta sorority, we again sponsored our Phi Delta-Tri Delta Tennis Tournament and the proceeds from the tournament and roadblock donations were tremendous. We donated part of them to the American Cancer Society and part to Shepard's Spinal Center for Brother Bill Busbin who was temporarily paralyzed as a result of a swimming accident. Phi Delta Theta also sponsored the 11th Annual Beer Drinking Contest to close Greek Week at Auburn. Proceeds from this activity also went to Brother Busbin. Thanks go to Community Service Chairman Sandy Vasser and Chris Chaille for their hard work on these projects.

In sports on the collegiate level, Alabama Beta was represented by Ray Downey, Troy Downey, and Gordon Nelson who wrestled for the Auburn University Wrestling Team. In intramurals we placed second in golf and racquetball and finished the year in the upper one-half of the large fraternity league.

The brothers of Alabama Beta also made a strong showing in campus activities and scholastics. In November, along with Chi Omega, we sponsored the first annual Bump Bama Bash. This dance netted a contribution to the All Campus Fund Drive as well as a super party. Phi Delta Theta also finished second on campus in the Homecoming float competition. Scholastically, after winter quarter, Phi Delta Theta ranked seventh on campus, above the all men's average. Congratulations are due to Brothers Mike Moore and Jack Jackson on their acceptance to medical school.

On campus, several brothers held positions of leadership. Mike Moore served as President Pro-tem of the SGA Senate and was also a member of Spades—men's honorary representing the top ten men on the Auburn campus. Mike and Jack Jackson were also members of ODK. Jeff Lawhead, Ken Stephens, Doug Howell, and Russ Chason were all involved with the IFC and Jimmy Lockwood was a student member of the board of directors of the Fraternity Purchasing Agency.

Officers for the 1976-77 school year are as follows: President—Jimmy Lockwood, Vice President—Wally McKinney, Secretary—Ricky Pitts, Treasurer—Charlie Hart, Pledge trainer—Jimmy Webb, Rush Chairman—Russ Chason, Steward—Jeff Lawhead, Social Chairman—Charles Maynard, Alumni Secretary—Don Farmer, and Historian—Cochran Vann.—Jimmy Lockwood

The Phis of the Alabama Alpha Chapter enjoyed a successful year highlighted by the initiation of 21 pledges on March 3. Over the summer months, rush parties were held on campus as well as in Mobile, Montgomery, Gasden and Birmingham, and we are looking forward to another successful pledge class for the Fall Semester.

Academically we ranked in the top ten percent of the fraternity division on Campus for the Spring Semester. In Intramural sports, we placed first in the Crimson Division of Basketball Competition, as well as reaching the football playoffs. In the community, we sponsored two boy scouts in a local troop and aided a local youth in attending a politics seminar in the State Capital.

This past year has been a year of achievement in the areas of scholarship and philanthropies for Arizona Beta. The active chapter was extremely proud of our fall pledge class ranking third scholastically among fraternities on campus. We donated more than 1,500 man-hours to the community. Some of our projects included the painting of a chapel, participation in the Easter Seals Telethon and representing ASU in the National Budweiser Pitch-In Project.

On April 19 of this year the following officers were elected: President—Bob Fyfe; V.P.—Scott Grone; Secretary—Leonard Giuffre; Treasurer—Mike Perry.

Arizona Beta finished the year by winning our third consecutive intramural championship. Many of the Brothers will be returning next fall so we will again be in an excellent position to defend our title.

Our new province president, Wes Harris, paid his first visit to our chapter on May 1. We look forward to having Wes as our new province president and working with him in the future.

A special thanks to the Brothers of New Mexico Alpha for hosting this year's bi-province convention. Many helpful ideas were exchanged and Arizona Beta welcomes Utah Alpha into the Omega Province. Arizona Beta is attempting to strengthen our Alumni relations and we are looking forward to next year's homecoming.

Arkansas Alpha has had a successful spring semester in campus wide involvement. Brother Damon Thompson was recently elected as the President Pro Tempore of the Associated Student Government Senate. Brother Dow Stough was elected chairman of Project '76 (American Diabetes Association Drive), an IFC campus project. Blue Key elected Brother Ronnie Gardner as president of its chapter for '76-'77.

Several members of the chapter received honors this spring: Allen Davenport — Phi Beta Kappa; Ronnie Gardner, Mark Saviers—Order of Omega; and Johnny Brenner, Ken Christian, Fred Darville, Greg Fair, and Damon Thompson—Cardinal XX.

The house as a whole also received honors, capturing the scholarship and community service awards among Greek houses on campus.

For community service day the house lent its services to the Northwestern Arkansas Regional Special Olympics, a nationally recognized activity for mental disabled children. Arkansas Phis supervised and assisted in all field race events, and took part as "huggers" (walking with the kids from the grandstands into the event areas). One other service project scheduled

California Zeta (1966), 17740 Halsted St., Northridge, CA 91324. Chapter Adviser—Steven B. Barrett, 3314 Drake Drive, Santa Maria, CA 93454. Rush Chairman—Steve Montner, 17740 Halsted St., Northridge, CA 91324.

The Brothers of California Zeta headed into our spring semester receiving seventeen pledges from a highly successful Spring rush. It was not only the best spring rush in our history, but was the best on campus as well.

The Brothers were proud to participate in the annual Christmas party for the crippled children at the Hollywood Bowl. As a second community service day event we planted trees in the burned out watershed hills of Los Angeles.

This March we joined in the celebration of Founders Day with the L.A. Alumni Club and participated in the Golden Legion ceremonies with the singing of one of our original songs.

The Brothers of Cal. Zeta have been working very closely with the Cal. Gamma Colony at U.C.L.A., and will be attending their installation. We also have a high degree of involvement within our own campus, with the IFC president, Chairman of the University Student Center Board, and the President of Blue Key, all being Brothers of our house.

As usual, we rated very high in Intramural sports, reaching the finals in Basketball, Football, and Volleyball. With the support of the chapter behind the teams, they couldn't lose.

With June rapidly approaching, many brothers are preparing for the cross country trip to Knoxville, TN for the 61st Biennial Convention.

The Cal. Zeta chapter is preparing for two major events to occur in the next few months. The first will be to fulfill the loan requirements of the Palmer Foundation, with a payment of over \$6,000.

The second is a large celebration commemorating our 10th anniversary as a chapter of Phi Delta Theta. We will be having a alumni roast and many other festivities to kick off our second decade as a strong and growing chapter.—Don Gershbock

### STANFORD UNIVERSITY

California Beta (1891), 680 Lomita Drive, Stanford, CA 94305. Chapter Adviser—Don DuShane, Asst. Dean of Student Services, California State University, 125 S. 7th St., San Jose, CA 95125.

The California Beta chapter held its first annual Founders Day Banquet last March. We had a strong showing of alumni, while head football coach Jack Christiansen addressed the crowd after dinner. The chapter was very encouraged with the banquet and we hope to make it even better next year. This renewal of alumni relations has also been supplemented by our newsletter, *The Stanford Phi*.

Last spring we conducted the most successful rush in our history. We took 28 pledges, which will ensure us of a full house in the coming academic year. During rush the chapter had an extremely full social calendar, with activities on almost every day of the week.

California Beta is very proud of its seniors, as most will be going to business, law, or medical schools at such fine universities as Stanford, Harvard, and Chicago. The chapter would also like to acknowledge the performances of our varsity golfers, Mike Peck in particular, who won the U.S. Intercollegiate tournament and has made strong showings in many other events.—Jeff Morris

Ingles, 1905 Rolls Way, Carmichael, CA 95608. Rush Chairman—Don Kelsey, 411 Lafayette, Santa Clara, CA 95050.

California Epsilon will return in the fall with a full house. The 1975-76 school year produced 14 new members of which six were freshmen. This is a big turn around from years in the recent past. We attribute this big change to a new found enthusiasm in the members. Assistance in rush, and a chapter house which is in the best shape it's been in years. We have had nearly 100 percent participation in all functions, both social and business. As a result, rush is much easier and more effective.

We have been on a program for improvement by objectives set up for us by General Headquarters. This has been a very successful program as we have completed, at least in part, every objective. One of our main goals for the year was to get back in touch with our alumni. We have just completed compiling an extensive mailing list which accounts for all Cal. Epsilon alumni plus other Phi alumni living in the Davis-Sacramento area. We have sent out two Chapter newsletters this year with a third yet to come. Active alumni functions included a Founders Day Banquet, golf tournament, and the annual Picnic Day luncheon and party. Participation was excellent in all these events.

The Picnic Day festivities were the most successful of these occasions. The active house entered a float in the Picnic Day parade and won third place. At noon we held a ceremony for the burning of the mortgage on the chapter house. This allows Phi Delta Theta to boast they are the only Davis fraternity to actually own their chapter house.—Steve Peterson

California Theta (1975), 131½ Opal Ave., Balboa Island, CA 92662. Chapter Adviser—Mike Wilcox, 202B 21st St., Newport Beach, CA 92660.

1975-76 was Cal. Theta's first year as a chapter and during it we demonstrated our energy, enthusiasm and brotherhood. A well organized fall rush resulted in the initiation of 15 Phikeias. Together with nine spring initiates our number has grown to 45—the second largest fraternity on campus.

Our very active social calendar was highlighted by the pledge class fund raising project on Dec. 3. We successfully attempted to break the record for the world's largest ice cream sundae. Thanks to Swenson's Ice Cream Factories who donated the supplies, we layered 4,700 lbs. of ice cream, strawberries, chocolate, nuts, and whipped cream into a speed boat and served it to over a thousand people. The feat placed Cal. Theta in the Guinness Book of World Records.

Some of the money earned from the sundae financed our community service day project. On May 8th we treated two

dozen underprivileged boys to a day at Disneyland.

Along with the Orange County Alumni Association we co-sponsored Orange County's first Founders Day Banquet. All who attended had a great time as several Phis were installed into the Golden Legion.

Cal Theta performed well in each of the IM sports and won first place in volleyball with a 14-1 record.—Doug Galt

We are moving ever closer to the final agreement on the purchase of our house. A local alumnus and lawyer, Brother Homer Sheffield, has been working diligently on the matter. To earn money for our building fund, for charity, and for house improvements we have administered the UCSB Housing Survey and will be helping the Assistant's League with their rummage sale.

We have 11 good men as pledges from our highly successful spring rush. The fine efforts of Brian Kelly, rush chairman, and all the brothers of the house need to be noted.

Brother Clark Brown, alumni secretary, did a great job in arranging Founders Day this year. Invitations to our alumni were sent out and we had many attending a weekend of volleyball, baseball, seeing old friends and coming to the banquet and party. The entire weekend was one enjoyed by the actives, the local alumni and the alumni of our chapter.

Brother Brady Lock has led the athletic endeavors of Cal Eta by winning the pole vault at the Mt. Sac relays with a school record vault of 15'9". Brother Rich Sundquist has qualified for Olympic trials in crew while also posting strong results in intercollegiate competition. As a house the Phi Deltas are active in intramurals fielding two top-ranked volleyball teams and the infamous Mystic Marvels softball team. This semester's Community Service Day, arranged by Dave Conkey, coincided with the Special Olympics for retarded children sponsored by Pan-Hel. Many of our brothers worked directly with the children while others packed equipment and cleaned up the area afterwards. We also spent part of the work day repairing old stone bleachers for the school.

Earlier this year Brother Conkey set up a Swim-a-thon open to the entire campus and participated in by many Phi Deltas to raise money for a Women's Health Service Clinic. A Radiothon enabled KRCC-FM to increase its range and go stereo. Brothers Dave Cowen, Phil Genty, Chris Dalton, Dave Banks, Rob Hevey and Jeff Indeck continue to turn out the best programs on that station. In another area of entertainment, Tim Duggan is directing a play for the C.C. Theater Workshop in which Bob McManus and several pledges are acting.

At the time of this writing the chapter was leading in points for the intramural trophy and we plan on continuing the Phi Delt tradition by winning it for the 23rd time in 26 years.

On Jan. 12 our chapter celebrated its 25th anniversary. Alumni, actives and pledges got together to commemorate the occasion.

The chapter is proud to announce that Mike Gavalas has been elected "Chapter Adviser of the Year" in the fraternity.

On Feb. 5 we initiated 29 new Brothers but we were saddened at the death of one, Richard Baxter, who died two weeks after being initiated. Three more newly initiated brothers are Mike McDonough, Lighthouse Point; Brad Davis, Lakeland; and Tim Davis, Ft. Lauderdale.

New pledges this spring include Bob Konas, Ft. Lauderdale; Scott Bartholomew, Lake Mary; Mike Meehan, Jeff Haish, Monte Schneider and Mark Phelan, all from St. Petersburg; Grant Crist, Orlando; Mike Kinsella, Venia; and Bill de Mee, Miami. Our rush chairman, Steve Leonard, did a great job in recruiting these men.

Brother John Drury, a prominent chapter athlete, is the new president of Gold Key and Brother Lon Bryant has been elected vice president of Lambda Iota Tau, national literary honor society.

We are proud of our athletes. Lee Nelson was elected "Defensive Back of the Year" and was drafted by the St. Louis Cardinals. Mike Barnes and Roger Overly, split ends, and Clyde Walker, quarterback, are returning to the Florida State Seminoles next year, as are Wally Woodham, Nat Italiano and George Gavalas, field goal kicker. ### ROLLINS COLLEGE

Florida Beta (1934), Box 1753, Rollins College, Winter Park, FL 32789. Chapter Adviser—J. William Loving, faculty, 1120 Willowbrook Trail, Maitland, FL 32751. Rush Chairman—Chris Domijan, 72100 Stafford Ct., St. Louis, MO 63123.

Florida Beta Chapter is rapidly increasing its membership and now has 42 actives. The Chapter is very proud to say that it has vaulted into the position of number one fraternity on campus.

We are proud to announce our new officers for the upcoming 1976-77 year: Ephraim W. Helton, president; David L. Steph, vice-president; John J. Hanlon, Jr., secretary; and Dennis Pennachio, treasurer.

Many brothers performed well in their respective varsity sports this year. In soccer, nine brothers cracked the starting lineup. Brother Tom Meyer was named to the All-South soccer team while also receiving Honorable Mention for the All-American team. Brother John Webbert played very steadily in leading the team in scoring. In tennis, Brother Rob Bradley continued to show his solidness in the number three spot. Brother Rick Page had a superb rookie season at shortstop for the number one ranked Tars. It was highlighted by a game winning double in the 15th inning against number four ranked Jacksonville University. In water skiing Brothers Paul Lupinacci, Mike Mehrtens, and David Steph were all instrumental in helping the team to finish number two in the nation.

Intramurals this year proved to be very steady. However, it was very disappointing in the sense that we could only finish second in our two strongest sports—soccer and softball. We finally had a successful season in basketball which was a nice switch. We won the Sailing Regatta thanks to Brothers Geoff Spencer and Eric

Coody.

We would like to welcome to our Chapter two new pledges in Greg Storer and Steve Lawbacker, who will greatly help the Chapter.

The Chapter held its annual Spring Week-end on April 15, 16 and 17. Once again it was a great success. It opened with a steak party on Friday night followed by a formal dance on Saturday night.

This year marked one of the first times that the Chapter really tried to improve its standing with the college. We had speakers in the house, and various outside functions to help charities. We feel it was a very prosperous year on the whole, and we are looking forward to a successful year next year.—John Hanlon

### UNIVERSITY OF FLORIDA

Florida Alpha (1924), 121 S.W. 13th St., Gainesville, FL 32601. Chapter Adviser—Thomas J. O'Brien, 2701 N.W. 23rd Ave., J-76, Gainesville, FL 32605.

Florida Alpha hosted its 51st Annual Founders Day on April 10 at the chapter house in Gainesville. Many alumni attended as two were inducted into the Golden Legion.

Brother Ed McDougall has announced the launching of a statewide drive to be conducted over the next year and a half to raise \$400,000 for a new chapter house.

The brothers participated in the annual IFC blood drive and finished fourth overall.

New officers were elected in April to serve until October. These include Larry Lopez, president; Paul Parrish, vice-president; and Phil Mathis, pledge trainer.

Florida Alpha pledged three outstanding Phikeias this spring: Greg Harris, Steve Schneider, and Dave Williams. Both Harris and Williams have fathers who were Phis, along with Williams' brother.

The chapter spent a weekend retreat in St. Petersburg on May 14 and 15. President Larry Lopez was named "Brother of the Year" at the banquet Saturday night.

The chapter is looking for 8x10 photographs of well-known Phis to hang in the foyer of the house. Please contact Brothers Mike Crumpler or Bruce Bates if you have any famous Phi photographs.—Bruce Bates

We have recently participated in the National Multiple Sclerosis Carnival in which we helped raise \$7,000 for the charity.

Last year the brothers took a step in the right direction when we purchased a house off campus. We are the only fraternity to have a place of our own. A lot of the effort goes to our local alumni who helped us finance the project.

Academically, our chapter had the highest grade point average of any other campus organization.

Elections were held last quarter and the new officers are Allan Walters, president; Joel Cohen, vice-president; Mike Ezzo, treasurer; and Ken Sizemore, secretary.

A special congratulations goes to Brother Bill Parks who is graduating this year and going on to medical school.—Joel B. Cohen

The Phis of Georgia College are proud to announce their winning of the spirit trophy, the most highly prized trophy given to an organization of the school.

Presently holding the number one spot in points in intramural sports with only intramural tennis remaining, the Georgia Zeta Chapter is on its way to winning this coveted title.

Since its formation in February of 1975, the Chapter has held the scholarship trophy, given to the fraternity with the highest academic average.

Georgia Zeta placed third in overall campus organization field day. The Phis participated in the state-wide charity walk-a-thon with proceeds going to Easter Seal, Gracewood and Central State Hospitals. The CSD project saw the chapter restoring a deteriorating building in the center of Milledgeville.

New officers were installed. They are as follows: Ted McMichael, president; Paul Milton, vice-president; Dan McCann, treasurer; and Alan Richardson, secretary. Paul Milton was also elected as president of the IFC.

Six fine pledges accepted bids. They include Diago Diaz, Paul Hodges, Tom Sharp, Phil Stein, Kelly Stinson, and Scott Veale.

Bowary Ball will be held in Savannah this year, May 14-15. Plans are being finalized for our Summer Reunion and we hope all our alumni will return to see us. Founders Day was a great success. Many of our alumni and parents came down to celebrate this great occasion with us.

Dr. Fred Obenchain has decided to leave. "Doc" has been our chapter adviser since the beginning of this chapter. He is going to Kenya to continue his studies. We wish him the best of luck because he will truly be missed.

This spring quarter all six chapters of Phi Delta Theta in Georgia participated in one huge CSD project. All six chapters walked from their respective locations to Atlanta collecting along the way for Milledgeville Hospital, the mental hospital in Augusta, and the Easter Seals. We want to thank everyone who helped in the planning and those who actually walked for this worthy cause. Everyone had a great time and it was good to participate with all our brothers across the state.

New officers for this year are: Harry Busbee, president; Bill Olliff, vice-president; Tommy Kemp, treasurer; and Gene Jernigan, secretary.—Gene Jernigan

**GEORGIA CHARITY WALK:** All six Georgia Phi Delt chapters participated in a two-day walk that raised over \$3,000 for charity. #### GEORGIA TECH

Georgia Delta (1902), 734 Fowler St. N.W., Atlanta, GA 30313. Chapter Adviser—William E. Ransom, P.O. Box 56331, Atlanta, GA 30343.

During last winter quarter, 25 new brothers were initiated into the chapter. Although there was no formal rush this spring, we got Bob Herman as a new pledge.

New officers were recently elected to serve the chapter for the summer and fall quarters. Those elected to major offices include: Phil Keb, president; Jim Peacock, vice-president; Sam Grice, treasurer; Dave Smitson, secretary; Al Simon, rush chairman; and Lud Hodges, social chairman.

Along with the other five Phi Delt chapters in the state, Georgia Delta participated in a walk-a-thon for charity. With each chapter starting from a specified city, and walking to Atlanta collecting money in each town along the way, more than \$2,600 was raised. A party held after the walk at the Georgia Delta house for the participating chapters was enjoyed by all.

Brother Dave Smitson earned his way to the NCAA Gymnastics Finals held in Philadelphia. Competing on the parallel bars, Dave finished 20th among the top gymnasts in the country in this event. Also, Brother Dave Middour is doing a fine job pitching for the Georgia Tech varsity baseball team.

In intramurals, our chapter finished fifth among the 28 fraternities on campus for the overall sports award. Winning the school championship in football and fielding strong though inexperienced teams in basketball, soccer, and softball contributed to our high finish.—Bill Matthews

A successful rush was a major coup of Ga. Alpha's year. Twenty-eight men were pledged, 21 of whom became initiated brothers. This was attributed to a large number of alumni recommendations. We would like to take this opportunity to invite all alumni to continue to send us their recommendations for young men attending the University. We thank you for your support.

The highlight of our spring activities was the annual "Obnoxious Nine" rush weekend. Over 50 young men from various high schools attended this event.

The officers are: President Tom Ray from Macon; Vice-President Charlie Richie from Birmingham; Treasurer Steven Holt from Richmond; Secretary Mitch McArthur from Atlanta; Rush Chairman Dan Cook from Atlanta; Historian John Darrall from Atlanta; Pledge Trainer Robby Jones from Lookout Mountain, Tenn.; and House Manager James McGinness from Lookout Mountain, Ga.

In closing we are proud to mention that our scholastic standing has greatly improved as well as the achievement of financial stability due to the hard work of outgoing officers Tom Ray, treasurer, Frank Guess, president, and the brothers and alumni of our chapter.—Steve Williams, John Darrall, Hal Meeks

As our project for Community Service Day we participated in the 1976 Easter Seal Telethon. The telethon ran from 10 p.m., March 27, to 6:30 p.m., March 28.

The Galesburg pledge center was located in our chapter residence and was manned by brothers and Phikeias. Those members and Phikeias who were not at the Galesburg center ran on a treadmill at the regional center in Peoria. By taking turns they were able to run a tiring 128 miles in the 20 hours of the telethon.

During the week preceding the telethon the brothers and Phikeias canvassed the local business district soliciting pledges and contributions. We were pleased to note that those pledges taken for the treadmill, both on and off campus, exceeded those received during the telethon. We enjoyed working with the Easter Seal program and look forward to participating again next year.—J. Scott Luthy

Indiana Kappa (1969), 1401 Riverside Ave., Muncie, IN 47303. Chapter Adviser—Dr. Michael D. Engber, 816 Umbarger Rd., Muncie, IN 47304.

Indiana Kappa elected its 1976-77 officers this spring. The newly elected officers are Brian Chavis (Indianapolis), president; Carl Chavis (Indianapolis), vice-president; Lindy Lind (Indianapolis), secretary; and Dale Kennedy (Indianapolis), treasurer. Outgoing president Mike Clason made a few comments and challenged the incoming officers to continue making the fraternity the best on campus.

Our closed dance this year was held at the Brown County Ramada Inn in Nashville, Indiana. During the dance the brothers voted Dale Kennedy as *Phi of the Year*, Mike Clason and Ron Cooper as *Seniors of the Year*, and Rick Sears as *Phi Athlete of the Year*.

The brothers also voted Patty Karnes our Chapter Sweetheart.

The chapter activated its winter pledge class consisting of Joe Beck, Aurora; Steve Bruce, Greencastle; Mike Connolly, Indianapolis; Dave Kindy, Goshen; Eric Losen, Greencastle; Dennis Spidel, Freeport; and Tim Young, Chicago.

The fraternity continued its fine sports record this year by having four basketball teams make the school playoffs. The all-school wrestling title was also won by the fraternity. The wrestling team consisted of Scott Karstens, Dave Kindy, Tom Myers, and Rob Hansen. In the annual all-school bike-a-thon we qualified seventh. The bike riders rode a fine race and finished high in the final standings. The fraternity also fielded the "1976 Bicentennial Fightin' Jags" coached by Patrick Fitzsimmons and another team in the intramural softball league. Both teams made the playoffs and have high hopes in polishing off another school championship.

On Jan. 30 a fire was discovered in a room on the second floor of the house, and it quickly spread to the roof. Although no one was injured, Hajime Baba, our brother from Tokoyo, Japan, was trapped on the roof and had to be rescued by the fire department. It took nearly three hours to extinguish the blaze, which caused an estimated \$50,000 damage. By the end of April the damage had been repaired, and all brothers were back in the house. The college community was very helpful to us all, again showing the closeness felt at Hanover.

Despite the fire, the chapter remained quite active in service and social events. Painting, repairing, and cleaning up English-ton Park, a camp for disabled children, served as our community service project. On March 27 we held our dinner date and dance, and other dances were sponsored throughout the term. Money raised during a successful chili dog sale will hopefully provide us with a badly needed ice machine.

Looking to the future, we are now making plans for family day. On the evening before this event, a disco dance, featuring our own Terry Jeanes as announcer (T.J. the D.J.) will entertain the brothers. The next day we will culminate the family day events with a fine meal at the house.—Jim Carroll

We will be entering our sweepstakes winning homecoming float in this year's Indianapolis 500-mile parade. Indiana State

University is sponsoring our venture.

We were paired with the women of Alpha Phi in this year's "Campus Revue". Our skit was titled, "The Magic Show," which earned us a third place finish. We also won the Vern Dyer award for displaying the most cooperation of any group with production staff. Special recognition should go to brother Dennis Mockler, who served as director of this year's production staff.

In this year's "Songfest" competition, we continued our winning tradition by winning the men's division for the fourth year in a row. Our song, "Raise the Flag of Dixie," also enabled us to win the coveted President's Cup, which is awarded to the group with the best over-all performance. It is our second time in three years to win this award.

Our tandem bicycle team proved to be just as successful. Being paired with the women of Tri Delt, we won a convincing race for the fourth time in seven years. Brother Steve Mills and his Tri Delt partner set a one-lap qualifying record, while our team as a whole qualified fastest for the pole position.

We took five fine prospects in this spring's pledge class. This semester's pledges include: Phil Marquez, Howard Grounds, Brian Vulpitta, Bill Lewis, and Brian McKay. Greg Smith will also go active with our pledge class.

The brothers of Indiana Eta would like to extend a special congratulations and many thanks to this year's graduating brothers. They have contributed much time and effort in making Indiana Eta a strong and cohesive chapter: Ray Kennedy, Dale Milner, Tom Brooks, Tim Smith, Chuck Rebeck, Jim Guerin, and Steve Wolfe.

The brothers of Indiana Theta were very proud of their recent efforts in the annual Grand Prix Go-Cart Race. Dan Roth drove cart #88 to a second place finish in the second sprint race. Phil Loudin drove #87 and finished seventh in the first sprint race. Roth then went on to finish a very impressive fifth place in the grand finale.

After making a last minute run at the leaders, our intramural teams came up with a second place finish for the year. Among our top performers were Mike Kleminski, who took top honors in horse-shoes for the third straight year, Ken Correll, Roger Nelson, and Tom Dwyer, who took second in table tennis, and our spring golf team which finished second.

Graduating Senior Rich Main spearheaded a very successful Community Service Day Project by contacting 1,001 alumni for donations. The money will be given to the Jackie Funkhouser Cancer Fund in order to help Jackie and her parents hopefully find a cure for a rare bone cancer disease which she has. To show their support for Jackie, the brothers sponsored a bike-a-thon to help raise money for her.

One of the highlights of the spring season was the last annual Phi Delta Theta Pit Cleanup. After a couple of hours of

The spring semester for the Phis of Valparaiso University began with the initiation of 15 new brothers in April. They included Rick Aton, Youngstown, NY; Kris Axberg, Rockford, IL; Ken Biel and Bill Rickman, Oak Lawn, IL; Mark Collier, Warren, MI; Mike Dodds, Lancaster, OH; Nate Fink and Doug Heckler, Decatur; John Gilbert, Acton, MASS; John Grimm, Elmhurst, IL; Doug Hines, Fort Wayne; Bernie McQuillan, Evergreen Park, IL; Bob Musselman, Florence, KY; George Seegbrecht, Stickney, IL; and Dave Truetzel, Ballwin, MO.

Brothers Mike Lalich ('77) and Jim Stamos ('77) are spending the spring semester at the University's overseas study center in Cambridge, England, while Brother Jon Kuss ('77) is enrolled in the Urban Studies Program in Chicago. Brother Joel Erwin ('78) has been selected to attend Cambridge in the fall.

On the intramural field, the Phi once again took the University's All-Sports Trophy. This followed a series of victories in all the major spring and fall sports, highlighted by the traditional football championship, and a close second in the annual Field Day competition. The brothers settled for a disappointing second place in basketball, after a tough loss in the championship game. In varsity baseball, Brother Matt Rohde ('76) became the third person in Valparaiso history to pitch a no-hitter.

The focus of this semester's social calendar was our memorable spring formal, which was held at the Pick Congress Hotel in downtown Chicago. Early March saw the migration of approximately 30 brothers to the sunny beaches of Florida, a welcome relief from the Indiana weather. Spring Weekend, in late April, proved to be quite enjoyable, with the return of a number of alumni. The Phi won the Spring Weekend Volleyball Tournament and stunned the campus at Songfest with a classic rendition of "Spam."

The brothers of Indiana Iota would like to take this opportunity to thank Brother Robert Schuermann ('71) for his fine work and dedicated service as chapter adviser. His counsel will be sorely missed next year, as he moves on to bigger and better things.—Peter M. Jokich

#### WABASH COLLEGE

Indiana Beta (1850), 114 W. College St., Crawfordsville, IN 47933. Chapter Adviser—Allan J. Anderson, Campaign Director, Wabash College, Crawfordsville, IN 47933. Rush Chairman—John R. Bulta, R.R. 1, Pine Village, IN 47975.

Indiana Beta had one of its most exciting spring semesters in recent memory. To begin the semester there was the election of officers where Mark Englert, Jasper, was elected president; Walter F. (Chip) Eberle III, Cincinnati, OH, vice-president; Raymond Miltenberger, Michigan City, treasurer; Daniel McGaughey, Russellville, secretary; and Brett Coldiron, Ft. Mitchell, KY, steward.

We had 15 brothers join the bond: Pat Rhodes, Tell City; Doug Bies and Ed Laube, both of Jasper; Steven and Paul Pettofrezzo, Winter Park, FL; Gregg Costa, Hammond; Ronald Price, Louisville, KY; Richard Windhorn and Gregory Coldiron, both of Ft. Mitchell, KY; Greg Kozman, Columbus, OH; Stephen Hicks, Russiaville, Michael Englert, Kokomo; William Cannon, Terre Haute; Jeffrey Henderson, Brownsburg; and Joseph Gaafar, Lafayette.

February 6 and 7 was designated Father's Weekend for the men of Phi Delta Theta. An excellent turnout came and the fathers enjoyed themselves with a cocktail party followed by a fine basket-

ball game. The following weekend the house sponsored a Valentine's Dance, where all the men could relax from their studies with their dates.

Honor Scholarship Weekend in early April was an outstanding one in the way of house participation, and we had guaranteed ourselves continuity to keep us the third longest consecutive chapter in PDT. The next weekend we were rewarded by Pan-Hel Weekend (Annual Spring Festival), the highlight of spring semester. The Phi booth was, as usual, imaginative with a Caveman look. All who attended had a terrific time.—Stephen Hicks

##### DRAKE UNIVERSITY

Iowa Delta (1961), 1245 34th St., Des Moines, IA 50311. Chapter Adviser—Robert R. Eddy, 2018 70th St., Des Moines, IA 50322. Rush Chairman—Mark Greenwood, 907 6th, S.W., Apt. 716, Washington, D.C. 20024.

Iowa Delta initiated 16 new brothers and pledged nine new Phikeias for the spring semester.

In the fraternity division of intramural sports, we came in first in volleyball, singles handball, ping pong, and billiards. We placed second in doubles racquetball, and third in indoor and outdoor track.

In intercollegiate sports we were represented by Todd Gaffney in football, Tom Milliken and Leo Ellis in wrestling, Jeff Bushman in volleyball, Jim Stalaker in track, Kris Milligan and Greg Russell in tennis, Dick Duell in hockey, and Mark Barrington, Mark Nelson, and Dan Nelson in golf.

In student government on the Drake campus we have Dudley Ryan and F. Keith Brown in the Student Senate, who went up for re-election, came in second and third respectively in total votes cast.

In our own election for officers in the house, junior Steve Jacobs is the new president. Jacobs was appointed earlier in the week as co-chairman head of 1976 Greek Week on our campus. Other officers include Ron Mead, vice-president; Leo Ellis, secretary; Chris Abelt, house manager; Tony Mack, pledge trainer; Tim Shetler, assistant pledge trainer; Eric Turner, pledge master; Mark Greenwood, rush counselor; and Steve Lacy, treasurer.

The biggest event of the semester, though, was our community service project held over Drake Relays weekend for the Des Moines Convalescent Home for the physically and mentally handicapped. We held a 54-hour trampoline marathon to raise money in order to buy an ambulatory service bus for the home. With the help of the Variety Club of Iowa, which has many alumni members of Phi Delta Theta, we achieved our goal and more.

On a sad note, we are losing 24 seniors to graduation. We will miss their influence and guidance.—J.D. Ormerod

Iowa State University celebrated the annual Veishea celebration May 5-8. Veishea

is the largest totally student produced event in the nation. Many Phis served on various committees, fulfilling positions such as chairman of the golf and tennis tournaments, chairmen of the canoe races, chairman of the floats, etc. We also entered a float in the parade entitled "Hollywood's Time Machine." Jim Tilden ('77) oversaw the float operation, from the initial blueprints to the final all-night construction.

Recently, the following new officers were elected: Allan Hallquist ('77), president; Gary Moore ('77), vice-president; Jim Tilden ('77), treasurer; Harry Lockwood ('79), secretary; John Ivbulis ('77), alumni chairman; Brian Breidert ('79), house manager; Kevin Colton ('78), pledge trainer; Tom Partridge ('76), rush chairman; Gordon Carstens ('79), scholarship chairman; Reed Gethmann ('77), social chairman. #### IOWA WESLEYAN COLLEGE

Iowa Alpha (1871), Hershey Hall, Iowa Wesleyan College, Mt. Pleasant, IA 52641. Chapter Adviser—Merle Unkrich, Rt. 1, Winfield, IA 52659.

We began this year by making our second move in the past three years. In 1973 we were forced to sell our house and move on campus. After setting up shop on the third floor of Hershey Hall and running our operations from there for two years, the school decided that they wanted us to have our base in McKibbin Hall. The problem is that the new dorm does not have anything close to a fraternity facility (meeting room, lounge, officer's room) so we decided to rent an apartment. We were fortunate enough to get an apartment just off campus, and it is working out quite nicely. The brothers enjoy the apartment, and we plan on keeping it as long as possible.

Last year we won the Outstanding Improvement Award as well as the General Headquarters Trophy. We also won the basketball tournament.

Since we lost nine seniors due to the 1975 graduation, we started the year with only fourteen actives. The local alumni really helped us with first semester rush and we are truly thankful. We picked up nine pledges plus four more men during second semester. At present we have sixteen actives and six pledges, and we're only losing one senior. We have had two Community Service Projects this year, one of which was the annual Christmas party for the underprivileged kids.

Brothers Lindeen and Perry were chosen last year to become members of Blue Key, a nationally recognized honorary organization. Brother Thomas Ross-Barnett was named outstanding senior at Greek Week, and Brother Anderson was Greek Prince. Brother Anderson also was the quarterback of the football team and made the All-Little-Phi team. Brother Kropp was captain of both the swim and golf teams this year, and we had other brothers on the football, baseball, track, swimming, tennis, and golf teams.

The new officers for the 76-77 term are Dan Kolbow, president; Ed Anderson, vice-president; Steve Applegate, secretary; and Russ Foust, treasurer.—Steve Applegate

#### STATE UNIVERSITY OF IOWA

Iowa Beta (1882), 729 N. Dubuque, Iowa City, IA 52240. Chapter Adviser—Randy Watkins, 3513 Chateau Knoll, Bettendorf, IA 52272.

New Phikeias include Charles W. Hippee, Iowa City; Gary D. Proctor, Bloomfield; Bruce H. Richardson, Muscatine; Robert W. Sheets, Mt. Pleasant; and Wayne M. Youngman, Winfield.

The men of Iowa Beta took some giant steps toward re-establishing and strengthening our alumni relations this semester. We have mailed out questionnaires seeking information to update our alumni files. (If you are an Iowa Beta alum and have not received a questionnaire, please drop us a line and we will send you one. Be sure to include your current address.) We have also established a house improvement fund which, as of May 1, stands at about \$600. We would like to thank the alumni who have contributed to this fund for

their generosity.

Brother David B. Boydston graduated in December and received his commission as a Second Lieutenant in the U.S. Army. He is now stationed at Ft. Knox, Kentucky. On May 12, Brother David Froiseth was promoted to the rank of captain in Civil Air Patrol. David is a recipient of the coveted Gen. Carl A. Spaatz Award, and with his promotion he has become, at age 21, one of the youngest senior members of CAP in the nation to hold that rank.

We are looking forward to a great year next year with our new officers: Peter Bartlett, president; Jon Day, vice-president; Anthony Gard, secretary; and Jeffrey Mast, treasurer.—Patrick R. Newcomb

##### EMPORIA KANSAS STATE COLLEGE

Kansas Epsilon (1968), 1326 Highland St., Emporia, KS 66801. Chapter Adviser—Dr. Robert Parenti, 910 Chestnut, Emporia, KS 66801. Rush Chairman—Bradford Meredith, 1326 Highland St., Emporia, KS 66801.

We opened spring semester with nine Phikeias: Brad Bowman, Larry Sappington, Dan Burenheide, Gary Kempker, David Froelich, all from Emporia; Jerry Phares, Borger, Texas; Jeff Simmons, El Dorado; and Robert Scofield, Iola.

On April 24 the Emporia Phi held their annual "White Carnation Ball." At this time our Miss Phi Delt Sweetheart and our Outstanding Alumni were recognized. This year's recipients are Miss Kathy Ralston and Brother Tim Fahrbach. Also in attendance were these alumni: Steven Marks, Scott Larson, Bob Gustafson, Don Coleman, John Fursman, Mike Taschler, and Bob Davidson.

Four brothers were initiated into Blue Key National Honor Fraternity. They were Brothers Chuck Weston, Gary Purdome, Bob Scofield, and Gary Kempker.

Richard F. Reicherter, professor of business, has been named organizational consultant for Kansas Epsilon. Over the years at Emporia State, Professor Reicherter has been involved in various organizations, and at present is serving as National President of Blue Key National Honor Fraternity.

Community service began this semester when the Kansas Epsilon Phi traveled to Wichita to compete with Kansas Delta in the Easter Seal Telethon. The race was on to see which chapter could pedal the first 350 miles on stationary bicycles. Kansas Epsilon won the contest about 15½ hours after they began, raising over \$600.

This year has proved to be very successful in improvement of the chapter house linoleum and new draperies that have improved the appearance of the chapter room.

One of the future improvements in the planning stages is the construction of a patio-carpeting for the living room. This will be a major undertaking, but a necessary project for the future.

On April 3 and 4, Emporia Phi held "Mother's Weekend." The event was a success with several mothers attending. The activities included the "Miss Emporia Scholarship Pageant," "Mother's Club Meeting," and church services Sunday morning.

In the area of campus involvement, the Emporia Phi has been busy. Bob Scofield, Phikeia, and Brad Meredith, active, are currently running for president and vice-president of Associated Student Government. Gary Kempker, Phikeia, is a candidate for National President of Phi Beta Lambda Business Fraternity.

Brother Ed Shigley is to be congratulated for receiving the Phi Delta Theta Scholarship from the Kansas City Alumni Club. Brother Shigley, a pitcher for the Emporia State Hornets, also was Kansas Epsilon's outstanding athlete of the year.

The highlight for the PDT's at Emporia was the Greek Games. The Phi Delt finished second in the overall games and second in the Greek singout.

We would like to wish luck to graduating seniors Wes Marks, Russell Thomas, Rod Sanchez, and Jon Nelson.

Next year's chapter officers are: president—Alan Graham; vice-president—Rod Sanchez; treasurer—Charles Weston; secretary—Scott Snyder; warden—Jon Nelson; pledge trainer—Wes Marks; and Rush chairman—Brad Meredith.—Frank Rod Sanchez, Jr.

Kansas Gamma (1920), 508 Sunset Ave., Manhattan, KS 66502. Chapter Adviser—Meryl Wilson, 3231 Ella Lane, Manhattan, KS 66502.

Spring semester at Kansas Gamma got off to a good start as our pledges took a successful three-day ski sneak to Winter Park, Colorado. Initiation was held in February with Brent Hiedbrecht ('79), 3.9 student in nuclear engineering, receiving honor initiate.

For Community Service Day the Phi participated in the Easter Seal Telethon held in Topeka. Kansas Alpha and Beta contributed their efforts as Kansas Gamma collected over \$750 in pledges.

We are initiating a major renovation on the Phi Delt house. New furniture, carpeting, paneling, windows and landscape are being acquired in preparation for the fall semester.

Our rush activities have included a Casino party on April 3 with 35 rushees in at-

tendance, and a picnic rush party at Tuttle Creek was held on May 7 with the women of Alpha Delta Pi.

The Phi also have two men on the varsity baseball squad. They are Marc Ramsdale ('79) and Jeff Moore ('78). The Wildcats are having a successful season with a 34-17 record going into the Big Eight tournament.—Jay Benson

Kansas Beta (1910), Washburn University, Topeka, KS 66621. Chapter Adviser—Edwin P. Carpenter, 112 W. 6th St., Topeka, KS 66603. Rush Chairman—Jim Pringle, Phi Delta Theta, Washburn University, Topeka, KS 66621.

Kansas Beta Phi showed strong enthusiasm and interest in community projects this spring semester. Kansas Beta participated in the Easter Seal Telethon for the second straight year. Our total effort raised approximately \$1500. Some brothers formed a basketball team to play the Topeka Association for Retarded Citizens. It was a memorable and rewarding experience for all participants, and the brothers who participated were honored for their valiant effort. This spring we volunteered our services in the preparation of a halfway house located in the Topeka area.

On March 18 an impressive number of Phi including alumni gathered at our house for Founder's Day. The ceremonies were highlighted by the presentation of the Dr. Davis trophy to Kurt Knoff of Kansas Alpha for outstanding Kansas Phi Delt Athlete of the Year.

We would like to congratulate Brother Craig Blumreich, Washburn's academic athlete of the year, and Brother Mark Hutton, recipient of a Phi Delta Theta Foundation Scholarship. Brother Stuart Haney was recently elected as president of the Kansas Young Republicans.

In athletics, Brothers Andy Hutton, Craig Blumreich, Jeff Bakalar, and Jack Carlson have given outstanding performances for the Washburn varsity tennis team. Little All-Phi Larry Meikel has established himself as Washburn's baseball team pitching ace. He pitched a no-hitter in his first game against Sterling College.

For the first time in ten years, Kansas Beta received first place in the Greek Week sing. The parties this semester included a gala spring formal and a "woods" at Lake Shawnee. The new spring initiates include Mike Hale, Stuart Haney, and Chuck Kostanski of Topeka.

Officers elected for the coming academic year include Larry Meikel, president; Bob Crowe, vice-president; Wes Griffin, secretary; Paul Brown, treasurer; and Steve Coover, pledge master.

The brothers of Kansas Beta wish to thank the alumni for their ardent interest and support of our activities. We are extremely happy to announce that Mother Cox will be with us again next year.—Bob Crowe

The spring turned out to be another busy semester as we participated in many events on campus as well as off. The event the Phi is most proud of is the Easter Seal Telethon. We were in competition with Phi's all over the state to see who could raise the most money. We raised over \$2,700 and were awarded first place in the state. Bill Shanahan was the chairman of this project and did a fine job.

The Phi participated in Hippodrome again this spring, working hard to put on a play for the University. Ron Grasse was the Hippodrome chairman and is to be congratulated for the outstanding job he performed in making our play successful. The Phi held their 26th Annual Spaghetti Dinner in April which is our largest money-making project. The dinner proved to be most successful thanks to the hard work of Charlie Vestring, the spaghetti dinner chairman.

Kansas Delta is proud to announce that we have nine outstanding pledges this semester. They are: Jim Boots, Kelly Bracken, John Childs, Gy Drake, Jeff Etter, Steve Govert, Judd Quade and Monte Shaw, all of Wichita, and Roger Rand from Maine.

Kansas Delta elected new officers May 3. They are as follows: Bill Cox, president; Jerry Augustin, vice-president; David Stedman, treasurer; and Bill Lappin, secretary.—Steve Reiff

We are working toward and looking forward to rush in the fall, and we made good contact with rushees this past year partly through our formal and annual South Sea Island party.

Louisiana Beta took top honors this year in athletics. Besides winning first place trophies in football, basketball, baseball, and winning several minor sports, this year we won the White Bracket Sweepstakes trophy for the most points athletically in our division. Also, in football, our team advanced to the Toilet Bowl, which is the annual game for the overall fraternity championship.

Scholastically, in the fall David Elrod with a perfect 4.0 and Greg Cruice with a sturdy 3.6, respectively made the dean's list. Also, Brian Stewart is the newly elected president of the I.F.A.C. for the coming year.

Under the leadership of Brother Joseph Rinaudo ('51) and Brother Jake Marino, our chapter adviser, a house corporation has been formed.

New officers elected during the spring are David Elrod, president; Brian Stewart, vice-president; Glenn Thomas, treasurer; Steve Hodson, pledgemaster; and Greg Reeves, secretary. ##### COLBY COLLEGE

Maine Alpha (1884), Colby College, Waterville, ME 04901. Chapter Adviser—W. Malcolm Wilson, Pond Rd., Rt. #1, Oakland, ME 04963.

Maine Alpha began its second semester with the initiation of eight pledges: Paul Avery, Jay Burke, David Burton, Kendrew Colton, Doug DeAngelo, David Quigley, William Sawyer, and Peter Simpson. The spring rush has resulted in two pledges, Peter Dwyer and John Murphy.

We have had a very successful intramural athletic program this year with the winning of the skiing competition and the championship of the "A" hockey league. With good tennis and softball teams, we hope to win the Ted Sprague Award, which goes to the overall winner in college intramurals.

Our community service project this year was assisting in the Colby Bicentennial Weekend. The brothers ushered and aided at numerous functions, culminating in an academic convocation that featured Dr. John Kemeny, president of Dartmouth College.

Maine Alpha hosted an all-campus informal meeting with the Colby Board of Trustees. This was very successful and the Trustees expressed their pleasure at our quick response to the construction of a new science facility, 40 feet from the chapter house. (See accompanying article)

Alumni support has been very strong this year, thanks to the efforts of Alumni Secretaries Mark Fishbon and Steve Ford. Chapter Adviser Malcolm Wilson (Colby '33) has announced the start of a fund-raising drive to help defray the cost of painting the house and repairing the roof. The project will cost \$3,000, and the alumni are urged to contribute.

**COLBY HOCKEY CHAMPS:** Colby's intramural hockey champions include: KNEELING—Bill Gruber, Dave Laliberty, Wood Peirce; FIRST ROW—Coach Mike Harris, Rick Tonge, Craig Snider, Bill Sawyer, Brad Cohen, Andy Denison, Pete Simpson and Miguel Brown; BACK ROW—Courtney Grimes, Steve Ford, John Sanford, Joe Garcelon, Mark Fishbon and Mark Fowler.

Election of officers for next semester was held, with Jeff Olmstead re-elected president; Courtney Grimes, vice-president; William Sawyer, secretary; and C. David Williams, treasurer.

Maine Alpha is losing 11 seniors to graduation in June and they will be greatly missed next year. They are Scott Anderson, Ken Curtis, Jim Daigneau, Mark Fowler, Mike Harris, Mark Helmus, Maury Maniff, John Sanborn, Tom Silverman, Albie Shapiro, and Howie Tutman.—Jerrold Chadwick, Jr.

On March 15 we held a Founder's Day Banquet here at the chapter house with approximately 120 brothers in attendance. After the dinner a brief chapter meeting was held in order to let the alumni see exactly how we run the chapter today.

The Greek system held its annual Greek Week this year April 19-22. With a great amount of determination and effort by all the brothers, we won first place in the overall point total.

The brothers here are extremely proud of a few individuals and their accomplishments in intercollegiate sports. Brother

Greg Filipos placed second in the A.C.C. Wrestling Tournament. In fencing Brother Key Poyd placed first thereby advancing to the N.C.A.A. Tournament. Once again we are also proud of Brothers Roger Simpkins and Mike Pratt for their efforts in golf. They placed third and ninth respectively in the A.C.C. Brother John Beamer also won an election to represent the Greek system in the S.G.A. Legislature.

Brothers Bill Dux, Doug Gunn, and Randy Scott were honored by their induction into the Kalegathos Society on April 5.

Last but not least, we capped off our semester by enjoying ourselves at our annual three-day Spring Formal in the mountains at Wisp Ski Resort in Oakland, Maryland.

This year the brothers held our second annual run-a-thon for the Maryland Easter Seals Foundation. In order to raise more money we decided to expand and include the entire Greek system.

The run-a-thon was held on April 21 from 8 a.m. to 8 p.m. during Greek Week, on Fraternity Row. It was set up as a Greek Week Olympic event so Greek Week points were awarded to all the houses that participated.

The fraternities and sororities were paired up, each pair forming a team. Each team submitted a relay team of ten people, five from the fraternity and five from the sorority. Prizes for the run-a-thon were awarded to the winning teams on the basis of: (1) collecting the most money, and (2) running the farthest total distance.

Money was collected in two ways: the runners were given pledge sheets in which they could get money pledges for the amount of miles that they ran. Also, every other member of the house was given an Easter Seals canister in which they collected money to support their runners.

All in all the day was a very successful one, not only for the runners and us at Maryland Alpha, but especially the crippled children that we were running for.—Wm. Douglas Gunn

There has been plenty of excitement for Phis on campus this semester. The highlight came when Richard Barnes accepted an award for his paper on Abraham Lincoln from President Gerald Ford. Afterwards he was interviewed on a Washington, D.C. TV station.

Wally K. Ammon has been elected IFC president while Steve Vaughn has been accepted at the university's Dental School, and Frank Lafalce has been accepted at the Washington and Lee Law School.

The chapter is happy to have 18 new pledges including Doug Barnes whose two brothers, Ken and Rick, are already members. We are also proud to have Dave Fuffer, who has decided to continue his education at age 60. Dave's two sons, Dave and Steve, both graduated in 1974 and were Phis.

Community Service Day was a big success. We visited a boys' home where two former brothers, Fred DiBlasio and Auggie Aull, are working. We played numerous games with these underprivileged youngsters and had one of the most enjoyable and useful days in many years.—R. Hess

In the face of a large reduction in number of freshmen, Michigan Delta successfully rushed 23 men.

Brothers Randall Atkin and T. Michael Riggs won two of the four coveted Student-Alumni Travelship Awards. Brother David Kaverman was named alternate. The travelships are awarded on the basis of overall

campus activity and leadership, and result in a trip overseas for the student.

Brother Dan Praschan carried on Michigan Delta's involvement with the student government with his successful campaign for Representative-at-Large. Phikeia John Hoban was elected Junior Class Representative.

Due to their high academic achievements in the industrial administration curriculum, Brothers Terry Mayer and Grey Talicska were inducted into Sigma Alpha Chi, a GMI honor society. Brother Randall Atkin has been awarded a GM Fellowship to attend Harvard Business School for graduate work.

Michigan Delta was very successful in the intramural basketball tourney this year with A-section coming in second and B-section reaching the semi-finals. For the past several years A-section has had a fine team but B-section has only recently rebuilt their team into a contender for the intramural championship. Brother Dan Praschan was named to the GMI All-Stars team.

Maintaining our well roundedness, the brothers again surpassed the overall school grade average by a considerable margin. Relations with the school were further strengthened through dinners at the house for both the dean of academic affairs and the dean of student affairs.

Michigan Delta proudly held their ninth annual Easter Seals Carnival for local handicapped children, the climax of another successful year of community service.

During the year we were proud to initiate two new brothers, Mark Edge and Bruce Sing, who will help us maintain the high standing of Phi Delta Theta at General Motors Institute.—David T. Kaverman

With the addition of six new acts and the pledging of eight Phikeias, the Phi Deltas at Michigan State looked forward to a spring of accomplishments. With Brother William Payton as coordinator of the term's Community Service Project, Michigan Beta worked in cooperation with several area elementary schools in celebrating the Bicentennial.

In looking at the chapter's internal affairs, the new administration has set its goals for the coming year and has already taken steps to strengthen alumni relations. Results of this work have already been seen with alumni participation in such events as the Spring Term Rush Party and The White Carnation Ball.

Looking at spring term from a social standpoint, the Phi Deltas of Michigan State enjoyed an exceptional term. From the beginning there was never a dull moment and it was all climaxed by the Annual Frisbee Tournament held on our front lawn during Greek Week here at Michigan State University.

With the strengthening of alumni relations and the improvements to the house in general, the men of Michigan Beta of Phi Delta Theta are looking forward to a prosperous and successful future.—Craig M. Hanson

Michigan Alpha (1864), 1437 Washtenaw, Ann Arbor, MI 48104. Chapter Adviser—William Waterson, 400 Maple Ridge, Ann Arbor, MI 48103. Rush Chairman—Joe Cieslak, 13262 Buffalo, Detroit, MI 48212.

Under the direction of our new chapter adviser, Brother William Wateton, Michigan Alpha has undergone over \$1,500 worth of house improvements this year, and we plan almost twice that next year thanks to added support from our alumni and parents' clubs. New furnishings for our living room is on the top of the list.

Keeping our alumni involved is a priority for next year. We are planning on an extended program for our annual homecoming alumni party on Oct. 30. Mike Rector, our alumni secretary, is also exploring the possibility of an alumni family day for the following spring.

Joe Cieslak, this year's rush chairman, did a fantastic job in producing 19 pledges winter term. For the first time in many years we have overfilled the house as 23 new men will have been initiated by next fall.

Al Spatz, athletic chairman again this year, did another great job as P.D.T. finished second in fraternity intramurals. Hank Carabelli, Walt Kalisz, and Al Spatz were named to all-star teams. Chip Fowler, Jim Baumgartner, Bob Maistros, Mark Watt and Tom Buck are varsity team members in university sports.

The Phis were again active in homecoming activities as winners of the first annual fraternity-sorority float contest. Unfortunately, we will have to wait until next year to avenge a disputed loss in the annual Mud Bowl game against Sigma Alpha Epsilon.

Traditionally we put on an orphan benefit carnival for our community service project but this year we decided to have a different project. Planning is underway for an Easter Seals bike-a-thon on May 22. Local school children will be participating. It's a lot of work, but it should bring in a big donation for Easter Seals.

The new officers for next year are: Jim Browne, president; Bruce Young, vice-president; Jack Stuart, treasurer; Dennis

## Colby Chapter Negotiates Compromise With Leaders

The brothers of Maine Alpha would like to announce the construction of a new courtyard in front of our house. This is to be paid for by Colby College as a result of our protest of a new science center which is to be built 40 feet from the facade of the chapter building. We would like to bring this to the attention of all the chapters to illustrate the fact that school administrations are not totally unresponsive to fraternities, and that a concerted protest can achieve beneficial results.

To understand our situation, one must realize that Colby's physical plant is considerably different from most colleges and universities. All of the fraternity houses are located on campus, with a coordinated Georgian architecture. The Maine Alpha house is approximately 80 yards from the library and 50 yards from the existing science facilities. Despite the fact that we own our house, Colby owns the land, and this puts us under more school authority than most chapters have to contend with. More than one member of the Colby administration has expressed the desire to turn the fraternities into special interest dormitories.

It has been known for over a year that Colby was planning to expand its science facilities, and due to our proximity to the existing building, we were fully aware of the impact that the proposed center would have on us. In late November, the school newspaper stated that the Board of Trustees had approved a plan for the new science center, and a picture of the architect's model was printed in the article. The model showed the new building extending from the original, such that it totally blocked our fraternity house, and was but 40 feet from our front door. We had been given no advance warning as to the proximity of the chosen site.

Two weeks after the appearance of the article, we invited over to the house Dr. A.K. Champlin, who was the faculty representative to the building committee. He brought with him to the discussion the architect's model and the blueprints for our inspection. Naturally, many of the brothers were upset with the new develop-

ments, and it was asked whether or not the building could be moved to a different location. Dr. Champlin stated that many studies had been made and that we were looking at the best one. He indicated that the administration would probably not move the location, but might meet us halfway and improve the area between our building and the proposed science center. The executive committee drafted letters of protest to the Chairman of the Board of Trustees, the president of the college, and other administrators. On Dec. 11, the chief architect met with the house officers to discuss our opinions of the plans. The meeting confirmed Dr. Champlin's belief that the location was permanent. The architect, however, was very receptive to ideas from the brothers as to how the front yard could be improved. He returned on Jan. 15 to exhibit the changes that he had made. The new model showed considerable landscape alterations, and a patio with permanent benches. It was suggested that the entire front yard be enclosed by a hedge, and this was added to the blueprint. The architect also demonstrated his study on the effect that the new building might have in respect to casting the house in a constant shadow. This potential problem proved to be insignificant.

The brothers made it clear to the administration that we are not opposed to the construction of a new science facility. Colby's existing science buildings are 25 years old, and lab space is not adequate for the number of science majors. Due to its antiquated facilities, Colby cannot provide the quality of education that it maintains in other areas. The new center will alleviate this; however, we objected to the location and the fact that we were not informed until after the approval of the building. Had we not protested, we would have received nothing but a strip of grass. We did not attain all of our objectives, as the site remains the same, yet the administration and the Board of Trustees were made well aware of our feelings. A considerable amount of time and money will be spent on improving our situation.—Jerrold C. Chadwick, Jr.

## MINNESOTA

### MANKATO STATE UNIVERSITY

Minnesota Beta (1964), 615 S. Broad St., Mankato, MN 56001. Chapter Adviser—James Rademacher, 107 Parkway, Apt. 305, Mankato, MN 56001. Rush Chairmen—Paul Hedelson and Robert Barton, 615 S. Broad St., Mankato, MN 56001.

During the last week of January, Paul Hedelson, Larry Wild, Konr Beetch, and Steve Johnson met several Phi from the Manitoba Alpha chapter at Sugar Hills Ski Area, Grand Rapids, MN., for the annual "Lambda Province Ski Bash," organized by Minnesota Beta. It was the first chance for the people at Sugar Hills to experience some grand Phi Delt skiing and an assortment of other activities.

Hockey was in the spotlight for the sports scene this year, with five Phis on the "active" roster. Brother Billy Essel broke the University's "Most Points Scored" record with an outstanding 47 points. Brother Mike Wallace broke the University's "Most Goals Scored" record with a stinging 43 points. Phi captain Buz Essel, Brother Doug Jamison, and freshman Brother Jeff Bodner also showed skating skills equivalent to Phi Delt tradition. The superb performance of these Phis lead the young Mankato team in capturing the Western Division 2 and 3, NCAA Championship title, with a season record of 20-11-1.

Our latest community service project was on April 4. We sponsored a pancake breakfast at our college Newman Center with the proceeds going to an all-out community effort to aid and assist the Guatemala relief fund. The project was a big success.

The Phis showed their theatrical talents to our annual Charity Carnival patrons when we held a variety show with the Alpha Chi Omega sorority.

Finally, we are expecting a big attendance to this year's Playboy formal which will be held on Lake Okoboji. We sincerely wish to share our formal activities with our returning alumni.—William P. Wilcox

### UNIVERSITY OF MINNESOTA

Minnesota Alpha (1881), 1011 4th St. S.E., Minneapolis, MN 55414. Chapter Adviser—Eric A. Erickson, Jr., 10536 Johnson Rd., Bloomington, MN 55437. Rush Chairman—Allen Porter, 1011 4th St. S.E., Minneapolis, MN 55414.

Starting fall quarter with 28 actives we pledged seven Phikeias who have become extremely active Phis.

In winter quarter's Greek Week our brothers, with the help of the sisters of SDT, made a strong showing by taking first places in the chariot race and coed volleyball as well as a strong third place in Quiz Bowl. Winter quarter was also highlighted by first place in IM wrestling, with an All-University title at 177 pounds won by Brother Reed Bales. The brothers also took second places in basketball, volleyball and bowling.

Spring quarter looks equally promising. Our first softball team is rated seventh out of the 700 teams entered. The brothers are looking for a repeat of last year's track victory with most of the main contributors returning. Golf and bowling are also looking strong in the effort to win the Greek All-Par IM trophy which so narrowly escaped us last year.

Scholastically Minnesota Alpha is one of the strongest houses on campus, having held a consistent 3.0 average on a 4.0 grade point system. The quarterly Scholarship Dinner has added an additional incentive for the brothers with steaks going to those who attained a 3.5 or better, pork chops for those with an average of 3.0 to 3.5, and hot dogs for those unfortunates who couldn't reach that 3.0.

This year's Community Service Project was a very enjoyable one. The brothers treated 17 underprivileged boys to a day of softball, a Gopher baseball game, dinner donated by McDonald's, and various activities at the chapter house.

Our spring quarter Phikeias are Rick Ailts, Jackson; Greg Burrell, St. Louis Park; Randy Frye, Mounds View; Craig Polson, Bakersfield, CA; Dan Peterson, Minneapolis; and Tom Wendorf, Deer Creek.

Our newly elected officers are Dick Bjorklund, president; Eric Erickson, vice-president; Bob Wager, secretary; Dave Smetak, house manager; Allen Porter, rush chairman; Bruce Olson, social chairman; and Ken Woodard, warden.

We would finally like to thank Eric Erickson (Minnesota '53) for stepping into the job of Chapter Adviser when we needed him.—Allen Porter

## MISSISSIPPI

### UNIVERSITY OF MISSISSIPPI

Mississippi Alpha (1877), Box 4466, U. of Miss., University, MS 38677. Chapter Adviser—William Lewis, 305 S. 5th St., Oxford, MS 38655. Rush Chairman—David Watkins, Box 4466, University, MS 38677.

Scholastically, our chapter with 114 active members ranks third out of 17 with the greatest number of men in Phi Eta Sigma of any organization on campus. This year Mississippi Alpha had six active members eligible to join Phi Kappa Phi, the highest scholastic honor that a student may obtain; they are John Garrett, Whit Johnson, Rob Hayes, Bill Morgan, John Lucas, and Robert Powers.

Mississippi Alpha came in second in the intramural competition. We managed to capture first place trophies in football, doubles tennis, and water polo.

As for campus activities, Mississippi Alpha has exemplified leadership in all areas. This year Brother John Lucas was elected Editor of the "Ole Miss" annual, Brother Tommy Peters was elected president of the Business School, Brother David Brevard has been appointed director of student activities, and Brothers Cliff Heaton and Bob Nance have been elected to serve as the recruitment committee for Beta Alpha Psi.

Concerning our community service projects, the first project was our annual Christmas party for the area's underprivileged children held in association with the Delta Gammas. Our second project was our effort to gather funds from a local exhibition boxing match, with those proceeds going to charity.

Our third project was held on March 24. After plans were made by Brother Andy Garrett in collaboration with Mayor John Leslie, Mississippi Alpha spent a Saturday clearing three acres of land next to the North Mississippi Mental Retardation Center for the purpose of a park facility to be used by the children.—Rob Hayes

The year started off well with the chapter hosting the Tri-Province Convention late in January, which proved to be an interesting and enlightening experience. Highlights of the rest of the semester included a fourth place overall finish in intramurals as well as an amazing victory in the Greek Fling during Greek Week, the second such victory in as many years for Missouri Alpha.

In addition, Brothers Dave Busse, Andy Tribble and Jay Ritzel have served as volunteer firemen with the local fire department. Kai Ravnborg made it as a "walk-on" on the MU football varsity, and Larry Doering is on the MU track team.

### WASHINGTON UNIVERSITY

Missouri Gamma (1891), #8 Fraternity Row, St. Louis, MO 63130. Chapter Adviser—Peter Kelley, 422 Palermo, St. Louis, MO 63011.

This past year Missouri Gamma has taken first place in football, handball, basketball, and softball. Second place finishes have been in volleyball and badminton. We finished runner-up in the football play-

offs. All this led to taking first place in fraternity intramural competition and runner-up for the All-University trophy.

Tradition remained in the fall semester's community service project of running the Christmas party for the Edgewood Orphanage. For the second year in a row the spring's project was to work at the Magdala Foundation. The brothers also made a fine turnout for the school's Red Cross blood drive.

Dave Conti, Bob Lewis, Mike Karaffa, Jay Mueller, and John Pattillo were chosen the 13-member committee for the Thurtene Honorary Junior Men Society. The movie for this year's carnival done by the chapter was the "Six Million Dollar Man Meets Jaws."

Congratulations should go to Dick Peairs for making Omicron Delta Kappa honor society, to Bob Lewis for being accepted to the 3-2 MBA program and giving himself a present by getting engaged, and Sam Schwartzberg for getting married.

Missouri Gamma pledged 14 men and now has a chapter of 39 actives and 7 pledges. Initiates are Mike Gorski, Mike Mahler, Jim Meyer, Bob Pattillo, Bill Renken, Jim Robertson, Tom Saale, and Steve Wood-Smith. Pledges are Condi Doxon, Bob Dulgwosh, Matt Harmon, Keith Lucas, Paul McNight, Dan Sinclair, and Jerry Wheatley.—Sam Schwartzberg

### WESTMINSTER COLLEGE

Missouri Beta (1880), 500 Westminster Ave., Box 292, Fulton, MO 65251. Chapter Adviser—William C. Whitlow, 10 E. 4th St., Fulton, MO 65251. Rush Chairman—Mark Haviland, R.R. #1, Freeburg, MO 65035.

The brothers took first place plaques in wrestling and handball and a third place plaque in bowling, under the coaching of Brothers Willy Ura-neck, Jim Holder and Mike Bluth, respectively.

Recently there has been a new addition to the Missouri Beta's establishment. Four brothers decided to form a Phi Delta Theta quartet. They are Greg Bates, John Blattner, Donald Conner and Greg Walters, and through tedious hours of work and practice, they managed to place in the finals of the Annual Phi Delta Theta National Singing Competition.

In 1980, Missouri Beta will be celebrating the 100th anniversary of its founding; therefore, it is only fitting and proper that we do something in commemoration. We are. We plan to fulfill the plans that were previously proposed in 1962, the building of a new wing.

During the weekend of May 7-9, Missouri Beta conducted its annual Alumni Weekend. It was a most rewarding experience as we accommodated well over 35 alumni ranging between the years of 1922-1975.

In commemoration of the Founding Father of Missouri Beta, Robert Morrison, we conducted our annual Graveyard Ceremony March 15. This ceremony was extremely meaningful as it touched the hearts of every member of our chapter.

The brothers of Missouri Beta anxiously await their summer rush dates. The rush dates are as follows: St. Louis, June 26 and July 31; Tulsa, July 17; Kansas City, Mo., July 24; and Little Rock, August 7. We are looking forward to meeting the prospective freshmen in hopes that we can make their stay here, at Westminster, a place in which they've decided to pursue their post high school education, a most rewarding one.—Donald Conner

## MONTANA

### UNIVERSITY OF MONTANA

Montana Alpha (1920), 500 University, Missoula, MT 59801. Chapter Adviser—David R. Peterson, 4307 Gharrett Ave., Missoula, MT 59801.

This spring quarter marked a significant change for Montana Alpha. The departure of actives who have lived in the house since our rechartering in 1974 transferred the responsibility to the younger members. This has served to give needed experience to those now in responsible positions.

New officers, elected in March, include Gary Hagler, president; Tom Tintinger, vice-president; Doug Kellogg, treasurer; Tom Glover, secretary; John Seel, house manager; Pat Risken, social chairman; Kerry Irwin, rush chairman; Mark Bryson, pledge master; Michael Richards, alumni secretary; Ross Blair, steward; Gary Thompson, warden; Jim Kampf, sports chairman; Regi Price, historian; and Ray Wilson, song master.

Among the activities that appealed to Phi Deltas and the Alpha Phi sorority was a wine-tasting party. Others were the winter Hawaiian function (complete with makeshift palm trees, beaches, and scenery) and the spring function campout in the rugged woods of western Montana, highlighting the social activities of this school year. Along with these main functions, our Phi Deltas enjoyed the company of many ever-willing sororities in weekly exchanges.

The Red Cross blood drive headed the chapter's participation in community-oriented projects.

We Phis have been active in intramurals including basketball, softball, and track. Pat Risken, Jim Kampf, and Regi Price have won distinction for our house in the latter sport.

Concerning house improvements, we re-organized our library and chapter rooms along with minor remodeling such as repainting the lower floor and purchasing a 21-inch color TV.

## THE SCROLL of Phi Delta Theta Supplement, SUMMER, 1976

In strengthening our alumni ties, we have published an alumni newspaper. Also, many near and distant Brothers attended our Herb Vitt banquet, commemorating the birthday of Montana Alpha's first Brother to pass on. This annual event was held May 14. Our Brothers of 1934-39 also reunited the weekend of May 7-8 at Fairmont Hot Springs.

Fifteen top-notch Phikeias advanced our membership this year and show great promise in strengthening the brotherhood of Phi Delta Theta.

Montana Alpha welcomes our new chapter adviser, Dave Peterson ('66).

Those of us who will return next fall wish to express gratification and hope for future happiness to those who have completed their college objectives. Those Brothers are Bill Adams, Bill Coburn, Keith Rowland, Rich Baars, Bill Haviland, Ed Jamison, Neal Lutke, John Henriksen, Mike Higgs, Chuck Kesting, Ray Wilson, Jim Smego, Rich Owens, Art Corcoran, and Mike Gunderson.—Tom Grover

## NEBRASKA

### KEARNEY STATE COLLEGE

Nebraska Beta (1966), 521 W. 25th St., Kearney, NE 68847. Chapter Adviser—Richard Barlow, 711 W. 28th St., Kearney, NE 68847. Rush Chairman—Bruce Blankenship, 3609 Linden Drive, Kearney, NE 68847.

Spring semester at Kearney roared off to a good start with 21 new active members and six new Phikeias.

The chapter is active in the intramural athletic program. We placed second in intramural basketball and second in the intramural race of champions and first among fraternities.

The chapter has participated in several community service projects. The projects include donating blood to American Red Cross, answering telephones for Cerebral Palsy Telethon, and collecting for Cancer Society, Heart Fund and Muscular Dystrophy.

Alumni relations are presently growing as nearly 250 alumni and active brothers and their dates jammed the banquet room of Holiday Inn for the annual Founder's Day dinner and casino party. Chapter consultant Art Hogg and Province President Chuck Poore spoke to the crowd. An alumni sponsored Casino Party featuring a craps table, poker table, black jack table and a dice game followed the dinner with the evening culminating in an auction. Among the donated items auctioned were a backboard and goal, lawn furniture, tennis racquets and golf equipment.

Spring election resulted in these new officers: Mark Shada, president; Loren Weiderspan, vice-president; Larry Dix, treasurer; and Doug Demmel, secretary.

Here at the chapter house the Phis have been hard at work with house improvements such as: seven-man sauna bath, new shag carpet and a color television in the TV room, new basketball hoop and backboard, new foosball table, and completion of a dog pen.

Reliving the days of old, Brother Mark Shada and his Gamma Phi Beta partner danced for 30 hours in the Muscular Dystrophy dance marathon on March 26-27 as the Nebraska Beta community service project.

After the grueling hours Brother Shada and his partner, Melanie Bauman, had raised over \$500 in pledges for M.D. The pledges were raised by Phi Deltas and Gamma Phis in the school and the community.

Adding to the success of the event was this announcement of Brother Shada and Miss Bauman as the "Most Popular Couple." This award was largely due to alumni and active brothers of Phi Delta Theta.—Kenny J. Long

### UNIVERSITY OF NEBRASKA

Nebraska Alpha (1875), 1545 R St., Lincoln, NE 68508. Chapter Adviser—Loy U. Olson, Apt. 2, 4641 Huntington, Lincoln, NE 68504. Rush Chairman—Randy Ashland, 1545 R St., Lincoln, NE 68508.

This year for us was more of a get-up-and-get-things-done year under our new president, John Kane. Besides our community service day project which became an all-house effort and was very successful, we were the leading ticket sellers on campus for a charity raffle.

On house improvements, besides the new fire doors that were put in all over the house, new carpet was laid in all of the halls. This was preceded by repainting the halls on a couple of afternoons and evenings.

Like always, this was another big semester for social events with two of the highlights being our annual spring formal and Dad's Day which was one of the best.

Finally we would like to congratulate Bill Mueller who was elected president of the student body on the U.N. campus, and Dave Eberhart who was elected to the Judicial Board in the I.F.C. office.—Pat Lehigh

## NEW MEXICO

### UNIVERSITY OF NEW MEXICO

New Mexico Alpha (1946), 1705 Mesa Vista N.E., Albuquerque, NM 87106. Chapter

Adviser—Richard Ted Lewis, DDS, 11509 Montgomery Blvd. N.E., Albuquerque, NM 87111.

New Mexico Alpha has in recent years been weathering a form of recession. We have been beleaguered with problems of financial insolvency, insufficient membership, and management without concrete objectives.

These problems highlighted the bi-province conference hosted by New Mexico Alpha in early April. The conference was successful in generating very positive programs of management for the participating chapters from Xi and Omega provinces. Lothar Vasholz, General Council president, was especially helpful in developing these programs, and his attendance was certainly appreciated. Brother Vasholz was also in Albuquerque for the chapter's mid-March Founder's Day and 30-year anniversary celebration.

Perhaps one of the most important reactions to our new program of objectives has been a revitalization of alumni relations. The active chapter has worked hard to prove its dedication and sincerity as regards New Mexico Alpha. New Mexico Alpha has a very rich tradition of alumni interest in the fraternity, most notably represented by Robert Miller and Doug Phillips of the General Council. We earnestly hope to strengthen and expand this commitment on the local level.—Steven G. Maurer

### COLGATE UNIVERSITY

New York Zeta (1918), Phi Delta Theta, P.O. Box 353, Hamilton, NY 13346. Chapter Adviser—Kenneth L. Pacioni, 134 Pineridge Rd., Fayetteville, NY 13066. Rush Chairman—Tim Langan, 21 Marvelle Rd., Fayetteville, NY 13066.

Another lucrative and enjoyable rush last spring brought in an eager pack of 30 new brothers and raised the number of active members to its highest total in quite a few years. The fledgling Phis's enthusiasm was quite infectious and in no time at all the "Lodge" was charged with excitement.

The fall semester was spotlighted by the inception of remodeling construction in the "disco" room, strong Phi performances in various intramural sports competitions, and the Homecoming weekend fete featuring many returning Phi Delt alumni. Despite all of the fall goings-on, the house managed to achieve one of the topmost grade-point averages along the Colgate fraternity row. Officers leading the membership during the fall term were Ray Pacini, president and Eric DiMichele, vice president.

The spring semester rolled in and the Phis began another intense and entertaining rush program to increase the ranks of actives. A strong pledge class was once again garnered and their initiation into membership pushes the brotherhood's total to almost 90! Spring Party Week-end at Colgate followed by Parents' Week-end provided New York Zeta with fine opportunities to uphold its reputation for hosting festive celebrations. A spring work day earlier in the term readied the house inside and outside for the many social events planned.

Newly-elected officers for Fall '76 are Pierre La Croix, president; Jon Kessler, vice president; Paul Geise, secretary and Jeff Thornton, treasurer.—Bradford M. Firkins

### CORNELL UNIVERSITY

New York Alpha (1872), 2 Ridgewood Rd., Ithaca, NY 14850. Chapter Adviser—John E. Clever, Jr., 212 Prospect St., Ithaca, NY 14850. Rush Chairman—Ralph Lewis, 1001 W. 56th St., Kansas City, MO 64113.

New York Alpha's 1976 Community Service Day Project reached tens of thousands of people in the Ithaca area. The brothers turned to the media for this year's service project. The result was CROSSFIRE ITHACA a popular game show which provided exposure for all sorts of local organizations. The purpose was to show prominent figures as they are and to bring them to the people. The twelve shows produced by the brothers of Phi Delta Theta were viewed by an average audience of 10,000, according to local ratings.

The show pitted two community based teams against each other in a contest of mental agility. Such luminaries as the mayor of Ithaca, a Roman Catholic Priest, a Jewish Rabbi, a Baptist Minister, three rock singers, girl scouts, boy scouts, sorority women, firemen and many more made their appearance on the show.

The creator and producer of the show was Brother Craig Wander, Brother Ralph Spence served as the technical director while Brother Brian Dunn served as host and contestant coordinator. The entire brotherhood assisted in writing questions, getting prizes, selling advertising and the countless other things that go into the production of a T.V. show.

On another note, the brotherhood is proud to welcome fourteen of its finest pledges ever. The soon to be brothers are Tom Asher (Westfield, Conn.), Micheal Booth (Waban, Mass.), Chris Carney (Topsfield, Mass.), Doug Coluer (Western Springs, Ill.), Dave Gutz (Sheridan, Wyo.), Doug Hayward (Bloomfield Hills, Mich.), Jeff Kelly (Marcellus, Phil Krebs (Ambler, Penn.), Kendall Reed (Noank, Conn.), Pete Shelbo (Easton, Penn.), Rick Thompson (New London, Conn.), Scott Titus (Wolfeboro, N.H.), Matt

The term began quite well with the initiation of one of the largest pledge classes in recent years. Spring cleaning and renovation were performed by the new brothers with the remainder of the house lending their support. The Phi Delt lounge was painted, tables and benches were constructed and fixtures were replaced. The new brothers performed admirably here, with assistance from brothers Dombrowski, Sheuer and Bann.

Brother Milt Herring was captain of the union indoor track team and winner of the state meet, with times of 5.2 in the 50, and a blistering 9.7 in the 100-yard dash. Brother Mark Scheuer is the state record holder in the 440 intermediate hurdles with a 53.8. Brother and Vice-President John Farrell also supported the team with a 15:40 3 mile. Mark Decker turned in an excellent 6.9 in the 55 yard high hurdles, while Kevin Scheuer totally dazzled his opposition with some superlative times. A 2:13.2 set a new school record for the 1000 yards. His 1:53.2 made him state champ in the 880 and a 4:15.3 mile set yet another school record. Tom Lawson contributed a fine 9:45 2 mile and Mike May jumped 13 feet in the pole vault.

Phi Delt talent was not limited to track alone, with other brothers excelling in several sports. Dave Ruff played half-back for the Union football team and was joined there by brothers May and Herring. John Hallenbeck was the star goalie for the very successful Phi Delt hockey team while Jim Philip was outstanding in the Phi Delt softball outfield. Paul Spence pitched many strong games for the Phi Delt ducks, guided by the knowing hand of Bill Fellows, captain of the softball and hockey teams. Dick Lipowicz, a one handicap golfer, played number one on the Union College golf team.

At present, the brotherhood is working feverishly in preparation for the upcoming Easter Seals Bike-a-thon, which the house is sponsoring for the second year. Brother Paul Antony is director of this effort and it is hoped that several thousand dollars can be raised at the event to help this valuable cause.

#### NORTH CAROLINA

Last fall Brother Bill Sherwood organized a campus-wide Greek week. The festivities included competition between the fraternities in such events as flickerball, indoor soccer, kite dog-fighting, and tug-a-war. Fielding as awesome tug-a-war team, the Phi Delt dragged the SAEs and KAs across the muddy creek bed and accepted the trophy as Greek Week Champions.

Through the hard work of Brothers Guy Hicks, Steven Barnes, Larry Hall and others our chapter sponsored a 24-hour basketball marathon on Feb. 6. All of the proceeds from this unforgettable event went to the Easter Seals Society. The marathon attracted competitors from throughout North Carolina and even from South Carolina. The affair was a great success with \$1,100 going to the Easter Seals and many teams asked that we make this an annual affair so they could return. And return they will as challengers, for, when the night was over, the Phi Delt #1 team emerged as champions. Again, this spring the fraternity held our traditional Roman Orgy and Mountain Weekend. We attracted a very enegetic group of Phikeias and we are proud to initiate them into the Bond.

On campus the Phi Delt is leaders. Brother Paul Andrews and Warden Jay Kopel are Davidson's football co-captains. Brother Bo Baskin is serving as president of the student body. President Greg Anders, Treasurer Alan Rockett, and Brother Gary Overstreet are influential leaders of the fraternity court council. Highest honors go to Brother Mike Eubanks, who was inducted into Phi Beta Kappa this spring.

In intramurals the Phi Delt is the men to beat. Sports mean a lot to us; as much as 65% of the brothers are competing in intramurals at a given time, with most of the other 35% competing on the varsity level. Often fielding several teams in each sport, we frequently play each other in the semifinal and final competition.—Frank A. Cebul

The brothers of North Carolina Beta have enjoyed a fine spring semester including another successful rush that has upped this year's number of initiates to 20. Ralph Strayhorn ('77) deserves credit for having coordinated this year's rush activities. The new initiates this spring are: Jay Ford, Sanford; Mark Griffin, Cumberland, Maryland; Steve Holmes, Birmingham, Michigan; Ward Nelson, Chattanooga, Tennessee and Randall Williams, Burlington.

Several brothers actively participated in

Varsity level athletics this spring, headed up by ACC 1000 yard champion William Southerland ('77) from Henderson. Kinny Roper ('77) and Vernon Geddy ('79) played for UNC's fourth-ranked lacrosse teams, and Bruce McNair ('77) from Chevy Chase, Maryland was a member of the nationally ranked tennis team.

The academic average of North Carolina Beta moved up from 12th to 7th during the course of the year as John Berry, Jr. ('76), Bruce McNair ('77), Frank Hill ('78) and Worth Burke ('79) were the various class valedictorians. John Berry was awarded a scholarship and will attend Harvard Medical School in the fall.

This fall's social calendar will be highlighted by the Annual Phi Delta Theta campus Chug in which the Phi Delta Blue will seek to retain its campus championship. We extend a welcome to any brothers who will be traveling in our area to stop in and visit.—Jim Szyperski

Our main area of interest is still the planning for the new house. The drive is well under way and we are in the process of securing the site for the house.

This year we received the "Outstanding House" Award for our contribution to the university and to the Greek system. Also two of our brothers, Bill Bergeth and Tim Shea, received awards as "Outstanding Greeks". Brother Chuck Crary was Co-Champion of the Dance Marathon for Muscular Dystrophy and for this honor he received a free trip to Vail, Colorado.

Our rush program is starting to pay off now with a good class this semester of 13 new actives. We are now moving into our summer rush program which we believe will be very successful. This is due in a large part to the work done by our Rush Chairman Bruce Eppinger.

We ended the year in second place in Intramurals only 9 points away from first place. However, we have made up our minds to retake first place next year.

Our new actives this semester are Gary Christianson, Ray Conlin, Bob Demmers, Steve Halas, Mike Harstad, Ron Johnke, Bill Jore, Daryl Klein, Jeff Leatherberry, Terry Lizakowski, Tom McEnroe, Bob Shultz, and Jim Stenseth.

Our new officers are Don Fair, president; Tim Shea, vice president; Chuck Crary, treasurer; Stephen Constantine, secretary; Jim Halgren, house manager; Bruce Eppinger, rush chairman; Steve Schneider, social chairman; Dave Clink, steward; Tom Traynor, pledge master.—Tim Shea

In intramurals we were on top of the fraternity division again, ending second on campus in basketball, and first in softball and bowling. Several of the A.C. Student Senate seats were won by Phi Delt.

Our Spring Formal was held at the Sheraton Inn in Aurora, Ohio, while the annual Wine Festival will be held at Mohican State Park.

After nine years of devoted service to our chapter, our well-loved cook, Martha Barnes, is leaving our employment. We are all sorry to see her go. Martha's successor has not yet been named.—Tim Watkins

#### Ashland Brotherhood Mourns the Death of Brother William Chrismer

The Brothers returned to school this year mourning the death of Brother Bill Chrismer, newly elected Ashland College Student Senate President. Chrismer was killed in an automobile accident near his home town of Wapakoneta, Ohio, on the night of Aug. 24, 1975. His daily inspiration and concern for his Brother, his fellow student, and his fellow human being, deeply enriched our chapter but is especially hard to bear without.

Bill Chrismer would have been a junior at Ashland College and was active in several areas of campus life. Bill was a well-known individual on our campus, known best for his leadership ability, charismatic personality, and sincere concern for the students of Ashland. Besides being an active member of Phi Delta Theta, serving on our Executive Council, he was a member of the Logos Honorary, Jazz Ensemble in which he played drums, Student Affairs Policy Council, and Student Senate.

Bill Chrismer will always be remembered here for his deep love for Ashland College and Phi Delta Theta Fraternity. Ohio Mu is the lesser for losing Bill Chrismer, but his inspiration has made us a better brotherhood.

Spring semester started off with a large alumni reunion in February. The dinner and party were especially gratifying since it celebrated our chapter's 80th anniversary. With the type of alumni response we got

we can be assured that our next 80 years will be even better.

In wrestling, brother Tom Kiefer captained the team and finished third in the conference. Other team members were Phikeias Howard Parsons and Dave Lewis. Brother Tom Brandt once again was president of the Hockey Club and Doug Leary is currently president of the Korean Karate Club. In track, brothers Greg Bowser and Doug Leary are co-captains and are again leading the team to a winning season. Other team members are brothers Frank Zbiegien, Carl Nehls, Mark Koenig, Jim Wilson, John Daubenspeck and Phikeias Alan Malik and Rob Wilson.

Nine pledges are currently learning about Phi Delta Theta and will more than replace the five graduating seniors. The Phikeias combined with the actives made a strong showing at this year's Greek Week, winning the prestigious tug-of-war.

Student body officers from the house include Ted Rader, junior class president and Tim Kiley, president of the Case student assembly.

In late April, brothers Steve Friess and Jim Blew organized an exceptional Parents' Day dinner. Approximately 70% of the brothers' parents turned out for the yearly event. The speaker was Professor Ebert of the Metallurgy Department, and a well known consultant.

The 1975-76 academic year saw the realization of many goals at the chapter. In acquiring 31 Phikeias, the largest pledge class on campus, Ohio Iota continues to achieve financial stability and the enthusiasm

necessary for a constructive fraternity organization. The efforts of rush chairmen Charlie Francis and Terry Brooke were instrumental in this success. An extensive house improvement program is still underway with many accomplishments already making noticeable changes in the structure. During January, Pete Kennedy and Tom McNichols painted and wallpapered the foyer. In February and March, the pledge class contributed heavily by painting the woodwork and walls from the first to third floors. A total of 52 projects were completed by October 1, ranging from repair of cracked walls to the construction of a permanent bar. The grounds outside the house were improved through the painting of trim and the planting of new trees and garden beds. The pledge class of 1976 has helped enormously in accomplishing much of this work.

Once again, Ohio Iota fielded a substantial number of soccer players for the Denison team with 11 members. Co-captain John Bair led the team in scoring with 15 goals for the season. For the second straight year he was also named to the *All-Ohio Athletic Conference*, *All-Ohio* and *All-Midwest* teams. Goalie Bruce Spiess set a new team record with 15 shutouts. Newly activated members Tom McLaughlin and John Ridall participated in the varsity basketball season. With two years left on the squad, they are considered valuable in Denison's future title hopes. Larry Bates continued his excellent distance running career as the top scorer on the cross country team and one of the leading scorers in track. He also qualified for the nationals in the mile and half mile events.

In April our Community Service Day project, headed by Gerry Mack, was a successful effort to help in the maintenance of the homes of several senior citizens in Granville as well as the village graveyard. Ohio Iota has elected a hard-working president in Jim Corboy who has aided in coordinating many of these programs and has managed to establish a firm foundation for next year's rush. The 1976-77 year should prove even more eventful in the further improvement of Ohio Iota. —Pete Wooldredge

They are Steve Crowell, Greg Taylor, and Vince DiBattista. Spring Quarter pledges include Hue Hicks, Eric Kern, Doug Van Winkle, and Dana Woolf.

Officer elections saw the following elected: Brian Bish, president; Steve Ginn, vice president; Steve Hunt, treasurer; Vince DiBattista, secretary; Mark Casella, steward; Graham Gebbie, rush chairman; Don Hackett, social chairman; and Dennis Morgan, historian.

For our Service Day project this year the brothers of Ohio Theta took on the task of preparing Camp Allyn for its opening in the spring. Camp Allyn is a resort reserved exclusively for handicapped children, located in Batavia, Ohio.

This year's co-chairmen of Service Day were Gary Friermood and Jim Russell. Upon arrival at the camp we organized ourselves into various work details and distributed tools accordingly. One of the major objectives was to scrape old paint off of three cottages in preparation for painting at a later date. In addition, we policed the entire camp grounds, cleaning up debris and sweeping the sidewalks. At the end of the afternoon many of the brothers tried their hand at some old fashioned leg splitting, which made a suitable end to a very productive day. —Christopher Boshkos

Phi's Gerald Nipp and Mike Brown are starters for the Bulldog Baseball team, while Tim McFarland was a mainstay on the university golf team.

House improvement was an area in which much attention was given. The chapter added a stockade fence for the backyard and completed the Ron Kirk memorial garden, in memory of our late Brother Ron Kirk, his wife Patti, and their son Sam. A marble bench with appropriate inscriptions was erected in the garden and all improvements were completed in time for our Open House held in late April.

Fund raising activities included a beef raffle and a yard sale and Phi's once again aided the Special Olympics program and Community Fund Drive.

Oklahoma Gamma ended the year with the Senior Awards banquet. Among the awards given were Outstanding Senior Brother, received by Scott Emel, with James Ratliff winning the James McLean Scholarship award given annually by Oklahoma Gamma alumni. The commencement of spring semester saw Pa Zeta initiating a pledge class numbering 20 thanks in great part to the efforts of past rush chairman, Larry Lavin. From there Pledge Master Jim Demerlis, with help from the pledge committee, put our new Phikeias through the best organized pledge program we have had in recent years. Elections held early in the spring yielded the following slate of new officers: John Willis, president; George Babenko, vice president; Bob Beer, treasurer; Gary Knopf, secretary; Don Bartusiak, house manager; Tim Brincefield, steward; and Erv Antoni, warden.

We are also proud to announce that brothers Bob Beer and Cliff Brown have been elected to positions on Penn's IFC executive council.

The powerful hitting of Dave Whalen and consistent pitching of Stan Levenson led the team to a 4 - 2 record before being eliminated from the tournament. Phi participants in varsity sports this spring were Erv Antoni in baseball, Don Bartusiak in track, and Al Hansen, Bruce Konopka and Tom Steffens in crew.

In the house improvements department, we have been painting the interior of the house and can finally say that we are nearing completion of this major project. Plans to refinish the commissary floor and remodel the basement are now being considered.

##### CLEMSON UNIVERSITY

The year 1975-76 has been one of frustration as well as success for S.C. Gamma. Our frustration has resulted mainly from a below standard athletic year. Despite a competitive spirit, we failed to win any major IFC sport during fall or spring. Perhaps this disappointment was most felt by our reaching the IFC and Intramural finals in volleyball, only to lose twice. Also, a planned province-wide conference during the spring had to be canceled because of unforeseen schedule conflicts. Though failing to win homecoming, we placed third in moving-display competition among fraternities, and our unique "Star Trek" skit earned second in campus-wide participation.

During the spring, our continued spirit and effort resulted in our capturing overall Greek Week activities. We claimed three firsts and as many seconds, with key roles from Glenn Miller, Emil Studinka, Jim Harmon, and Bill Jackson. Bill won tennis singles for the third consecutive year. Our chapter also placed second in Greek Sing.

**Ruschak, Bruce Benny, Space Jensen, Tom NeCastro, Tony Taylor, Steve Falk, Jane Macko, Pete Wagner and Frank Shore.**

For the year, Phi Delta Theta finished third in fraternity competition.

Social activities during the year were highly indicative of the spirit and brotherhood existing among the chapter. Quality band parties were held following each home football game plus a couple during basketball season. We had the opportunity often to welcome our alumni "home." Each pledge class held a party for the brothers. We also invited campus sororities to the chapter house—once to welcome a new sorority to campus. Our highlight perhaps was our Founder's Day Celebration with Brother Robert J. Miller (New Mexico '50) our guest speaker, followed by a formal dance.

We continued a community involvement consciousness by participating in or organizing service projects, either as a group or as individuals. Our main project was several days of work repairing and cleaning up the Clemson YMCA facilities.

S.C. Gamma initiated fifteen pledges during the year. Their enthusiasm and creative minds were of benefit to all the brothers. New brothers include Albert C. Allen, Jerry H. Faucett, Dean E. Harrigal, Lawrence C. Parker, Alan M. Tewkesbury, Jr., Aiken; William G. Baggott, Perry S. Bowden, Louis E. Williamson, Greenville; Arby D. Dickert, Chattanooga, Tenn.; Andrew H. Gibbons, Ft. Lauderdale, Fla.; George W. Howard, Jr., Sumter; Joseph D. Hunter, Georgetown; Harry R. Marsh, Columbia; Joseph B. McDewitt, Jr., Clemson; Patrick R. Rushton, Saluda.

Three brothers earning special recognition were Charles A. Barron, Robert F. Belubasz, and Robert J. Miller, Jr. Charles, our 75-76 president, was chosen "brother of the year" for transmitting best, our fraternity values. Bob was the recipient of the first annual Jim Faulkner Memorial Athletic Award, given to the brother exemplifying spirit, effort, and dedication in sports. Rob, one of Clemson's top architecture students, received a post-graduate scholarship from Rice University to continue his studies there.

Brothers elected to direct the coming year's activities are Peter E. Sampson, president; Steven A. Colson, vice president; William M. Martin, treasurer; Alan M. Tewkesbury, secretary.—Alan M. Tewkesbury, Jr.

The Brothers are proud to report a very successful spring semester capped by our Marathon Football game, raising money for local charities, and by our Beach Weekend.

The Marathon Football game ran continuously from noon Thursday, March 25, to noon, Saturday, and raised well over \$800.

Our Beach Weekend was the final big event this year as 40 brothers, Alumni, and their dates gathered at the Hawaii Kai Motel and enjoyed each other's companionship, while we were entertained by several bands, and a well planned social program.

This semester we were also successful in sports and other school activities. In softball we placed fourth in over all campus competition with a fine 7-2 record, we were eliminated by a dorm team, 2-1 in the campus wide tournament semi-finals. Our Three Man basketball team also took a fourth in the Fraternity Division with a 5-2 record and lost in the Semi-Finals of the Tournament.

We were also very successful in Student Government, getting three senators elected from off campus—Nick Leventis from Humanities and Social Sciences, John Kilpatrick and John Megilligan from Business College.—Nick Leventis

On April 3 we held our 1000th initiate banquet in conjunction with our Spring Formal. Those attending the event were

members, alumni and friends. Norman Heimstra, our 1000th initiate, was presented with a plaque and his activation fees were paid by the chapter. As of April 1, our house was paid for in full and we are currently in the process of obtaining a new mortgage which will be used for house improvements this summer.

Six Phikeias were formally activated on April 22nd and we are currently setting up a summer rush program. Our chapter captured first place honors in the USD housing unit blood drive. We have held this honor for three consecutive years. In Intramural softball we are the current champions. Up to this point our candidates are leading in the campus "Super Professor" contest. We entered the humorous division of the Dakotan "Spring Sing" contest and won second place. We are now in the process of setting a date for a community Service Project. Tennessee Delta (1969), 626 North Walnut, Cookeville, TN 38501. Chapter Adviser—David L. Jones, Jr., 926 Morningside Dr., Cookeville, TN 38501. Rush Chairman—Bill McDonald, Jr., 245 Donelson Hills, Donelson, TN 37214.

Tennessee Delta produced the seventh annual "All-Sing" on Tennessee Tech's campus this past winter quarter. The theme was "A Salute to America." The citizens of Cookeville and surrounding areas expressed their approval to us for the performance.

We also continued our support to the Cookeville Jaycees by working with them in their haunted house during the Halloween season.

Our winter quarter initiates include John Ansley Daniel, Cookeville; Stephen Gerard Gorham, Donald Lee Hollis, James Walter Hovious, Nashville; and William Eugene McDonald Jr., Donelson.

Brother Bill McDonald was elected as a senator of the College of Business to the Associated Student Body on Tech's campus.

The chapter has recovered some lost ground in academic standing by moving up four places in Fraternity academics.

We have started a regular retreat with our new pledges each quarter. The retreat is a fine opportunity for brothers and pledges to become better acquainted, and also benefits in bringing brothers who have been away in closer contact with the pledges and new initiates.

Our Spring pledge class includes Charles Frederick Adams Jr., Cookeville; John Grigsby Brevard, Mark Andrew Copeland, Bill Clement McNeill, Nashville; Willis Wayne Knox, Ooltewah; Jerry Wayne Price, Oliver Springs; and James Judson Seay, Arlington, Va.

The annual Spring Banquet was held in Nashville and was the site of our awards ceremony. Some of the brothers receiving awards were David Jones, "Alumni of the Year"; David Ingram, "Phi of the Year"; Louie Sherrod, "Athlete of the Year"; and brother George Buck received the scholastic improvement award. We also elected Marilyn Mott of Cookeville as our new Chapter Sweetheart.

Our pledge class sponsored a couple to dance in the Muscular Dystrophy Dance-A-Thon. Our pledges did a fine job dancing and raising money for Muscular Dystrophy.—Steve Cole

Already on the department are brothers Jon Ingram, James Davis, Tom McKenna, Fred Owen, Richard Simmons, and Allan Whitehead. The results were as follows: Headley Bell, president; Bill DeLoache, vice president; Doug Quartner, treasurer; Bob Schiff, house manager; Axson West and Jim Burt, rush chairmen; Mark Riley, social chairman, and Hoyt Elliott, historian.

The Third Annual Greater Phi Open was recently held with much success at Harpeth Hills Golf course here in Nashville. The weather was perfect, and everyone seemed to have a great time playing golf attending the cook-out that followed. There was a tie for top honors between the teams of Stewart Bronaugh, Tom Curtis and Roger Meyer, Scott Stern.

In intramural sports, Tennessee Alpha continues to excel. The Phi softball team recently captured the campus championship, placing six men on the All I.M. team, including pitcher Tom King who received the Most Valuable Player Award. Other Brothers named to the I.M. team were: Bill Carpenter, Bob Kjellman, Scott Loveless, Reed Trickett, and Russell Carpenter. Although final tabulation has not yet been completed, Tennessee Alpha has an excellent chance of winning the Intramural Sweepstakes trophy for the third consecutive year.

This year in intramurals we really came on strong at the last winning basketball and track. These two wins along with seconds in seven other sports boosted us into second place for overall intramurals.

Our annual Casino Party was held this year on April 3, and to say the least, it was a real success. We spent \$1,300 on the party and made \$4,500 from it for use in scholarship funds and home improvements. Over 950 people attended the party, and everyone really was impressed.

Our main accomplishment this semester, however, was the excellent pledge class we got in spring rush. We just finished initiating them and we are sure proud to have all 39 of them as brothers now. They are Forbes Anderson, Jim Baehr, John Baer, Charlie Banker, Mike Battle, Ronnie Bullock, Stan Callis, Greg Cannon, Cris Coffe, Bobby Cohen, John Conger, Tommy Cook, Mark Dickenson, Kent Krause, Craig Levering, Mike Lockard, John Henry Magouyrk, Mike Merriman, George Moussa, Mike Neal, Kervin Harrison, Tim Henry, Lindsey Hicks, Bruce Hirsch, Jeff Jones, Mike Kelly, Bob Kingman, Ben Ely, Bob Fellows, Scott Fisher, Bobby Hall Bob Fellows, Dale Harding, Rusty Pierce, Dave Schmidt, Tom Sabin, Hoke Smith, Mark Soper, and Scott Sudderth.—Larry Hamner

As the spring semester winds up, Phi Delta Theta dominates at Stephen F. Austin. As usual we will finish high in intramurals, winning football and fast-pitch softball.

Five new Brothers signed the Bond this semester. They are Kipper Dorsey, Henderson; Randy Fly, and Eric Hilton, Houston; Joel Moore, Nacogdoches; and David Thompson, Dallas.

A poor turnout for Founder's Day dampened hopes for some house improvements. Even though the Brothers were somewhat dismayed, those who attended were treated to a wild time at "The Good, The Bad, and The Ugly".

Rho South Province President Jesse B. Heath met with the Executive Committee over Founder's Day. At that meeting the officers volunteered Texas Eta to host next year's Tri-Province Conference during the spring semester 1977. The provinces involved are: Nu, Rho North, and Rho South. Brothers Bo Butz, Larry Sorsby, and Jim Stouffer attended this year's conference, hosted by Arkansas Alpha at the University of Arkansas in Fayetteville.

Community Service Day at Texas Eta was on April 24. The Brothers helped construct a playground for Special Education students of the Nacogdoches Independent School District. The work was done under the direction of brother Larry Sullivan, who is Director of Special Ed. for N.I.S.D.

The Spring Formal was held on April 30 at The Astroworld Hotel in Houston. The rock group "Gunpoint" from Austin provided entertainment. On May 1, the Brothers spent the day at the beach in Freeport.

Texas Beta (1883), P.O. Box 7054, Austin, TX 78712. Chapter Adviser—John W. Worsham, Capitol National Bank, P.O. Box 3347, Houston, TX 77001.

Texas Beta started off the spring semester this year with a very active spring calendar. In intramurals we won the B-team basketball overall champions, and were the B-team tennis finalists. Pat Oles and John Horton represented Texas Beta at the Phi Delt Tri-Province Conference in Fayetteville, Arkansas.

Community Service Day, headed up by David Oles, included work with the Salvation Army in clearing debris from land used for their recreation area. The participation was very enthusiastic because of being the third year of working for the Salvation Army.

The social schedule this semester has been utterly fantastic. George Bayoud, social chairman, managed to have more social events than ever before, never going over his budget. The Bahamas Party, several mixers with sororities, Lone Star Party, and Round-Up, were very successful and impressive as rush functions. Participation in the Round-Up Carnival, for the first time, was very successful. Our awards banquet wrapped-up our social calendar with the presentation of the Outstanding Phi Delt Award to John Horton, and the

#### Distinguished Service Award to Philip Bell.

Robert Sinclair and Doug Doyle were selected for Silver Spurs, and Frank Bullock and Tommy Ford were selected for Texas Cowboys. Both are honorary service organizations.

The chapter was aided greatly by the visit of Consultant Richard Walters early in the spring. Then, after two weeks of rush headed up by Phil Rose and Tim Mathews, we pledged 13 rushers on Feb. 1.

The Phikeias include Clint Albrecht, Bobby Burden, John Baswold, David Carpenter, George Certo, John Garcia, George Gustafson, David Lewis, Mike Loughan, Kent Soule, Oci Vest and Ronnie West.

We conducted our annual Founders Day on March, highlighted by GC President Lothar Vasholz. The entire General Council, meeting in nearby Fort Worth, attended. (See Scroll, Summer '76) We travelled to Norman, Oklahoma, on March 26 to party with Oklahoma Alpha and the OU Alpha Chi Omegas during their Greek Week.

We won the Pi Kappa Alpha Dance Marathon by being the best participating fraternity and raising the most money of all Greeks. Brothers Kevin Atkins and Keith Head were in charge of our participation which accounted for approximately \$1,000, one-fourth of all proceeds raised.

We placed first this year in the Delta Upsilon Spring Festival, which consists of competition among campus groups and kicks off Greek Week.

Our spring formal was in Fort Worth and our Phikeias threw their traditional pledge party after spring break. Our retreat was conducted at Lake Travis in May.

In intramurals our basketball team won the fraternity league and took second in all-university. Our billiards and soccer teams won championships this year while our track and softball teams finished second. Overall we placed second for the University All-Sports trophy. As a contrast we ranked third in scholarship on the campus.

Officers for next year include Jim Kennedy, president; Richard Schoelerman, vice president; Terry McNatt, secretary; Bill Dafcik, treasurer; Mike McBride, warden; Chuck Alcedo, chaplain; Bernie Madrazier, alumni secretary; John Colligan, choister; Jim Ruderer, historian; and Glenn Jenkins, librarian.—David Roberson

The biggest topic of discussion at Texas Theta is the plans for a new Phi Delt lodge. The drive, headed by alumni John Jenkins and John Stagner, is underway and by the indications of the alumni and the chapter, it appears as though it will be a success.

A strong rush effort this spring led by Roy Markham provided us with a good pledge class of 25 men. Included are Craig Nieman, Jay Kennedy, Tim Weldon, Randy Davis, Glenn Short, Larry Anders, Rick Wright, Scott Wiley, Steve Hatch, Lonnie Graham, Jim Ferguson, Max Moss, David Jones, Garre LaGrone, Buddy Ballew, Greg Carroll, Keith Randall, Mark Sherrod, Dale Orr, Tim Britten, Larry Davies, Kent Irons, Brady Yeary, Ricky Locke and Mike Morris.

Texas Theta has been extremely successful in intramural sports this year. The flag football team went undefeated to win the all-university trophy. In basketball, we won the fraternity division but took second in the over-all championship. In addition,

the chapter won the Tug-o-War championship and took another first in the swim meet. The golf team, track team, and volleyball teams took second place finishes. The baseball team did well in the playoffs.

Fifteen Texas Theta Phis were on the varsity football team, thirteen of the fifteen will be coming back except John Jacobi, tackle, and Tibby Togers center, due to graduation. John was named to the *All-Phi* First Team defensive unit.

#### UNIVERSITY OF UTAH

Utah Alpha (1914), 85 S. Wolcott, Salt Lake City, UT 84102. Chapter Adviser—Weston L. Harris, 520 Boston Bldg., Salt Lake City, UT 84111.

A near complete turnover to new Phis was piloted by President Gary D. Palm, chapter adviser and Province President Weston Harris, and a handful of "older Actives" earlier this year at Utah Alpha. The result is a more active, enthusiastic chapter.

A majority of the new officers for the ensuing term have only been members for eight or less months. Scott Stracke, a freshman, will be taking over as president. The others are Jim Jenkins, as vice president; Fred Riedman, secretary; Jeff Jenkins, rush chairman and historian; and Pat Ritter, treasurer.

Brothers Stracke, Ritter, and Jenkins recently attended the bi-providence meeting at New Mexico Alpha. There they discussed techniques in a number of the aspects of the fraternity with the brothers from Colorado, Wyoming, Arizona and New Mexico. Many of these ideas will be incorporated into an extensive summer and fall rush program.

Despite many problems Utah Alpha has been able to keep up with its usual standard of maintaining a rewarding fraternity life. Chapter Adviser Weston Harris was elected Province President this past winter and we here at Utah Alpha are very proud and appreciative of Wes and all the help and advice he has been able to provide us. Past President Anthony "Wiley" Loughran was appointed editor of the University of Utah's first all-Greek yearbook. We've enjoyed an active social program, including a South Seas party and a successful Founder's Day with General Council Reporter Doug Phillips as our featured speaker.

Active in all aspects of the intramural sports program at the University, Utah Alpha is looking forward to placing in the top three overall, thanks to the efforts of I.M. Chairman Tom Harnett.—Jeff Jenkins

This semester the brothers, along with the pledge class, raised over \$500 in a fund raising drive that was initiated in order to purchase a new television set. We would like to give special thanks to alumni Bake Turner and Jimmy Robinson for their efforts in this project.

Virginia Delta made a very strong bid for the All-Sports Award this year but we fell short and took second. Greek Week had under gone a change this year in that competition was eliminated. Since Virginia Delta has won the title the last four years we will have been the last fraternity at Richmond to have won the title.

Many of the brothers at Virginia Delta participated in varsity athletics. In wrestling there was Mac Nichols captain, Ted Penick, and Fasto Obregon. In baseball there was Neil McLean, Mark Nichols, and Pete Hentz. Dave Gregory was the number two diver at Richmond until he was sidelined by an injury. In Rugby there was Chris Vick at hooker and John Tober at wing both playing A-side.

Our spring semester ended with a bang this year—the annual U. Va. Easters Weekend, noted all along the Coast for its grain, mud, and general decadence. The Brothers were very happy to welcome back the many alumni who returned for the biggest function of the year.

Congratulations are in order for our new officers as well as our recent award winners. The new officers include Mark Rufolo, president; Chris Kimbel, vice president; Chip Kennedy, treasurer; and Jim Roland, kitchen manager. Award winners include Adam Gambel, the Maupin Pence Award for Scholarship; Ned Case, the Record Award; Jethro Sayers, the Turner Award for outstanding contribution to the Chapter's efforts in intramural sports.

Our Community Service Day Project was another success as over 300 kids turned out for the Fifth Annual Charlottesville Junior Olympics. And for the second year in a row, Virginia Beta kept the treadmills turning at the Easter Seals Telethon in Roanoke.

VIRGINIA BETA T-SHIRTS: A Virginia Phi models a T-shirt distributed by the chapter to publicize its fifth annual Junior Olympics at Charlottesville.

For the third year in a row and the fourth year in the past five, Virginia Beta captured the University of Virginia Fraternity Intramural crown. Led by Brother Kimbel's first place in racquetball singles and his first place in doubles with Books, we totalled over 2,800 points - an easy 400 points ahead of our closest competitor.

The future promises continued excellence for Virginia Beta. The Brothers look to second semester pledges Dave Brubaker and Mike Wharton as well as to recently-initiated Brother Scotty Davidson to help Virginia Beta carry on in its fine tradition. —Bob Hakim

UNIVERSITY OF PUGET SOUND

Washington Delta (1952), 1309 N. Washington, Tacoma, WA 98406. Chapter Adviser—Rick Stockstad, 8027 242nd. St. S.W., Edmonds, WA 98020.

The University of Puget Sound won the NCAA Division II National Basketball Championships this year with four Phi Starters. We are very proud of Rick Walker, Tim Evans, Brant Gibler, and Rocky Botts, all who started on the national championship team. Three of the four are sophomores, with only Brant leaving due to graduation. Mike Kuntz, Mike Hanson, and Steve Freimuth were also members of the team.

The new Executive Vice President of UPS is Fred Grimm. Other Phi's involved in student government include Ed Davila, senator; Keith Claypoole and Ed Skoviak, committee members; and Greg Beardsley, head of student court.

Our community service day activities turned out to be very rewarding as we hosted the Tacoma area Special Olympics track meet here at UPS's Baker Stadium. The only thing that didn't cooperate was the weather.

The Tri-Provence Convention, which was held here for the third straight year, was very successful as headed by Bob Woerner, president of Tau Provence. Many innovative ideas evolved from our open discussions of pledgeship, rush, and chapter leadership.

Our Phi's brought home another trophy to our chapter house as we won the First Annual Greater Tacoma Daffodil Festival Tug-o-war. It was a tremendous team effort led by Greg Cook, Rick StJean, Brant Gibler, Mike Mays and Rick Gehring.

With much appreciation from the trust fund established by Frank Neal (Iowa 1899), a recent audit has shown us that we have over \$8,000 available to use towards house improvements. We are in the process

now of securing new carpet, furniture and a stereo to enhance our chapter house and prepare us for an anticipated good rush next fall. —Mike Kuntz

Community Service Day for us was held on May 1. On this day we held our annual Phi Delta Theta Turtle Races. Each sorority on campus is given a turtle with which to enter the race. The winning sorority is presented with our Phi Delta Theta Trophy.

A large crowd was on hand this year to watch this race which was held under perfect 75 degree weather. Our official starter for the race was Dr. Glenn Terrell (Davidson '42), president of Washington State University. Mrs. Terrell was also present at the event in the form of head race judge. Since the weekend was also Mom's Weekend for the campus, several Phi Delt mothers were judges. These mothers included Mrs. Shirley McIntyre, Washington State University's "Mom of the Year." During the race donations were accepted from the crowd.

The event raised a total of approximately \$300. This money will be used to send handicapped boys and girls to Camp Easter Seal, which is a camp located on Lake Coeur d'Alene in Northern Idaho. The camp is owned and operated by Washington State University. Items needed by the camp are also purchased with these donations. All this makes the children's stay at Camp Easter Seal an enjoyable and memorable experience.

This past fall the Ripon College football team had 22 Phi's. The Redmen had a 6-3 season culminated by a 23-0 victory over Coe College. Six seniors finished their collegiate careers on the gridiron. They were Steve Beacom, Kirk Cram, Kelly O'Brien, and Steve Stellmacher, all of Ripon; Patrick Saunders, Green Bay, WI; Jim Weishan, Oak Creek, WI.

This year's Ripon College tennis squad sports three of the Brothers. These include Dave Eggert, Tom Papenthien, and Ted Hoehne, playing No. 1, No. 2, No. 3 singles respectively, with Eggert and Papenthien teaming up to play No. 1 doubles. Eggert, a junior, is returning this season after sitting out last year with a knee injury. Papenthien

and Hoehne, also juniors, are starting their third season as members of the varsity net squad.

This year's pledge program ran from Jan. 29 until April 3. Ten pledges joined the ranks of Phi Delta Theta. They are Al Bednarek, Princeton; Dick Bell, Mount Pleasant, IA; Mike Curtis, Swampscott, MA; Bill Guinea, Chicago, IL; Jeff Hughes, Kenosha; John King and Mike Zahn, Oshkosh; Dave Meulendyke, Brown Deer; Jeff Seymour, Menominee Falls; and Tom Shiltz, Milwaukee. Steve Stellmacher was this year's pledge trainer.

The house has recently progressed through

a period of "lounge renovation." During the spring semester of 1975, the house purchased gold carpeting which replaces the blue-green turf of old that was affectionately called the "maneating rug." In addition, new sofas, chairs, lamps and tables have been purchased to give the lounge that sought-after "penthouse" look. The partition, too, has met its Waterloo and gathers cobwebs awaiting decision as to install it as a lounge or to use it for firewood. (Evening fires have become an integral part of late-night movie watching.) Besides renovations, a new innovation for making money has been established. Each fall for a three to

four week period the Brothers work at the local cannery. They aren't the most attractive jobs, but the Brothers always find an attractive event on which to spend the extra money. —Mark Egland
