Goin' To Kansas City

BY WILLIAM R. RICHARDSON (Tampa '80) Director of Alumni Services

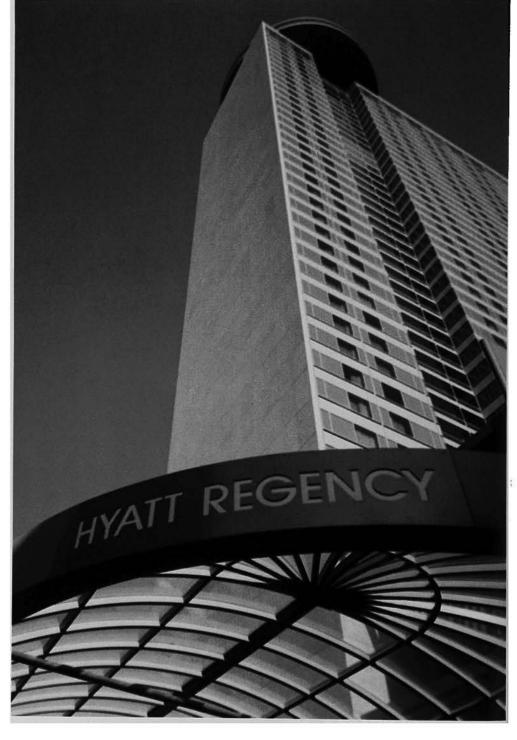

That familiar saying will be true for hundreds of Phis and their families as they prepare for the 68th Biennial Convention of Phi Delta Theta which will convene between June 21st through the 24th, 1990, in Kansas City, Missouri. The luxurious 733-room Hyatt Regency Črown Center will serve as host for the Convention.

This will be the second Phi Delta Theta Convention that has been held in Kansas City. The first was held back in 1922 and in the ensuing years, both the city and the Fraternity have continued to grow and prosper.

Kansas City is a surprising world class city. Metropolitan, yet liveable, it sits proudly in the heartland of America. Truly a city offering something for everyone, Kansas City provides sophistication in a hometown atmosphere.

The city was carefully planned with regard for beauty, charming

Williams Believes in 'Giving Back'

Joe Williams (Nebraska '50), the 62-year-old chairman and chief executive officer of Warner-Lambert Company, spends a considerable amount of his time in outside involvement. He calls it "giving something back."

Joe Williams (Nebraska '50) is a strong believer that "you have to give something back". Those words have helped shape the life of the 62-year-old chairman and chief executive officer of Warner-Lambert Company.

In addition to directing a \$4 billion multinational company which ranks among the Fortune 125, Joe finds time to lead an equally active outside life. A quick look at his CV demonstrates that point. Joe is currently Chairman of the United Negro College Fund and Project Hope. He's also the prime mover for a regional Science and Technology Center, where his personal enthusiasm and persistence have already raised \$35 million or 76 percent of the required funding. Located in Liberty State Park adjacent to the Statue of Liberty, the Center is expected to draw 1.5 million visitors a year.

His "outside" business interests also make a claim on his time. For example, his Board memberships include AT&T, Exxon and J.C. Penney. Throw in the fact that he's a Trustee of Columbia University, a Director of the Council on Economic Development and a Director of the Conference Board and you begin to understand a little better what he means by "giving back". You also see a busy man.

Reflecting his outside achievements, he's been awarded honorary Doctorate degrees from five universities and this May received an honorary Doctor of Science degree from his alma mater. In 1980, he was awarded the Remington Medal, the pharmacy professions' most distinguished award, by the American Pharmaceutical Association.

Joe's busy-ness also extends to pharmaceutical industry concerns.

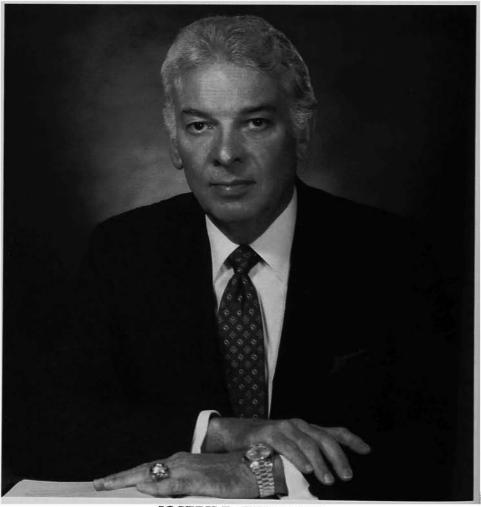

He has served as Chairman of the Pharmaceutical Manufacturers Association in Washington, D.C. and the International Federation of Pharmaceutical Manufacturers Associations in Geneva, Switzerland. A hallmark of these tenures has been communication.

"I've spent a lifetime in the pharmaceutical industry. I know what our scientists have contributed to the extension of life and its quality. It's a very good story. But nobody was telling it. We let our adversaries take the initiative, we just stood there and took their attacks without trying to set the

record straight. Those days are over. We're becoming more aggressive."

Williams is also a great believer in continuing education for employees. He points out that Corporate America is already paying a \$210 billion annual bill for employee training. And he underlines his remarks with quotes from "Workforce 2000", calling for greater attention to training needs for minorities and women.

His keynote remarks at the Conference Board's annual R&D conference this Spring reflected that concern. He pointed out that over

JOSEPH D. WILLIAMS

the past five years, 300 state-level task forces had focused on educational reforms. Precious few have been adopted.

"The fact that American business is still searching for the right answer shows our government has not made the necessary moves. Our political system may confuse the outsider, but the freedom and flexibility we companies have is one of this country's great underestimated strengths.

"With that kind of climate, business can make a difference. Our own self-interest demands that we

take action".

Action is also the mark of Warner-Lambert in recent years. Under Williams' direction, the company has tripled its research spending to \$300 million a year. It plans to invest \$1.7 billion in research over the next five years. Williams sees research as the engine that will drive its pharmaceutical division, Parke-Davis, over the next decade.

The spark plug (and life blood) for Warner-Lambert's consumer business is advertising and promotion, where the 1989 budget is \$950 million, about 22 percent of sales. Over the past few years, advertising has helped drive unit sales to record levels. Products such as Listerine, Listermint, Sinutab, Benylin, Efferdent, Benadryl, Schick, Rolaids, Halls, Trident, Dentyne, Certs and Clorets are all among the leaders in their market categories.

Williams emphasizes that Warner-Lambert's strength lies in its product and geographic diversity. "Our broad line permits us to tailor our product mix, based on economic conditions and local needs, in the 130 countries in which we market."

Those qualities, enchanced by new product activity from research, provide an equation for future success, according to Williams. "We're very optimistic", Williams says, "particularly since we have a management team that has been allowed to gain experience in all aspects of our business, including domestic

and international operations."

That pattern of involvement came early in the life of Joseph Dalton Williams. Starting at the age of ten. he was assigned to sweep out his grandfather's pharmacy in Pawnee City, Nebraska. By the time he reached 15, his stepfather, also a druggist, began trusting him with such sacred chores as mixing cherry cokes and chocolate sodas behind the fountain.

'I knew right from the start that I was going to be a pharmacist. I don't recall any particular family pressure to go in that direction. It was just one of those things that everyone seemed to assume and expect."

At Springfield High School in Springfield, Missouri, Joe pursued a scientific curriculum. But he also found time to play basketball, and was captain of the team in his senior year.

World War II was well underway by the time Joe graduated. Pharmacy school would have to wait. Within days of receiving his diploma, he enlisted in the Navy and was on his way to submarine school at New London.

After the war, he pursued his dream of pharmacy school at the

University of Nebraska. He also participated in a tradition by pledging to Nebraska Alpha in 1946. Joe is proud to relate that his son, Dan, was also a Phi at Nebraska Alpha, as was his stepfather, Don Huston, and his uncle, Hobart Huston. His two cousins, Tracy and Bill Huston, were Phis at Oklahoma Beta. Speaking of family, Joe is also quick to tell you about his daughter, Terri, and 11-year-old granddaughter, Kelly, who live in Omaha.

When Joe graduated in 1950, he made a decision that was to affect the rest of his life. "I was committed to a life in retail pharmacy. While I was in school, I spent every possible vacation period working in my stepfather's drugstore, so I would qualify for a pharmacy license as early as possible. But dramatic things were happening in pharmacy at that time. During the four years I was in pharmacy school, scientists at pharmaceutical companies were discovering "wonder drugs". Drugs like Aureomycin, Terramycin and Chloromycetin broad spectrum antibiotics that literally cured infections. Diseases that had killed millions of people over the centuries were now being

stopped cold by a few dollars worth of medication."

"I wanted to be part of that. So I took a job with Parke-Davis in 1950 to sell Chloromycetin and other pharmaceutical products to doctors in a sales territory covering parts of Nebraska and Kansas. I told myself I would do this for a year, just to get the experience. I never went back to the drugstore."

The rest is history. Joe's been with Parke-Davis and its parent company, Warner-Lambert, for nearly 40 years. His rise was steady, if not meteoric. "I made all the stops: salesman, sales management, sales training, market development, head of a division, vice president of marketing and then President and CEO of Parke-Davis. With Warner-Lambert, I filled senior executive posts in pharmaceutical and international operations."

He assumed the Warner-Lambert presidency in 1979 and, working with then-Chairman Ward Hagan, took on the herculean task of revitalizing a company that had grown through acquisitions. As a matter of fact, a 25-year review by Fortune of its famed 500 listings ranked Warner-Lambert as the fourth fastest growing company during that period. "But it was growth for growth's sake", Williams reports. "The company was being driven by short-term sales growth with little concern for its long-term impact. As a result, profits fell and balance sheet ratios headed south."

A broad restructuring helped turn the company around. With a facility that suggests he's mentioned these statistics before, Williams reels off the results.

"We sold businesses generating \$1.4 billion in sales, but delivering no profit. Through rationalization, we closed more than 30 plants around the world. We reduced our manufacturing space by 50 percent. And reflecting our divestiture, consolidation and early retirement programs, we reduced our employee population by nearly 50 percent from 61,000 to 32,000. The basic thrust of these moves was produc-

tivity, making Warner-Lambert a low-cost producer of high-quality products."

One of the products responsible for Warner-Lambert's 20 percent profit growth last year is a pharmaceutical product trademarked Lopid. The drug is a lipid regulator. Tests conducted in Finland over a five-year period among 4,000 middle-aged men, demonstrated that Lopid reduced heart attacks by 34 percent. That's the good news. The bad news is that Lopid's patent was due to expire in mid-1989.

Not one to sit idly and see a \$177 million investment in the drug go down the tube, Joe took action. He went after a patent extension. He organized a team of senior executives, got some help from Washington law firms and directed 18 months of non-stop action. His message in Washington was that Lopid had been unfairly disadvantaged by regulations and legislation during its development period. The result: 3½ years of additional patent life. Once again, Williams can give you the score.

"We personally visited 91 Congressmen and Senators and made 65 trips to Washington. If you count all the sessions we had with staffers and others, I'll bet we reached 300. Inside the company, we called it a full-court press."

Perhaps its a holdover from his Springfield High School basketball days, but full-court press describes Williams' approach to most everything. At a surprise birthday party marking his 60th birthday, his staff elected him president of the "Thank God it's Monday Club".

That honor reflects the fact that when Joe leaves the office on Friday nights, he's accompanied by two or three briefcases. Freed from the telephone and meetings, he gets most of his reading done in his "cell" at home.

Joe's wife, Millie, also uses that time to advantage. An attorney with a local law firm, she does much of her reading and case preparation work over the weekend.

Millie and Joe are often companions on the golf course. Opponents should be warned that the Williams duo attended golf school earlier this year and should be formidable foes on the links. Joe uses his 15 handicap golf as the basis for frequent business meetings at Baltusrol and Pine Valley Golf Clubs where he is a member.

Joe's other avocation also involves driving. He's an antique car buff. His collection includes a 1962 Silver Cloud Rolls Royce, a 1963 220S.E. Mercedes convertible and a 1961 DB-4 Aston Martin. On sunny weekends, Joe can be seen working out those beauties along the country roads of Far Hills and Bernardsville in central New Jersey. Rumor has it that those cars have never been out in the rain.

New Mexico Alpha Returns

A dream came true for 29 new Phi Delts on April 29, 1989 when the New Mexico Alpha chapter at the University of New Mexico was reinstalled.

BY MICHAEL WOOLSEY and WILLIAM ROWE

New Mexico Alpha at the University of New Mexico was re-installed as a chapter of Phi Delta Theta on April 29 in the Heights Cumberland Presbyterian Church in Albuquerque.

Initiation of the members of the New Mexico Alpha colony took place earlier that same day.

The following colony members were initiated into the fraternity: Joseph Ulibarri, Michael Woolsey, Jacen McMillen, Daniel Monger, Antony Gonzales, Robert Adelman, Eric Sonntag, Fredrick Sandoval, Michael Gonzales, Dwayne Bean, Jeff Hockett, Stewart Dorris, Glenn Harper, Jeff Strein, Regginald Russell, Bradly Query, and Cory Moore. Brothers Jim Miller (Jacksonville '90) and Jim Harvey (Tennessee Tech '90) transferred to New Mexico and have played a major role in our growth.

CHARTER PRESENTATION: Robert J. Miller, executive vice-president, presents the New Mexico Alpha charter to President Joseph Ulibarri at the re-chartering ceremonies.

The Spring pledge class brought the following men into the fraternity: Neil Spraklen, Joaquin Luna, Remleh Scherzinger, Stephen King, William Rowe, Mark Miller, Alvin Garcia, Kent Hutchings, Todd Newman, John Petrig, and Kenneth Owens. It was not only the hard work of these 28 men, but the hard work and expert advice of Travis Sabine, Paul Saucer and Doug Vaughn (all from New Mexico Alpha) that helped to make this dream come true.

That evening, the local alumni, initiation team, and new initiates celebrated at the Albuquerque Marriott. Eric Scott Jeffries (New Mexico '71) was master of ceremonies. The alumni association at New Mexico Alpha is proof that Phi Delta Theta is a fraternity for life. One alumnus, Chris Gross, travelled from Tokyo, Japan to participate in

the events. On that weekend, he and 140 others renewed their love for Phi Delta Theta.

In August, 1988, a group of Phi Delta Theta alumni expressed interest in rechartering New Mexico Alpha. By October, 21 men had been recruited and Colony status was granted.

A house was rented in November, and work began. A great deal of energy was geared toward Spring rush. Fifteen Phikeias were recruited, by far the largest Spring pledge class on campus. We accomplished all the prerequisites and charter status was granted.

Our goals now are to expand, excel, and exemplify the teachings of the Bond. With the help of our alumni and our international brothers, we can not help but succeed. "We are the boys who make big noise! Phi Delta Theta for Aye!"

The Fort Lauderdale Phi Delta Theta Alumni Club has adopted Florida Ocean Sciences Institute, (an affiliate of The Associated Marine Institutes, Inc.), as their community service project.

Over the last year-and-a-half members of this club have been actively involved with FOSI in fund raising projects, presentations to the students and donations to the program of equipment and clothing. Currently three Phis are members of the Florida Ocean Sciences Institute Board of Directors. All members of the Alumni Club are kept informed about FOSI by Executive Director Neil Wilson who attends the club's monthly luncheon meetings.

A Unique Approach to Juvenile Rehabilitation

The group of 22 juvenile rehabilitation programs known as the Associated Marine Institutes, Inc. was founded in 1969 in Florida. AMI, a public, non-profit organization, operates residential and non-

residential programs in seven states — Florida, Texas, South Carolina, Delaware, Louisiana, Virginia, and Maryland. The institutes serve troubled boys and girls 15-18 years of age who average 8 to 12 offenses before entering AMI programs.

To provide rehabilitative services for delinquent offenders AMI contracts with the following state agencies: the Florida Department of Health and Rehabilitative Services, The Florida Department of Corrections, the Texas Youth Commission, the Dallas County Probation Department, the South Carolina Division of Youth Services, the Delaware Division of Youth Rehabilitative Services, the Louisiana Department of Corrections, the Commonwealth of Virginia Division of Youth Services and the Maryland Juvenile Services Agency.

The youth in AMI programs participate in a core curriculum of marine and earth sciences, seamanship, diving, aquatics, physical education, academic and vocational education. Each program uses the special talents and interests of their staff to provide classes that motivate the students. Many of the youngsters entering the program require remedial education. The 7:1 student-to-instructor ratio permits a curriculum individually designed for each student. The youth's skills are evaluated and a needs assessment is developed to build on strengths and improve areas of

weakness. The instruction is organized so that half of the youngsters' time is spent in a classroom situation and the other half is spent in the field with actual "hands-on" learning experiences.

Along with academic and vocational skills building, appropriate positive behavior is encouraged and rewarded. Youth earn points for course accomplishments and completions, attendance, participation, enthusiasm, leadership and a number of other criteria. These points are used to "bid" on special trips or activities. AMI believes it is important for the youth to realize that "good work precedes reward" and that they are responsible for their own actions.

One of the primary goals of each institute is to prepare the youth for their general equivalency diplomas. During the past year approximately 250 students earned their GED diplomas.

The AMI Institutes have been highly successful in accomplishing their three primary goals for troubled youth:

- To reduce or eliminate recidivism
- 2. To increase vocational skills

3. To increase academic skills

Over 12,500 youth have successfully completed the AMI programs since inception in 1969. Recidivism statistics document that 80 percent of all youth who have participated in AMI programs have had no negative contact with the law after they leave the Institutes. Each youth's adjustment to society is tracked for a minimum of three years after he or she leaves the program. Presently the programs are serving approximately 2,000 boys and girls each year.

Florida's programs are in Miami, Fort Lauderdale, Riviera Beach, Jacksonville, Panama City, St. Petersburg, Tampa, North Miami, Sarasota, Cocoa Beach, rural Glades County and Charlotte County. The Texas program is in Brownsville. South Carolina's programs are located in Charleston, Beaufort and Columbia. Delaware programs are in Delaware City and Cape Henlopen. The Louisiana program is in Baton Rouge. The Maryland program is in the Baltimore area. The Virginia program is in Newport News.

Each program is an integral part of its respective community with an autonomous Board of Trustees and separate incorporation. The board members are community leaders in the fields of education, law, business, construction, etc. They volunteer their services, advise and monitor the Institutes' progress.

Associated Marine Institutes' corporate headquarters is in Tampa, Florida. AMI contracts with state agencies to provide rehabilitative services for youthful offenders. AMI also coordinates and supervises the fiscal management and operation of all youth programs.

AMI believes that one of the most significant keys to the youngsters' success is the quality of the relationship which develops between each youth and his or her advisor/instructor. Each AMI instructor strives to be a positive role model, motivating the youth to exhibit appropriate behavior and set realistic short- and long-term goals to achieve success.

The Associated Marine Institues, Inc. looks forward to an exciting future providing continued cost-effective rehabilitative services to America's greatest resource — its youth.

AKRON & NORTHEASTERN OHIO _

Our Alumni Club ended the '88-'89 school year with the annual Founders Day and golf outing at West's Mogadore Country Club on April 28th. Unfortunately, the weather didn't want to cooperate, so there weren't many golfers but we had a good turn out for the banquet and program.

The program consisted of brief reports by the Ohio Epsilon chapter president David Lembo; Jim Warner (Akron '71), chairman of the scholarship committee, who awarded \$8,000 in scholarships to 12 Akron actives; Dick Galloway, (Akron '64), president of the Palmer Foundation, gave a report on International Fraternity.

Brother Robert R. Broadbent (Akron '46), retired chairman of Higbees, served as our master of ceremonies. Brother Robert Maxson, (Akron '54), Akron Municipal Court Judge, awarded the first W. Richard Wright Phi Delta Theta Service Award to Hugh West (Kent State '61), president of the alumni club, for his untold hours of service to many community projects as well as to our alumni club.

We had a Golden Legion ceremony honoring brothers Richard Gregg, (Ohio Wesleyan '42) and Robert C. Russell (Akron '38).

Next our speaker, James Barnett, (Akron '53), vice president of Goodyear Tire & Rubber, was introduced by Roger Read, (Akron '63). Jim gave us a very interesting and informative talk entitled "A World Apart" which was enjoyed by all.

Through the cooperative efforts of many interested brothers our First Friday Phi Delt luncheon schedule has been finalized for the 1989-90 year. Major contributions were made by alumni president Hugh West (Kent State '61); corresponding secretary Charles Rennie (Akron '40); recording secretary Charles Herman (Akron '43); and especially, and as usual, our own "Mr. Phi Delta Theta" — W. Richard Wright (Akron '37).

Recognition and appreciation is gratefully expressed to many brothers for their time and interest during the planning of the programs and for their participation in the monthly meetings.

Our schedule is as follows:

Sept. I — Speaker James Barnett (Akron '53), vice president of Goodyear Tire & Rubber. Introduced by George Porosky (Akron '65), Akron chapter adviser and also an employee of G.Y.T.&R. Jim gave another very interesting talk on the

AKRON: Robert Broadbent (Akron '46), W. Richard Wright (Akron '37), and Richard Galloway (Akron '64) visit with Paul Martin (Akron '32), the newly appointed chairman of the University of Akron's Capital Endowment Fund Drive.

AKRON: Judge Robert Maxson (Akron '54), chairman of the W. Richard Wright award, visits with Hugh B. West (Kent State '61), first recipient of the award, and W. Richard Wright (Akron '37), Akron's "Mr. Phi Delta Theta."

AKRON: Principles at the Akron Founders Day include Judge Robert Maxon (Akron '54), chairman of the W. Richard Wright Award committee; James Warner (Akron '71), president of the scholarship committee; William Hulbert (Case-Western '49); Hugh West (Kent State '61), club

president; James Barnett (Akron '53), main speaker; Robert Broadbent (Akron '46), master of ceremonies; Richard Galloway (Akron '64), Palmer Fund trustee; Roger Read (Akron '63); and Pat Hart (Akron '72), house corporation president.

economic and business tie-in of the auto and tire business and government interventions.

Oct. 6 — Speaker Michael Conner, (Northwestern '54), director of external affairs of Bridgestone/Firestone Inc. Mike was introduced by Edward Steinkerchner (Akron '52), sales manager for Midwest Rubber Co. A good turn out enjoyed hearing a very informative talk by a very popular Akron brother.

Nov. 3 — Speaker Dr. William Muse, president of the University of Akron introduced by brother Paul Martin (Akron '32), president of the Martin Automotive Group. This was the second time Dr. Muse has been our guest speaker.

Dec. 1 — Speaker Charles Billow (Akron '76), secretary/treasurer of the Billow Funeral Homes Co. and introduced by James Warner (Akron '71) of Chez Del Interiors.

Dec. 26 - The Annual Phi Delt Love Feast celebration. Time and place to be announced.

Jan. 5 — 1990 — No luncheon. Feb. 2 — Speaker Gilbert Neal (Akron '54), president and CEO of the General Tire & Rubber Co. Introducer will be Dave Bender, president of Ohio Epsilon chapter.

March 2 — Our second Annual Ladies Day with speaker Dr. Kathy Stafford, vice president for Institutional Advancement of the Unviersity of Akron. She will be introduced by Phyllis Griffith, executive director of Akron's Alumni Association.

April 6 — "Legal Wrangle Hour" — A panel of three Phi Delt judges - Monte Mack (Akron '51), Akron Municipal Court, Robert Maxson (Akron '54), Akron Municipal Court, and Dan Quillin (Akron '49), Court of Appeals will answer the brothers' questions.

May 4 — "Phi Delta Theta Update" with brothers Hugh West, Charles Herman, Charles Rennie, Pat Hart, Jim Warner, George Porosky, Dick Galloway, Dick Wright and Ohio Epsilon officers.

June 1 — "The World of Goodyear" as viewed in their Model Room of scale reproductions of all of Goodyear's plants worldwide. We will be treated to lunch and this special tour of G.Y. by brother James Wright and other Phis working at G.Y. Reservations are a MUST for this luncheon.

All First Friday Alumni Luncheon programs are held at the University Club of Akron and reservations are needed and can be made by calling the University Club of Akron or Hugh West.

A date yet to be picked in May will be the annual Founders Day celebration and will mark the celebration of Ohio Epsilon's 115th Anniversary. This will be a grand affair and one that all Northeastern Ohio Phis will want to be sure and join in on.

We are accepting nominations for the second recipient of the W. Richard Wright Award. Please send your nominations to Judge Robert Maxson or president Hugh West.—Charles Rennie

CENTRAL FLORIDA

On June 28, brother Chuck Rohe, executive director of the Florida Citrus Bowl, was speaker at our major Summer dinner meeting held at Sea World in Orlando. After an excellent buffet and program, many of the 34 Phis in attendance walked across the park to enjoy the famous Shamu water show.

Our last Summer event was a luncheon held on July 25. The program consisted of having brothers in attendance suggest and

discuss means of promoting the growth of our new club.

We are now looking forward to a number of Fall club activities. Regular monthly luncheons held the fourth Tuesday of each month at Chris's House of Beef begin on September 26.

Brother Tom Davison is heading up a charity fund-raising golf outing to be held on October 7 at the Winter Spring Golf Club. It is anticipated that 100 will attend and over \$1,000 can be donated to the "Crisis Center" of Winter Park.

The club will be publishing an alumni newsletter on a regular basis this coming year. The first Fall issue goes out in September.

Membership Chairman John Mischuck is pleased to report that 60 brothers have paid their \$25.00 dues. Our goal is to have 100 on board by the end of the year. Area Phis wishing to join can do so by sending their checks made out to Phi Delta Theta Alumni Club, care of brother Mischuck at 727 Park Lake Circle, Orlando, FL 32803.

Florida Ocean Sciences Institute, Inc. (FOSI), a not-for-profit program for teenage offenders that uses a marine-oriented approach to rehabilitation, celebrated its 20th anniversary on September 28.

The event was held at the FOSI complex, located at 3220 S.W. 4th Avenue in Fort Lauderdale (across from Snyder Park).

Florida Ocean Sciences Institute, Inc., is the Community Service Project of Phi Delta Theta Alumni Club of the Fort Lauderdale, Florida Area, Inc. Since selecting FOSI as its Community Service Project in October, 1987, the Phi Delta Theta Alumni Club has helped raise more than \$25,000.

HANOVER

What we have termed the 17th annual "Old Hanover Phi" golf outing was held by a group of "mid-fifties" (that's both age and class year) Hanover College Phi Delts. The group, along with wives were hosted by Fran and Sue Terrell in Elkhart on August 12-13.

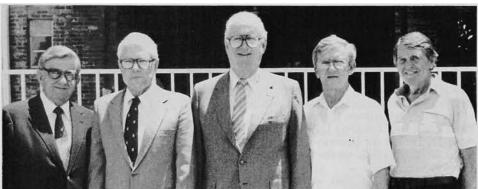

In previous years we have met in Columbus, Indianapolis, French Lick, Greensburg, Nashville, Seymour, etc. Those in attendance this year included the following: Jim Lloyd ('54), Bob Piers ('56), Fran Terrell ('54), John Smith ('53), Bob Kirkpatrick ('53), Dick Kirkpatrick ('53), Jim Sturges ('54), Ben Wernz ('53), Phil Cordes ('51), Darrel McFall ('53), and Bill Litchfield ('53).

Last year was a special treat when the former Hanover golf coach and psychology professor, Dr. Vlad Dupre played golf with our group in Batesville when the outing was hosted by Jim and Jere Sturges.

Many of the wives are also Hanover alumni and include Mary Roberts Lloyd ('56), Joyce Keller Piers ('55), Jere Hawley Sturges ('56), Betty Baker Litchfield ('55), and Sue Lowry Terrell ('57).

After some initial growing pains the London, Ontario Alumni Club of Phi Delta

FLORIDA ALPHA: Five Florida Alpha Phis in the bottom photo were members of the 1946 chapter at the University of Florida (top photo) who recently gathered for a reunion. They include Edgar Williams ('49), David Brayton ('49), Jim Camp ('49), Hugh Harris ('49) and Bob Poage ('48).

Theta is quickly gaining strength. Our major project for the Summer of 1989 involved a fund-raising drive in order to assist the Ontario Beta Chapter in house renovations. All are invited to drop by the house and view the improvements (which were badly needed).

Recent and past events include Founders Day, a joint active-alumni clean-up at the Ontario Beta Chapter house, and the annual meeting/elections. The new executives for 89-90 include Patrick Van Meerbergen (Western Ontario '86) as president and Chris Brawn (Western Ontario '88) as vice-president.

As your alumni club moves into a new decade we ask that you come and join us at one of our future events. Please call Pat Van Meerbergen (416) 366-2971 or Chris Brawn (416) 586-7817 for further information.

LOS ANGELES

The Los Angeles Alumni Club's annual Founders Day dinner was held on March 14, at the Sportsman's Lodge in the San Fernando Valley. This location is central for the large concentration of Phi alumni that live in this area and the second year we have held it at the same place.

Hugh Geyer and Chris Lapple once again as they have in years past made all the arrangements and did a bang-up job. Over 100 Phi brothers showed up between 6:30 and 7 p.m. to enjoy pre-dinner cocktails and conversation with old friends.

After the dinner, the first order of business was reports from the chapters all of whom seemed to be doing well and keeping out of trouble. Particularly gratifying was

the progress of the U.C.L.A. chapter which at this time still does not have a permanent house.

The Phi of the Year awards came next with Gary Bihner winning it for U.C.L.A., Chris Brown for U.S.C., and Mark Schneider for Cal State Northridge. Stan Brown, who obviously needs no introduction, was the featured speaker of the evening. He delighted the gathering with his witty stories of his Phi Delt experiences as well as those from his own life.

This year we had a surprise. Chris Lapple arranged for a magician who provided some of the highlights of the evening with not only his tricks but his humor as well. After this raucous and entertaining experience we settled down to the more serious business of the Golden Legionnaires ceremony, inducting six 50-year Phis. This ceremony's quiet beauty provided the perfect natural closing to the evening.—Samuel Greene

MARYLAND

The informal organization of Maryland Alpha Phis initiated between 1932 and 1942 held its sixth annual get-together last October 11-12 at the Dunes Manor Hotel in Ocean City, MD. Despite a couple of lastminute cancellations, about 15 brothers and almost as many wives showed up, including a few who just stopped by the hospitality suite.

As usual, the only item on the agenda was Happy Hour, while others headed for a walk on the beach or boardwalk. Checking into the hotel were Herb Brill ('36), Gene

Creed ('29), Art Gambrill ('33), Courtney Lankford ('36), Ed Long ('38), Bill Mann ('43), Joe Mattingly ('38), Doug Parks ('30), Ernie Trimble ('42), Buck Rittenhouse ('34), and Dave Scrivener ('35). Visitors included Bob Cannon ('39), John Jacob ('37), Bud Moran ('49), Jim Kirby ('40), and C. R. Disharoon who just happened to be visiting his old neighborhood from California.

The group unanimously agreed to return to Ocean City for the next meeting and a block of rooms has been reserved at Dunes Manor for October, 1989. Also, because of some unfortunate attrition taking place in this group, we agreed to include Maryland initiates from 1942 to 1952 in future gatherings. For further information, contact John W. Mann, Jr., P.O. Box 752, St. Michaels, MD 21663.

PITTSBURGH

The Pittsburgh Alumni Club of Phi Delta Theta celebrated Founders Day on Friday, April 28, 1989 at the Gateway Center Club in the Golden Triangle on the top of Three Gateway Center.

Doug Yauger (Pitt '76), our president, called the meeting to order and George Fulton (Washington & Jefferson '41) gave the invocation. We had a total attendance of 56 including brothers and their wives and 17 actives from Upsilon Province. Allegheny College had four attending, Indiana University of Pennsylvania had four, Washington & Jefferson College had three, University of Pittsburgh had two, and the Colony at West Virginia University had four, a record for attendance for actives.

Bob Heister (Pitt '76), province president, gave a report on the chapters and introduced those in attendance. He held a brief meeting of the chapters after our meeting adjourned.

LOS ANGELES: Stan Brown, former president of the General Council, was the featured speaker at the Los Angeles Founders Day dinner.

Howard Womsley (Dickinson '57) conducted the Golden Legion ceremony honoring those brothers who signed the Bond 50 or more years ago. Those receiving the Golden Legion Certificate were: G. Plumer Fulton, Jr. (Washington & Jefferson '41), Fred B. Faller (Washington & Jefferson '42), H. Kenneth Gehr (Washington & Jefferson '42), Robert G. McGeary (Pitt '41), and Robert M. Willison (Allegheny '42).

The evening closed with those in attendance singing the songs of Phi Delta Theta. As we enjoyed fun and fellowship after the meeting we were entertained by fireworks from Three Rivers Stadium following the

Pirates baseball game.

Don't forget that we have our weekly luncheon every Friday at noon in Kaufmann's Department Store on the 11th floor. The annual golf outing will be held Wednesday, June 13, 1990 at Champion Lakes. VALLEY OF THE SUN

On June 9 the Valley of the Sun held its annual best-ball golf tourney at the Camelback Country Club. Annually this is our membership drive and it was a success.

Forty-eight alumnis participated in the outing which was again won by Shelby Gerking's (DePauw '40) foursome including Russ Gillard (GMI '73). There is a movement to break the foursome up next year or at least have them checked for steroids.

Ten other alumnis joined the 48 players in becoming active members again this year. We are pleased with our rapid growth in numbers and events in the two years of existence. Since we have over 1,000 alumnis in the Valley, we have the potential to be the largest and also the most active group in the country.

Part of the proceeds from the tourney went to the Phoenix ALS Society in honor of Lou Gehrig's 50th anniversary of his death.

The chapter was also saddened by the death of one of its founders and most active members, John Durham (Minnesota '41). A memorial was sent to Hospice Center in Scottsdale.

We look forward to many exciting events for the 89-90 year. Our regularly scheduled breakfast meetings are being held the first Saturday of each month.

Anyone who is new to the Phoenix area or a Winter visitor, we welcome you to join our activities. Also we would like to hear from the other 900 Phis in the Valley who have yet to join us in any of our events. Please call Don Thompson (Butler '66) at 602-396-9902 for an update on the chapter's activities.-Don Thompson

WEST VIRGINIA ALPHA

With the demise of West Virginia (WV) Alpha Chapter during the Spring of 1988 a handful of alumni met early this year to discuss how to support WV Alpha Colony. We agreed to form an association and redeem our alumni responsibilities that we have not always done in the past. So far, results are promising.

PITTSBURGH: Attending the recent Pittsburgh Founders Day were G. Plumer Fulton, Jr., H. Kenneth Gehr, Robert G. McGeary, Fred B. Faller, and Robert M. Willison.

OREGON ALPHA: A group of Phis attending Oregon Alpha's 14th reunion in Ashland, OR included FRONT ROW-Jerry Lillie, George Mimnaugh, Ed Martindale, George Chamberlain, and Preston Phipps; SECOND ROW—Bill Finley, Bill Hammond, Doug Milne, and Ken Shipley; THIRD ROW—Frank Nash, Bob Dudrey, Roland Stearns, and Cliff Powers; FOURTH ROW-Scott Corbett, Charles Heltzel, Bob Mitchell and Bob Hun-

OREGON ALPHA: Former chapter presidents at the Oregon Alpha reunion included FRONT ROW-George Mimnaugh, 1926; Cliff Powers, 1927; Ed Martindale, 1934; TOP ROW-Frank Nash, 1937; Doug Milne, 1938; and Ken Shipley, 1939.

After electing an officer-director core, goals were specified. As most clubs, we will foster a spirit of fraternalism and loyalty among alumni of WV Alpha Chapter by conducting activities in the welfare of the Fraternity. Through our Phi House Corporation and in cooperation with the General Fraternity, however, we will promote closer fellowship with and provide guidance for WV Alpha Chapter when it is reinstalled. In our articles of association we have further agreed to foster optimum scholarship and living conditions for student Phis on the campus of WV University.

Officers are Dr. Wendell G. Hardway ('48) president, Dr. Douglas D. Glover ('51) vice president, Daniel E. Dunmire, III ('51) secretary, and Roy L. Franklin ('49) treasurer. Directors are David M. Milne ('72) building and grounds, James H. Brunson ('52) resources, Thomas D. Hellstern ('80) editor and public relations, J. Clinton Moreland ('79) activities, as well as James M. Dunlap ('67), Arvil V. Dodrill ('50) and Charles E. Poindexter ('50) membership. These officers also comprise the Phi House Corporation.

Some of the first activities either underway or completed include improving communications to members internationally with periodic newsletters, reactivating house corporation articles of incorporation, borrowing funds, rehabilitating the House and sponsoring a Spring Founders Day meeting in conjunction with a reunion.

Work on the House began in June with an 8-week completion target. It will be available for colony pledges when they return to school in August. Previously, immediate and direct support was given by the National Office, chapter consultants and province president Bob Heister by recruiting and training some 40 colony pledges who are planning for a September initiation and return of our charter.

Receiving support from alumni is also encouraging. By early June, over 100 Phis are dues paying members of the Association with recruitment still underway. Moreover, from Alabama and Texas to Michigan and from Missouri to Maryland some 50 members and wives met at Lakeview Resort near Morgantown, West Virginia in June for a weekend reunion. During the Founders Day session we ratified our articles of association and by-laws, discussed a planned fund drive and agreed to meet again next Spring in the Morgantown area. So, all alumni of WV Alpha should mark their calendars and plan to attend next year on the weekend of June 8-10, 1990.

Besides renewing old friendships, most will agree that efforts have been stimulating, so far. But, we now anticipate results. To achieve our goals we will need the help of other alumni. Hopefully, they will write Roy Franklin, RFD #1, Box 150Z, Hopwood, PA 15445 and rejoin a great bunch...Mountaineer Phis of WV Alpha.—David E. Dunmire, III

WEST VIRGINIA: Enjoying the West Virginia Alpha Alumni Association reunion are Roy L. Franklin ('49), J. Gordon Butterfield ('52) and Daniel E. Dunmire III ('51).

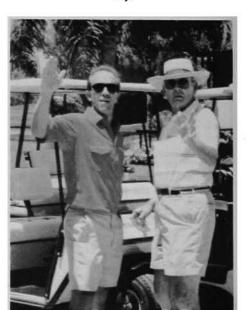

VALLEY OF THE SUN: Jon Mudder (Arizona State '82) and Ralph Ross (Franklin '49) man the registration table for the Valley of the Sun golf outing.

GOLF: Trying to learn how to drive a cart are Jerry Porter (Franklin '59) and Curt Maxwell (Iowa State '77).

GOLF: Winners of the Valley of the Sun golf outing were Shelby Gerkerig (DePauw '40) and Russ Gillard (GMI '73).

In the Fall issue we reported on the death of R. GERALD MCMURTRY ('29). The following tribute to him was read by Kenneth A. Bernard,

president, emeritus, of the Lincoln Group of Boston at the Feb. 4, 1989 meeting of the Lincoln Group at Bridgewater State College, Bridgewater, MA.

There was once a Lincoln scholar, known all over this country, highly respected, greatly liked,

loved and admired; a gentleman, a warm and friendly person, who, after his retirement, wrote out in book form an autobiographical essay which he entitled My Lifelong Pursuit of Lincoln. Just a few months ago, Gerald McMurtry's "lifelong pursuit" ended. He died on October 29, 1988.

McMURTRY try accomplished during his twenty years at Lincoln Memorial University and seventeen years at the Museum and Library at Fort Wayne is truly astonishing.

Cooper Captures Harmon-Rice Award

BY DR. JOHN DAVIS, JR. Sports Editor

William Cooper (Lawrence '89) has won the 1988-89 Harmon-Rice Trophy by a four-point margin over Glenn Trammell (Kansas '89). Cooper is the third consecutive Lawrence Phi to gain this most prestigious fraternity sports award based on athletics, chapter participation, scholarship and school activities.

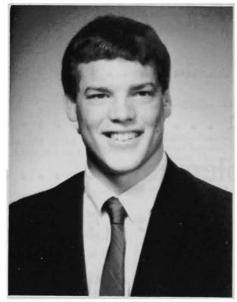

Cooper, who tallied 50 ballot points, served Wisconsin Beta as rush chairman in 1987-88 and vice president in 1988-89. His scholarship honors were numerous: The James Buchanan Memorial Scholarship in 1986, 1987 and 1988; The Ralph V. Landis Scholarship for biology in 1987 and 1988; The Howard S. Thelin Scholarship in 1988 and the C.R.C. Press Chemistry Award in 1987. He was named to the Dean's List in 1985-86 and 1986-87.

His school activities included Plantz Residence Hall counselor in 1987 and the Plantz Hall manager in 1988. He served as a "Key Ambassador" in 1986 and 1987. He worked at the Campus Health Center 1986-89 and he was named to the Mortar Board.

In athletics Cooper was a fouryear starter in football. He was a two-time first team All-Midwest Conference selection; a two-time All-Phi Football choice; a two-time Lawrence "Most Valuable Lineman" plus a two-time GTC Second Team All-American Division III. He was the 1988 Lawrence football captain and he was named the 1988 Team "Sports Award Winner". His career statistics included 227 tackles, 16 QB sacks, six fumble recoveries, one interception, one blocked punt and one touchdown reception.

With a 3.60 GPA, he has been accepted this Fall by the University of Wisconsin-Madison Medical School. Wisconsin Beta at Lawrence has achieved an unprecedented third consecutive Harmon-Rice winner. The 1987 winner was Dan Galante, four-time All-Midwest Conference lineman and two-time AP Little All-American-Scholar. Last year Bill McNamara, a super three-sports star, who was All-Midwest Conference in football and baseball plus a starter in basketball, won the award.

Runner-up for the second consecutive year is swimmer Glenn Trammel (Kansas '89) with 46 ballot points. He maintained a cumulative 3.0 GPA with a final semester

COOPER

of 3.4 and he was an Academic All-Ameircan Division I swimmer for three consecutive years.

Glenn's school activities involved participation in the leukemia drive and a swim-a-thon for arthritis and Lou Gerhig disease. He organized and participated in Christmas caroling at several nursing homes during the holiday season.

At the Big Eight Conference Swimming Championships, he was named the "Outstanding Performer" for three consecutive years in a Division I conference. His Big 8 Conference titles over a three-year period involved the 100- and 200yard backstroke, 200 yard individual medley and the free style sprint events. At one time in 1988, he ranked 11th in the World at 100 meters backstroke. He was team captain his junior and senior seasons as well as "Swimmer of the Year". This year at the NCAA Division I National Championships, he placed third in the 100 yard freestyle and fourth in the 50 yard

Completing the top trip with 29 ballot points is another swimmer Douglas Davis (Mankato '89). He served as rush chairman, IFC delegate, homecoming chairman, vice-president and chapter president this past year.

In school activities he served as chairperson for the University Program of Arts and Lectures. He was secretary in 1988 and vice-president in 1989 of the Order of Omega and was chairman of the Bloodmobile donorship and chairman of the All-Greek Awards Ceremony.

He carries a 3.42 GPA and he

has been on the Dean's Honor List six semesters in his college career. He received the Mankato Telephone Academic Scholarship Award and the Alumni Scholarship Award. He missed the Maverick Award given by the athletic department by .01 percent of having the highest GPA of all fraternity men in athletics.

In athletics Doug was named the "Most Valuable Swimmer" for the third straight year and he was the high point scorer in the conference meet for the third straight year. He set seven of nine school records in the 1988-89 season as well as serving as team captain.

Completing the top five in the balloting were Robert Kupbens (MIT '90), a 280-lb. All-New England Collegiate Conference offensive lineman with 22 ballot points, and Bo Wyenardt (Centre '89), a two-time All-College Athletic Conference and All-Phi Basketball selection with 21 points.

APPOINTMENTS - MEETINGS - ANNOUNCEMENTS

Mitchell Fund 79-Years-Old

The J. R. Mitchell Scroll Endowment Fund celebrated its 79th year on July 20, 1989 as well as its 42nd year at the Northern Trust Company in Chicago, Illinois.

The event was highlighted by two special recognitions in the Executive Board Room of the bank. The first was the bestowing of a plaque of recognition from the fraternity and an "honorary" status as a trustee of the Mitchell Fund upon William F. Murray (Illinois '34). Murray, a past chairman of Harris Trust, was responsible for binging the investment management relationship to Great Northern Trust in 1947. He served as a trustee from March of 1943 through June of 1972, nearly 30 years.

The second honoree of the day was Wallace B. Behnke, Jr. (Northwestern '47), who recently retired as vice chairman of Commonwealth Edison, and who has been a trustee of the Mitchell Fund since September, 1982. He will continue as trustee; however, a plaque of recognition was presented at the noon luncheon.

The event was also highlighted by the fact that it was the 79th year of the Fund and the 42nd year with The Northern Trust as the Investment Manager. Thomas L. Holling (Washington-St. Louis '51), member-at-large of the General Council and trustee of the Frank J. R. Mitchell Scroll Endowment Fund, made the presentations in the Executive Conference Room and Director Room.

MITCEHLL TRUSTEES: The Mitchell trustees conducted their 79th trustee meeting in Chicago on July 20. Those in attendance included N. Hall Layman (Illinois '35), chairman; Wallace B. Behnke, Jr. (Northwestern '47), retired vice chairman of Commonwealth Edison; Wes Christopherson, chairman of Northern Trust in Chicago; Robert J. Miller (New Mexico '50), executive vice president; William F. Murray (Illinois '34), chairman emeritus of the Harris Bank; and Tom Holling (Washington-St. Louis '51), member-at-large of the GC.

APPRECIATION: Wallace B. Behnke, Jr. (Northwestern '47), who recently retired as vice chairman of Commonwealth Edison, was given a plaque of appreciation for his service as a Mitchell trustee at a recent meeting of the trustees. Presenting the plaque is Tom Holling (Washington-St. Louis '51), member-at-large of the General Council, and Robert J. Milter (New Mexico '50), executive vice president.

Additional Phis Join Donors

Since printing the Fall issue of The Scroll, 23 brothers have advanced into the higher recognition levels. This includes one addition to the Founders Club and the John McMillan Wilson Associates, four members becoming John Wolfe Lindley Associates and 17 new Council Associates.

Council Associate recognition is given for cumulative giving at the \$1,000 level while the John Wolfe Lindley Associate is one who has reached the \$2,500 level. John McMillan Wilson Associates have given cumulative gifts of \$5,000 and the Founders Club recognizes the \$10,000 donors.

All contributions to the Educational Foundation are tax-deductible and are used to enlarge the endowment for members' services, including scholarships, the chapter consultant program, the David D. Banta Memorial Library and the summer Leadership College.

FORMER CONSULTANTS: The 1983 traveling staff of chapter consultants recently got together for a reunion. They include John Clark (Miami-Ohio '83), chapter adviser at Ohio Alpha, Chris Johnston (DePauw '83), Jim Hizer (Indiana '83) and Chris Shrader (Miami-Ohio '82), Zeta province president.

CAL ZETA: The brothers at California State University Northridge recently raised \$10,000 for the Bobby Rohan Fund with a marathon run on Aug. 27. Rohan is a 17-year-old quadriplegic tri-athlete injured while training.

newsfronts

Members at Texas Delta (SMU) have moved into a new house and are hosting pre-game parties for alumni and family to hallmark the return of football to SMU this Fall. The chapter is the second largest on campus with over 100 members.

The Phi Delt house at Hanover has recently undergone some major renovation. The treasurer's office has been remodeled, wall units have been installed to better shelve and maintain books and records of the chapter, and two new water heaters have been installed. Also, new bathroom doors have been added along with new hallway carpet.

Approximately 90 Phis from California State Northridge ran legs of a 26-mile marathon on Aug. 27 to help pay for medical bills and purchase a handicapped-accessible van for 17-year-old Bobby Rohan. Rohan was paralyzed in a bicycle accident last March. After the race, the chapter gave him \$5,000 in checks and the group's leaders say they have commitments for at least \$3,500

New Appointments

Newly appointed chapter advisers since June 10, 1989, include: Roger E. Stromberg, Montana; Charles S. Claxton, Georgia College; Steven V. Ledbetter, Arizona; G. Bernard Meyer-Von-Bremen, Mercer; and Troy M. Dugas, Louisiana State University.

Phi Delts at Kent State are celebrating their 35th anniversary and are attempting to compile a complete chapter history. Kent State alumni who have not received a questionnaire from the chapter are urged to contact Jim Ruby at 216-836-7750.

In the Summer Supplement story regarding the installation of California Pi six names were printed in the list of new initiates who had earlier been released on their obligations to the fraternity. These men were not initiated. They include David Heflin, Michael Reisbord, Noel Schwab, Jon Siegel, Paul Weitzman and Jeffrey Yanuck.

1939-1940 Initiates Eligible For Golden Legion

Each year, the Fraternity is proud to recognize those members who reach their 50th anniversary of membership in Phi Delta Theta. This list represents all living alumni who were initiated between July 1, 1939 and June 30, 1940. The Fraternity does not have a valid mailing address for those alumni designated by an asterisk. Information on these missing brothers should be sent to the Phi Delta Theta Headquarters.

Throughout the coming year, each new member of the Golden Legion will receive an embossed certificate recognizing his 50 years of membership. These certificates will be presented by chapters and local alumniclubs or will be mailed directly to the alumnus in the spring.

Leadership College A Big Success!

In attendance at the 1989 Leadership College were 460 undergraduates, 20 chapter advisers, 10 speakers/visitors and 43 faculty and staff. Over 158 chapters and colonies were represented.

BY ROBERT A. BIGGS (Georgia Southern '76) Director of Chapter Services

he 1989 Leadership College surpassed all expectations of the 533 participants from across Canada and the United States. This dynamic fraternity leadership training program offered the delegates an opportunity to learn more about fraternity and management skills.

Miami University, in Oxford, Ohio, hosted the college on July 26-29 where outstanding faculty presented seminars and workshops on various fraternity-related issues. In attendance were 460 undergraduates, 20 chapter advisers, 10 speakers/visitors and 43 faculty and staff. Over 158 chapters and colonies were represented at the Leadership College which is offered once every two years as a part of the General Fraternity's leadership education program.

The college began with an opening session in Hall auditorium. General Council President J.W. "Bill" Stitt (Mississippi '54) presided over the ceremonies that included a welcome from Miami University President Dr. Paul Pear-

son and a proclamation from Oxford Mayor Roy Young declaring July 23-29 as Phi Delta Theta week in Oxford. Following the singing of the Star-Spangled Banner and O' Canada, the Leadership College faculty was introduced by the College Dean, Thomas "Sparky" Reardon (Mississippi '72). The session recessed and the delegates began the first of six chapter meetings.

The chapter meeting concept is the heart and soul of the Leadership College program. The various delegates are arranged in chapters of 25 men each with a faculty member serving as their adviser. The chapters select officers, establish an agenda, conduct ritual and discuss information presented in the seminars and general sessions. This is an excellent forum as the undergraduates are given ample opportunity to discuss and debate the information presented at the seminars and general sessions.

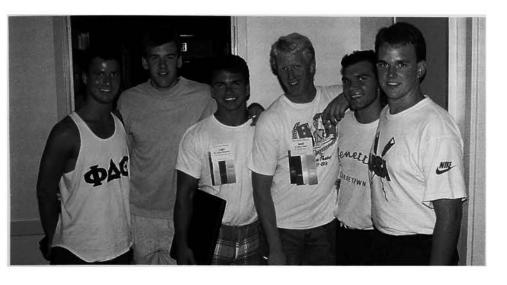

During the college a special Chapter Advisers Program was conducted under the capable direction of Arthur F. Hoge (Westminster '75) adviser at the University of Oklahoma. In addition, several

interest group meetings were held as they were given assignments later during the college for the undergraduates. These groups included a chorus, initiation team and wardens committee.

The activities on Thursday included a morning session of 11 different educational seminars and a presentation on the historical significance of Phi Delta Theta at Miami University by Dr. Phillip Shriver, a former president of Miami University. A walking-tour of the campus was followed by a tour of the General Headquarters building. The delegates also had the opportunity to tour the Founders' Room in Elliott Hall where the Bond was signed in December of 1848.

The afternoon included 11 more educational seminars followed by a business meeting conducted under the direction of Brother Stitt. Several informative reports were given on important issues and matters such as the proposed NIC resolution calling for the elimination of pledge education programs, the General Council policy banning

"Little Sister" organizations, and reports regarding the activities of the Educational Foundation and the Palmer Foundation. Later during the same day, Dave Westol a former Assistant Prosecuting Attorney in Kalamazoo, Michigan, presented his hazing on trial program to all delegates. The presentation focused on the possible legal ramifications of hazing that could place fraternity officers in a court-room.

Friday was a busy day since there were three separate educational periods where 11 different educational seminars were offered during each time period. The undergraduates commented that the faculty was well-prepared for the seminars and that much was learned from the presentations. Some of the topics dealt with alcohol abuse, leadership skills, scholarship programming, community relations, goal setting, motivation, chapter standards, and financial management.

On Friday evening a presentation was made to the delegates on fraternity values and ethics by Dr. Edward King, the Executive Director of Residential Life at Bradley University. The information helped to provide meaningful insight into the daily application of fraternity values and ethics. Later, the initiation team performed the model ritual ceremonies used by Phi Delta Theta chapters. This event was preceded by the reenactment of the founding of the fraternity by six staff members who assumed the roles of the founding fathers. These ceremonies were coordinated under the direction of the associate dean of the Leadership College, past president of the General Council C.T. "Tal" Bray (South Florida '65). The evening activities concluded with a reception honoring the five General Council members.

The events on Saturday began with a final round of 11 different educational seminars followed by an awards ceremony. Brother Bray presided over the ceremony where a number of chapters were recognized for their accomplishments during the past academic year. A final chapter meeting was held on Saturday afternoon. The delegates then adjourned to the Leadership College Sports Festival for a few hours of recreation.

The closing dinner brought all participants together for one final time. The key-note speaker was Guy Guckenberger (Cincinnati '66) who spoke to the delegates about his own fraternity experience and the personal leadership style he has developed. Brother Guckenburger is a successful attorney and a member of the Cincinnati, Ohio City Council. Several awards were presented including the Educational Foundation Scholarships, Housser, Kansas City, Founders and Harvard Trophies. The Chapter Adviser of the Year for 1989, Brother Roger Heineken (Emporia '73) was recognized as well as those advisers who received special commendations for their dedication to Phi Delta Theta.

A slide show presentation by David Haggard (Cincinnati '89) highlighted the activities of the Leadership College. Finally, following several closing remarks by various officials, the participants were challenged to take back and apply to their chapters what they had learned during the Leadership College. The 1989 Leadership College was a tremendous success because of the dedication and enthusiasm of all 533 participants. Throughout the coming months it is anticipated that Phi Delta Theta will realize many dividends from the seminars, presentations and discussions that occurred at Miami University in late July this past Summer.

its visitors with more fountains than any city except Rome, more boulevard miles than Paris. As French writer Andre Maurois wrote, "Who in Europe, or in America for that matter, knows that Kansas City is one of the loveliest cities on earth?"

The entertainment opportunities are unlimited. From dining to shopping; museums to amusement parks; art to sports — Kansas City has it all.

Famous for steaks and barbecue, the city lives up to its reputation. But Kansas City is more than just a steak town. Recognized by many as a major culinary center, visitors to the area are delighted by its abundance of excellent restaurants of every ethnic origin. Popular food colunmist Calvin Trillin summarized well when he wrote, "Not all the best restaurants in the world are in Kansas City, just the top four or five".

What better place to shop than Kansas City - home of the nation's first shopping center. The Country Club Plaza, built in 1922, has evolved from a popular neighborhood shopping district into one of Kansas City's best loved attractions. Located just five miles south of downtown, the plaza encompasses 55 acres in a sophisticated blend of the city's finest shops and restaurants that will impress even the most hardy connoisseur. Compared favorably with New York's Fifth Avenue and Rodeo Drive in Los Angeles, the plaza boasts more than 200 of the finest retail stores in the country as well as over two dozen restaurants.

Modeled after Seville, Spain, Kansas City's sister city, the plaza's tile roofed, pastel colored buildings and imported filigree ironwork recreate the flavor of Europe. With its ornate towers, sparkling fountains, and artwork from the world over, the plaza is more than a shopping district, it's an outdoor museum.

Another creative shopping development in Kansas City can be found at the southern edge of the downtown area. Crown Center, a privately financed development of Hallmark Cards, Incorporated, is a world-famous city within a city, beautifully landscaped on 85 once blighted acres that surround the international headquarters of the greeting card company. This \$500,000,000 complex includes three levels of boutiques, specialty shops and restaurants, office complexes, hotels, and a 10-acre landscaped central square for community activities.

For a quick step back into Kansas City's history, take a trip to Westport Square. Westport was the jumping off spot for the Santa Fe, California and Oregon trails. Today you can jump off to a leisurely afternoon of sightseeing and shopping or enjoy Westport's exciting night life.

Art and history lovers will find Kansas City's selection of museums truly world-class. The Nelson-Atkins Museum of Art is one of America's most comprehensive art museums, featuring collections dating 3,000 B.C. to the present. Internationally held as one of the finest collections of oriental art in the western world, the museum also boasts works by the world's greatest masters and contemporary artists.

One of the country's most interesting presidential museums is located just 10 minutes east of downtown Kansas City in Independence, Missouri. The Harry S Truman Library and Museum features the recreation of Mr. Truman's Whitehouse Oval Office as well as exhibits and papers detailing America's most turbulent years.

Added excitement comes to Kansas City each summer with the opening of Worlds of Fun Amusement Park and Oceans of Fun Aquatic Park. Worlds of Fun, one of the country's finest parks, features more than a hundred rides, shows and attractions for a single admission price. The 60-acre Ocean of Fun features sun, sand, and water sports for landlocked Midwesterners, including a million gallon wave pool, giant water slides, beaches, and a man-made lake for water skiing exhibitions.

As you can tell from the brief descriptions given above, Kansas City does truly have something for everyone. The local alumni are already working hard to prepare one of the best conventions ever.

More details will appear in the next issue of *The Scroll* or you can write the Phi Delta Theta Headquarters, 2 South Campus Avenue, Oxford, Ohio 45056. ■

BY WILLIAM R. RICHARDSON (Tampa '80) Director of Alumni Services

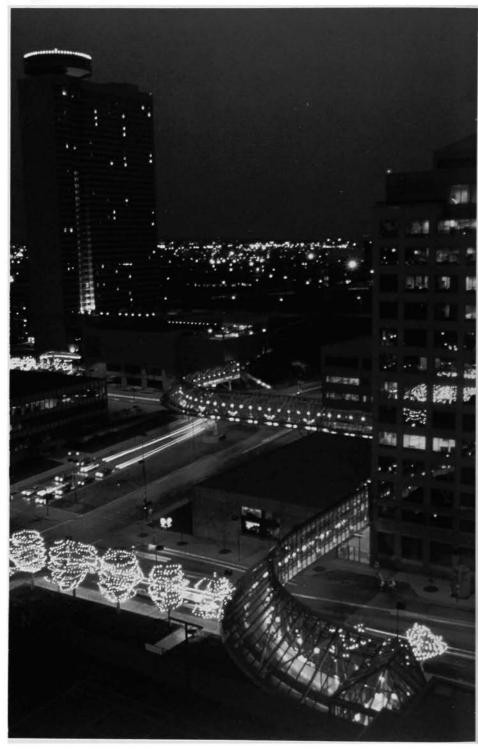

The 68th Biennial Convention of Phi Delta Theta will convene June 21-24, 1990, in Kansas City, Missouri.

Over 500 Phi Delta Theta undergraduates, alumni, and their families are expected to gather at the luxurious Hyatt Regency Crown Center for the Convention.

The General Convention, which is comprised of delegates from chapters, alumni clubs and general officers, is the supreme legislative body of the Fraternity. The delegates will be discussing serious issues facing the Fraternity, as well as electing the new General Council.

The program will begin with registration on Thursday, June 21, at 9 a.m. Province presidents will meet with the delegates from the chapters in their respective provinces at 3 p.m. that same day. Following the province meetings, several committee meetings will be conducted throughout the remainder of the afternoon. The opening general session will begin at 8 p.m., on Thursday evening. KANSAS ALPHA HOUSE: Monte Johnson, far right, talks with Dierk Copeland, Brad Unruh and Bruce Breckendridge, chapter president, in front of Kansas Alpha's new house at 1621 Edgehill, in Lawrence, KS. Johnson spearheaded the fund drive that raised the money for the new house.

Kansas Builds A 'Dream' House

Kansas Alpha alumni raised over two million dollars in a fund drive that has now become a reality with a new chapter house that was occupied in the Fall of 1989.

Like many fraternities and sororities throughout the country, Kansas Alpha was faced with the problem of replacing its Chapter House, originally built in 1923 and enlarged in 1939. Age and heavy use had rendered the old house inadequate for the future, not to mention the fire hazard and safety of the undergraduate brothers, as well as substantial maintenance costs.

Realizing that a large mortgage on a new chapter house would create house bills beyond the means of the chapter, plans were formulated in early 1987 to raise funds for a new house.

Under a program devised by Kansas City attorney William L. Hess ('69) a ruling was received from the Internal Revenue Service that allowed that costs associated with certain areas of the new house were eligible for payment through an educational grant. The grant, together with certain borrowings

from the local educational foundation, resulted in approximately 75% of all funds donated being tax deductible. This ruling could be an important guide to other chapters facing similar problem with an obsolete Chapter House.

Plans were drawn by Kansas City architect Stan Staats ('52) for a larger, and fireproof, 27,000 square foot new home for Kansas Alpha. The plans were approved by the Alumni Corporation and the undergraduate brothers agreed to live together for one full year in university housing while the old house was razed and the new house constructed.

Bids were secured indicating the need for approximately \$2,000,000 to complete the proposed new house.

A pledge campaign, under the direction of Monte C. Johnson ('59), was formulated and funds were solicited from the alumni and friends beginning in September, 1987.

Various rooms of the proposed new house, including the library, dining room, living room, game room, fitness room, as well as 30 study rooms were sponsored by alumni and Phi Delt families. The following quotation from Monte Johnson's remarks at the "Major Donor Banquet," held Aug. 26, 1989, tells a brief story of the original gift which made the overall project seem a realistic possibility.

"On September 15, 1987, Stan Learned made the first pledge to the Phi Delt building project, a substantial leadership gift which became the catalyst for the new chapter house you see today. Stan's strong commitment, along with those of you invited to this major donor dinner, guaranteed our success and allowed us to start construction on time and complete all phases of the project by the start of the Fall 1989 semester, exactly as originally planned."

Johnson devoted over two years time to planning and fundraising resulting in gifts totaling in excess of two million dollars. Gifts from \$25 to \$250,000 were received from alumni, undergraduates, parents and friends. Approximately 45% of the alumni responded to the chapter's request with gifts averaging nearly \$5,000 per donor.

An outstanding general contractor, Gene Fritzel Construction Company, Lawrence, Kansas, and equally outstanding weather during the winter of 1988-89, allowed the new house to be completed in early June 1989, and the new house was furnished during June and July 1989, under the direction of Wichita interior designer, Frank T. Priest, Jr. ('53) on a net cost basis.

The Leadership Room recognizes various Kansas Alpha Phis who have distinguished themselves and exemplified the teachings of the Bond in business, sports, community involvement and other areas. The room is designed for audiovisual presentations by various campus groups and outside companies. A career planning leadership seminar series has been inaugurated. The room is centered by a hexagonal table bearing the names of the six fraternity founders.

The Learned Library provides 1,500 square feet of study area with bookcases capable of handling several thousand books. One wall of the library holds artists' renderings of the old and new house and is centered by a montage of photographs taken throughout the construction period. Also included in this grouping is a picture of the Lawrence Wells Fargo office where the brothers met in an "upstairs room" for several years after receiving a charter in 1882. In addition there are pictures of a Victorian house used by the chapter from 1910 to 1923, the "new house" built in 1924, as well as the house with its 1939 addition.

Another wall in the Learned Library carries a montage of photos and articles regarding William Allen White (1887). Included are a block of three cent U.S. postage stamps issued in 1948 bearing Brother White's image and a copy of his Pulitzer Prize winning editorial from the Emporia Gazette.

In addition to the 1,500 square foot Evans-Edwards dining room, honoring two outstanding Kansas Alpha Phis, Ray R. Evans ('47) and Roy A. Edwards ('42) the house includes a computer room on the lower level which will be tied into the University computers. Each of the 30 study rooms, recognizing various donors, is equipped with a P.C. outlet which ties into the lower level computer room.

The new house is of fireproof construction and sprinklered throughout. Zoned heating and cooling were also included in the new house.

For the 90 men who "camped out" last year, the new house at 1621 Edgehill Road was well worth the wait and inconvenicence incurred. To the alumni and undergraduates who contributed funds, time, thought and labor to this project, the open motto of the fraternity has taken on greater meaning than ever

before.

Through all phases of the project new friends were made, old acquaintances renewed, and an unequaled degree of personal satisfaction enjoyed by all.

Beginning with the "Major Donor Banquet" on August 26, through the formal dedication on Homecoming Weekend, October 7, it has become quite evident that the major benefactors to the overall project have been the donors. Those involved have experienced an outstanding feeling of brotherhood perhaps more strongly than at any previous time. The old adage, "The more you put into something, the more you receive in return," has been proven well at 1621 Edgehill Road.

We encourage our brother Phis throughout the United States and Canada to visit the new Kansas Alpha Chapter House.—The Men of Kansas Alpha.

(EDITOR'S NOTE: The Palmer Foundation also played a major role in this project by making low interest loans to the House Corporation.)

Doing What Comes Naturally

BY JOHN FREEMAN

Paul Humann's (Wichita St. '61) eyes twinkle when he remembers the evening he decided to leave the practice of law to pursue his dream

of being an underwater photographer.

"I was sitting in the law office one day watching the snow come down outside, and I said to myself, 'This is nuts. Why are you working 11 months of the year to earn enough money to do what you want to do all the time? You ought to change that around."

And so he did.

In 1971, while on a trip to California for the law firm, Humann heard about a dive boat for sale in the Cayman Islands.

"Next thing I knew I was on an airplane to Grand Cayman, made the deal, came back to Wichita and tried to figure out how to put the money together," Humann recalls, laughing like it had all happened yesterday.

After saying good-bye to associates he had during seven years as an attorney at Jochems, Sargent and Blaes, Humann headed for the crystal-clear waters of the Caribbean and his 86-foot, 12-passenger, live-aboard diving cruiser.

Buying the boat and conducting scuba tours was the perfect opportunity.

"I couldn't have just gone out and started making my living taking pictures and doing what I'm doing now," he says. Humann figures he is one of two dozen professional marine life photographer-writers in the world.

He had considered running a dive shop or a resort, but knew that meant spending too many hours on land. On a live-aboard boat, "the captain can take off and go diving anytime he wants," Humann explains.

NOTE: The following article by John Freeman is reprinted with the permission of the Wichita State University Alumni Association. The article first appeared in the WSU Alumni Report in July-August, 1989. The photos are those of Paul Humann. Any reader interested in seeing additional works by Humann can order an autographed copy of his book, Galapagos - a terrestrial and Marine Phenomenon with 128 pages of color photography, by sending \$39.95 plus \$4.50 handling and mailing to: Paul Humann, 5700 Sheridan, Hollywood, FL 33021.

His latest book, Galapagos — A Terrestrial and Marine Phenomenon, testifies to his love for marine life.

The book is a collection of detailed text and large color photographs depicting the harsh but unique life forms below and above water. Included are the famous giant tortoises, marine iguanas, schools of sharks and enormous sperm whales.

To select the 194 Kodachrome photographs for the book, Humann took more than 25,000 frames during 18 trips to the islands over a 10-year period.

Besides book projects, Humann continues to lead scuba tours around the world for See & Sea, a San Francisco travel service. During 1989, diving tours or photography assignments will take him to Australia and New Guinea for a month each and Galapagos for about 10 weeks.

On the diving tours — which could last from seven to 18 days — Humann conducts Sea Talks, — a program where he lectures every evening about what divers saw that day.

"It's to help people become better acquainted with the marine environment," Humann says. "I try to make it more enjoyable and more educational for them — in a fun way."

Teaching people about marine life is what got Humann started as an amateur photographer while attending Washburn Law School in Topeka. Whenever he returned from Florida dive trips with friends, people would ask about what he had seen.

"You just couldn't describe it," Humann says. "It was so beautiful you had to bring it back in picture form. It's just a mysterious aspect of our planet that fascinates people."

What is the most incredible thing he has seen underwater?

"Huge schools of fish moving in perfect unison," he says after much thought. "How do they do that? Millions of fish move in unison and flow back and forth in silvery

HUMANN

pools. I can get in one of those schools and just be spell-bound for 15 or 20 minutes — just watching."

Humann admits he prefers swimming by himself to capture the best images. During a typical one-hour dive he carries two cameras. One is a Nikonos with a 15 mm lens for wide angle scenes, and the other, used for close-ups, is an old Nikon F housed in a metal casing with external controls. Both cameras are connected and share a flash unit so that either camera can fire instantly.

"It gives me the opporunity to shoot whatever is going to happen. And that's one thing about being underwater — you never know what's going to happen."

He has been fortunate that nothing too frightening has occurred in nearly 25 years of diving.

"I must admit, when you're surrounded by a school of hammerheads or other kinds of sharks, your heart is pounding a little faster than usual," he says. "But I'm more nervous driving to the airport in Miami on I-95 than going underwater with sharks!"

When he is not traveling, Humann divides his time between Hollywood, FL, and an apartment on Grand Cayman Island. The 1961 Wichita State psychology graduate has published seven other ocean-related books, and is the former editor of *Ocean Realm*, a quarterly to which he still contributes articles.

He smiles when thinking about how life has changed since college.

"I took no photography, I took no journalism, I barely touched on marine biology in zoology course, and here I am writing marine books."

And living his dream in the oceans of the world.

Houston Ophthalmologist Elected National President

Dr. Guy E. Knolle, Jr. (Texas '58) has attracted nationwide attention in his use of the YAG laser in secondary cataract surgery. This surgery dramatically reduces the risk of vision-threatening infection.

Dr. Guy E. Knolle, Jr. (Texas '58), a Houston ophthalmologist, who earlier had attracted nation-wide attention for his use of the YAG laser in secondary cataract surgery, was elected president of the American Society of Cataract and Refractive Surgery (ASCRS) in April, 1989 and will serve the 4,500-member surgeons for the next two years.

The YAG laser has changed secondary cataract surgery dramatically, reducing the risk of visionthreatening infection and allowing Knolle and other surgeons to perform the surgery quickly and efficiently in their offices, with little or no risk.

His YAG laser was the fifth such instrument to be imported into the United States. The Microruptor II Neodymium YAG Laser that he uses was developed by Prof. F. Fankhauser of Bern, Switzerland in conjunction with the Lasag Company.

"Before the YAG laser, surgery with a knife was required to open a hole in the lens that allowed the light to pass through," said Knolle. "Many physicians were uncomfortable performing the surgery in their offices and were hesitant to ask their patients to undergo another

hospitalization for repeat cataract surgery."

In about 50 percent of patients who have cataract surgery secondary surgery is necessary to treat the back part of the natural lens which becomes cloudy years after the original surgery. Doctors have found that the original surgery to remove the part of the lens which has become cloudy is more successful when the back side (which was not originally cloudy) can be left in the eye as an anchor for an articial lens which is inserted in place of the natural, cloudy lens.

Dr. Knolle, an active member of ASCRS since 1975, has served on the society's Scientific Advisory Board and Executive Committee. ASCRS, founded in 1974 as the American Intra-Ocular Implant Society, is an independent non-profit scientific and educational association. ASCRS is the only medical specialty society devoted solely to the dissemination of information on cataract extraction and intraocular lens implantation. Of those performing cataract surgery in the United States, 85-90% are ASCRS members.

As an ophthalmologist in private practice, he specializes in the treatment and surgery of cataract, glaucoma and corneal patients. He is the designer and developer of the Allergan Medical Optics Knolle PC-80 intraocular lens which is used by many other ophthalmologists and has been implanted in more than 10,000 eyes. He has also designed numerous instruments for use in the performance of cataract surgery. For five consecutive years, the Knolle Ocular Surgery Seminar was held under his direction in Houston expressly for training young surgeons.

Dr. Knolle attended the University of Texas in Austin as a Plan II premedical student, receiving his degree in 1958. He received his medical degree in 1962 from Tulane University Medical School in New Orleans, Louisiana. He completed an internship at Barnes Hospital in 1963 and a fellowship at McMillan Eye Hospital in 1964, both in St.

Louis, Missouri. He served residency training in ophthalmology at Baylor College of Medicine in Houston from 1964 to 1966. Dr. Knolle served as a captain in the United States Army Medical Corps from 1966 to 1968. He entered private practice with his father in 1968 in Houston.

He is a clinical associate professor at Baylor College of Medicine and also a member in the Harris County Medical Society, the Houston Ophthalmological Society and numerous other medical societies.

A fourth generation Texan, third generation Tulane physician and second generation ophthalmologist, he has offices in Twelve Oak Tower in Houston, where the Medicare-approved Knolle Ocular Surgery Center is located. He sees patients weekly in Bellville, Texas, and performs surgery monthly at Bellville General Hospital.

KNOLLE

Canadian Honored With Endowment

Matt Newell (Texas '26), a retired Canadian oil driller, started out as a hard-drinking driller. He eventually won the alcohol battle and has been helping others do the same ever since.

BY FRED G. GANNON (Texas '43)

The life of Matt Newell (Texas '26) is the stuff that Hollywood and television movies are made of.

The retired oil executive started out as a hard-drinking driller with the largest outfit in Canada, Newell & Chandler, when Turner Valley was the oil capital of Canada.

He has been fighting alcohol ever since.

In the early years, the bottle was the clear winner. But Newell eventually won the battle and has been helping others do the same ever since. He also has been an instrumental force in the oil industry.

Late in 1988, five friends presented the University of Calgary medical faculty with a check for \$81,250 for the Matt Newell Endowment. With a provincial matching grant, the endowment is \$162,500.

The endowment is for research into alcohol and substance abuse as a disease. Eventually the fund may achieve Newell's most fervent wish: elimination of the social stigma attached to alcoholism, as occurred with tuberculosis.

Newell grew up in Richmond, Texas. His family background is a fascinating one, because his great grandfather came to Texas in 1828, four years after Austin's colony was founded which started the migration to Texas. It was also just eight years before Texas won its independence from Mexico. An ambitious young man, his great grandfather became a wealthy cotton plantation owner in the early days of the great South, running a sizeable business, which his son, Matt's grandfather, inherited. It was a time of upheaval and power struggles, and Matt's grandfather enlisted in the Southern Army when he was

17, taking part in the Civil War.

He arrived at the University of Texas in 1922 ready to play football and take up his studies to get a business administration degree. To become part of the Phi Delta Theta fraternity, he was pledged by Louis White, a great tennis athlete who won the national intercollegiate doubles championship twice and then went on to become a world class tennis player.

Even though he was a gifted athlete and was All-Southwest Conference end in 1925, he still had to pay his way through the university because there was no such thing as an athletic scholarship in those days. No matter, because Matt was a man who knew what he wanted,

and set to work to get it. In his junior year, he gathered all the jobs he could get. As he put it, "I delivered the College Daily Texan newspaper at 5 a.m. for a \$1 a day, taught sophomore physical training for 40 cents an hour, waited on football training tables, worked at a drugstore at night and was bouncer at the "German" dance on Saturday nights.

It worked out fine from my point of view, but my football coach had other ideas about it once he found out what I was up to." It came as no surprise that the coach made him give up all his jobs except for sophomore physical training and being a bouncer, and Matt earned his money roughnecking on the rigs

NEWELL 1990

NEWELL 1925

during the summers.

While attending Texas, Matt was planning a career in the cotton industry, considered to be the "glamour industry" in the early 1920's. After a closer look, Matt made what he laughingly refers to as, "A purely economic decision." It seems the cotton industry was paying \$50 a month for 15 years experience and he could make \$5 a day roughnecking, so roughnecking it was.

He went on to become one of the best known men in Alberta's oilpatch after deciding to make Canada, and in particular, Calgary, his home for the last 60 years. A legendary oilman with his southern drawl still intact, he is unmistakeably a long tall Texan with a heartwarming smile and a quick wit. When asked the rhetorical question, "They tell me you're famous", Matt grins and replies, "Oh, well —that's because I am big and ugly, so people would remember me!". He is a gifted story teller who paints a wonderous, colourful picture of the early days in the oil industry. As for his history in the oil business, he often refers to his "love of exploration" and it becomes apparent as to just where the saying Black Gold, Texas Tea originated.

Matt is best recognized for his innovations in the drilling industry. He is one of Alberta's earliest oilmen and is credited with introducing what one might call "modern ideas" in the 1930's and 40's converting rigs from cable tools to rotary. When he and a partner formed Newell and Chandler Drilling in 1937, they made it the first drilling company in Canada to take turnkey contracts. He then joined Charter Oil Company in 1952 as Executive Vice President where he became the prime originator of the idea for the Northern Ontario Natural Gas Company — later known as Norcen, a multi-million dollar enterprise. Once this goal was accomplished, the urge to become an independent was just too strong, and he has since been involved in a variety of oil and gas ventures.

A multi-talented man, Matt has achieved great things in his lifetime. All told though, his most endearing achievement is the special way in which he has touched the lives of all those he comes in contact with. He has a marvelous, positive philosophy that he applies to everything in life. When asked what brings him the most joy in life, he beams and replies, "I love to help people." He believes in people's inherent

strength to pull themselves through even the toughest struggles and has given countless hours of his time to counseling those in need. Through his insight, inspiration and deeplyfelt understanding, he has changed many people's lives — helping them to help themselves. His dedication to the problems of others has been ongoing for many years, all without praise or recognition, and for which none was ever asked.

Newell, 85, and is still going strong. He spends much of his time promoting awareness of the dangers and treatment of alcoholism as well as continuing to wheel and deal in the oil industry. Now one might ask, how does he do it? To what does he attribute this zest for life? Quite simply, Matt is a strong believer in the power of the mind and the importance of creating a relastionship with what he calls the higher power, a power he believes exists in every single one of us. He has studied and lived by this belief for a good part of his life, and is absolutely convinced that we can get everything in life we can imagine, as long as we understand the basic priciples of the power of our mind and be willing to do what it takes to work towards our goals.

Former Principal Popular Columnist

Dr. Robert Wallace, Jr. (Knox '58), a former basketball coach, teacher, principal and high school counselor, now writes a weekly syndicated column for teenagers that appears in over 300 newspapers.

Move over Ann and Abby! The upcoming generations have a new confidant.

His name is Dr. Robert Wallace, Jr. (Knox '58) and his weekly syndicated column, "12 to 20" appears in over 300 newspapers in the United States and Canada. The question-and-answer column offers insights to teen readers.

Wallace is a former basketball coach, teacher, principal and high school counselor who brings to his column plenty of experience along with what he calls a "deep love and respect for teenagers who are more honest, open, interesting . . . than any other group of people."

He started writing the teen column in 1976 locally for the *Orange* County Register and the feature caught on. Soon other area newspapers were interested and in February, 1977, the column was syndicated by Copley News Service in San Diego.

The column continued to appear

in more newspapers so Wallace had to quit his job as high school principal in Garden Grove, CA, to devote more time to the column in 1980.

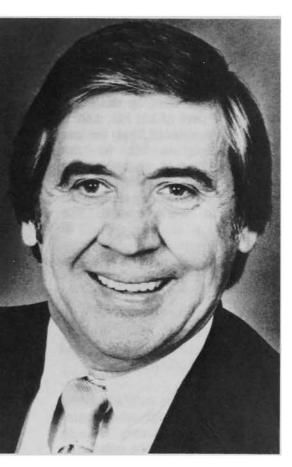

In May, 1989, he switched syndicates and is now represented by the Tribune Media Services located in Orlando, FL.

The column generates about 5,-000 letters weekly from concerned teens and appears in many major newspapers including the *Detroit*

Continued on Next Page. . .

News, Denver Post, San Diego Tribune, Baltimore Sun, Dallas Morning News, St. Paul Dispatch, Albuquerque Journal and the Milwaukee Sentinel. The letters range from how to eliminate bad complexion to threats of suicide. All letters are taken seriously. When a teen decides to write to the column, the teen has a problem and needs help according to Wallace.

The column is written six days a

WALLACE

week. Some newspapers carry it all six days while others choose to run it less often. "Because of my close association with teens, I am fortunate to be a consultant at Healthcare Medical Center in Tustin, CA, in the drug recovery services for teens," he said.

The problems he sees now from the letters he gets weekly — and he sees every kind — really don't indicate teenagers are any worse than they were 10, 20 or 30 years ago. The basic problems are the same.

Their No. 1 concern, he says, is dating and sex, followed by family problems; personal problems, including peer pressures, looks, school and teachers; and goals, future employment, and marriage.

Lowest on the list, but certainly the most serious, are the problems that deal with "the desire to self-destruct" — those who are on drugs, those with suicidal tendencies, and runaways.

It is the latter group that Wallace takes special interest in, and no matter how time consuming it can be, he, not one of his three full-time secretaries, takes time to answer those letters personally.

Mainly, he says, he draws upon his own experience as an educator, counselor and father of a son and daughter, both in their early 20s. But when he sees the need, he contacts other professionals — psychologists, doctors and ministers.

"The most dramatic problems, the ones I key on, are the suicide threats, molestation, runaways, he said.

Wallace immediately informs the local crisis hot line or newspaper, disclosing the author's identity if he knows it, with an urgency he said he learned through tragedy.

When he first started writing his column, he got a letter from a boy who threatened suicide. He consulted a school psychiatrist and several other professionals and "came up with an extremely fine answer," which was published two weeks later, he said.

"I got a call from his mother, explaining that she appreciated my concern, but that the boy had hanged himself in the garage. A 14-year-old boy. It made me realize immediately that what I was doing was very serious, very important. It also taught me, when you hear a cry for help, the key isn't a therapeutic reply. It's saying, 'Hey, I care. Somebody out here is listening.'"

Wallace refers about two suicide letters a month and generally doesn't learn the outcome of his intervention. But once after a speech in Portsmouth, Ohio, a girl identified herself as the repentant author of a suicide note.

Wallace said he employs no professional consultants, but frequently replies to a teen's letter with the letter of other teens who faced the same issue.

For instance, when a 16-year-old girl wrote that she and her steady boyfriend were planning to have sex, Wallace responded with a letter from a 17-year-old girl who explained that she and her steady boyfriend decided to wait because "having sex was a gamble."

Teen sex is "a dynamite situation and in almost every case, it's the girl who loses," Wallace said. "Our society is still set up, unfortunately, so that we tend to smile when boys get involved in sexual activity and frown when girls get involved. And, of course, the girl is the one who becomes pregnant and faces that horrible, horrible situation of loneliness and 'What do I do?"

Teens won't necessarily accept any adult's view about sexual morality, he said. But like the issues of using drugs or alcohol, "they need to know that not everyone is doing it" to combat what he termed "tremendous peer pressure."

Born in Gary, Indiana, he graduated from Knox in 1958, and began his career as an educator in Creston, Illinois. Wallace later was a teacher and administrator in Garden Grove and Pacifica, CA. He received his doctorate in education from Western Colorado University.

He currently serves Knox on its board of trustees.

CORRECTION

In the Winter issue a list of initiates eligible for the Golden Legion was published beginning on page 28. On page 29 Indiana Alpha appears twice. The first listing should be for Idaho Alpha instead. We apologize for this error and encourage alumni listed from this chapter, as well as all chapters, to follow up on this list so they can receive their Golden Legion pins and certificates.

CENTRAL FLORIDA

The Central Florida Alumni Club held it's initial fund-raising event, a golf outing, at Winter Springs Country Club in early November. The winning foursome in the best ball scramble at 14 under was made up of four brothers from Florida Beta (Rollins College) that included Brian Waterhouse ('85), Bill Southwick ('85), Tom Powell ('85) and Joe Raymond ('83).

Brothers Tom Davidson (Rollins '83), Brian Waterhouse (Rollins '85) and Jon Sales (Jacksonville '70) co-chaired this event which raised \$310.00 for the Crisis

Nursery Project.

Monthly luncheon programs during the Fall offered fellowship as well as a variety of excellent speakers. In September we heard all about the Crisis Nursery Project from their spokesperson Debra Lamm. Brother Mike Walsh (Akron '58), a prominent local attorney, spoke on Florida's divorce laws at our October meeting. November's speaker was Assistant State Attorney Richard Parkinson, a specialist in child abuse law enforcement.

Membership chairman John Mischuck (UFC '88) reports that we just picked up our 76th paid member. This represents excellent growth in only seven months of operation. All Central Florida Phis are encouraged to join us as we move forward in reestablishing a viable and active Alumni Club. Contact Brother Mischuck (407) 898-8872 or Howard Stockton (904) 394-1453. — Howard Stockton

FORT LAUDERDALE_

The Phi Delta Theta Alumni Club of the Fort Lauderdale, Florida Area, Inc., recently helped collect parking fees at the Ft. Lauderdale Fall Boat Show for the benefit of the Florida Ocean Science Institute (FOSI), the Club's community service project. The show was held on October 26-30 at the Bahia Mar Resort & Yachting Center.

FOSI is a juvenile rehabilitation program that uses a marine-oriented approach to rehabilitation. Since adopting FOSI as a community service project in October, 1987, Phi Delta Theta Alumni Club of Ft. Lauderdale has helped raise over \$41,000 for FOSI.

The 37 Phi Delts who participated were, Guy Karr (University of the South '50), Bob Slatterly (Union College '40), Bob Poage (Florida '48), Bob Hoysgaard (Wisconsin '63), John Srofe (Hanover '79), Hugh Harris (Florida '49), Lowell Boggy (Indiana '47), C.B. Pope (Wisconsin '59),

THE WINNERS: Brian Waterhouse (Rollins '85), Tom Powell (Rollins '85), Bill Southwick (Rollins '85) and Joe Raymond (Rollins '83) were the winning foursome at the Central Florida Alumni Club's golf outing.

Mike Cole (Florida '65), Brett Bass (Auburn '80), Dave Isenberg (Florida '71), Rick Forum (North Carolina '66), John Martin (Miami-Florida '83), Ted Woodburn (Florida State '81), Rob Middlemas (Tennessee '68), Dick Frederick (Florida '59), Phil Drake (Florida '58), Jim Shopoff (Ohio State '75), Tom Wheelan (Iowa '83), DeWitt Casey (Knox '54), Terry Tarasevich (Clemson '78), Bret Scoville (Kansas State '84), Lee Gorodetsky (New Hampshire '83), Larry Serlo (Florida '81), David Forman (Vanderbilt '59), Jack Korthals (Ohio State '70), Skip Grkovic (Colorado State '71), Bob Allen (South Florida '74), Mark Butler (Florida '74), Steve Rea (Pittsburgh '81), Wes Parrish III (Florida '86), Wes Parrish II (Florida '62), Dan Maier (Florida State '81), Drew Frazer (West Virginia '57), Ken Banks (Florida State '86), Steve Rose (Florida State '83), and Jim Martin (Florida '53).

For the fourth year, the club had a booth at Promenade in the Park during the week-

end of Nov. 10, 11 and 12.

The booth's purpose was to promote community awareness of Florida Ocean Sciences Institute, Inc. (FOSI) and the Phi Delta Theta Alumni Club's affiliation with FOSI as its community service project.

Twenty-nine Phis participated by handing out over 2,000 FOSI brochures and asking attendees to sign up for a drawing on a deep sea fishing trip and a donation to FOSI. The Phis included Dan Williams (Ohio '68). Jack Friedrich (Florida State '81), Steve Rea (Pittsburgh '81), Mike Stewart (Virginia '68) Larry Wilson (Miami-Florida '72), Charlie Hokanson (Syracuse '67), Jim Martin (Florida '53), Jim Zitch (Penn State '75), Bruce Quailey (Penn State '71), Dave Isenberg (Florida '71), Cliff Roberds (Georgia Tech '53), Tom Edwards (Missouri '46), John Bloom (Florida State '78), Tom Copulos (Emory University '84), Ted Woodburn (Florida State '81), Mala and Jamie Meehan (Florida '85), Tim Welch (Florida '87), Reba and Don Schaffer (Lafayette '54), Bob Allen (South Florida '74), Lowell Boggy (Indiana '47), Dave Choate (Northwestern '58), Larry Serlo (Florida '81), Jim Leonard (Florida '50), Don Lampe (Cincinnati '51), Phil Drake (Florida '58), Tom Byrd (Florida '56), Don Grant (Flordia State '81), and Bob Hoysgaard (Wisconsin '63). Paul Marko (Florida State '83) and Craig Voight (Miami-Florida '69) did their usual fine job of organizing this event.

Eight hundred and thirty two dollars (\$832.00) was raised for FOSI. The money raised will be used to pay for a Christmas dinner and presents for the kids in the FOSI program.

Jerry Lata of Hollywood was the winner of the deep sea fishing trip provided by FOSI.

On Nov. 18, the club had their annual Fall party at the intracoastal home of Mike Metcalf (Arkansas '68) and his wife, Diana.

CENTRAL FLORIDA: Closer relations are developed as President Howard Stockton of the Central Florida Alumni Club visits with the UCF Florida Iota chapter leaders. They include President Bob Spycholsky, Stockton, Rick Schildwachter (UCF '85), chapter adviser, Alumni Secretary Sam Coniglio, Treasurer Dave Van Sickle and Vice President John Mimbiole.

CENTRAL FLORIDA: Howard Stockton, club president, presents a check for \$310 to Marilou Stones from the Crisis Nursery Project. The money was made from a golf outing.

FORT LAUDERDALE: C. B. Pope (Wisconsin '59), Lowell Boggy (Indiana '47) and Mike Cole (Florida '65) participate in the Fort Lauderdale Fall Boat Show.

One hundred seventeen (117) Phis, their wives and guests were treated to entertainment and a full course of dining, including oysters and other seafood, hors d'oeuvres, salad and beef.

We even had two Phis from Sarasota drive over to enjoy our hospitality — Pat Watson and Russell Thomas.

BROWN INITIATED

Patrick D. Brown was belatedly initiated at Florida State University on Oct. 26, 1989. Pat had originally pledged the fraternity at FSU on Sept. 20, 1976.

Due to the illness of his father, Pat withdrew from school and never returned to finish his education at FSU.

Pat remained close to the members of the Phi Delt Chapter at Florida State and they referred to Pat as "Phikeia" over the years. Since he had completed his pledgeship, Pat was eligible to be initiated "after the fact".

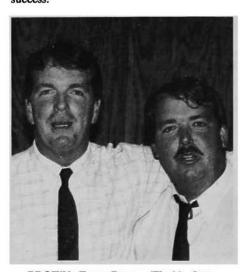

During the "long weekend", Pat was joined by his brother, Robert T. (Terry) Brown (Florida State '82 and FSU Bond #816) and about 20 other brothers at his initiation which was followed by a golf outing and FSU's 24 to 10 victory over the University of Miami Hurricanes. Mike Gavalas (Florida State '72), the FSU Chapter adviser organized and conducted the initiation.

The Fort Lauderdale Alumni Club was instrumental in getting Pat initiated and this is the second instance of an "old Phikeia" being initiated into the Brotherhood because of the club's efforts.

By the way, Pat (Florida State '78 and FSU Bond #1107) is now a dues paying member of the Ft. Lauderdale Alumni Club.

PHILADELPHIA

This year has been an outstanding year for the Philadelphia Alumni Club. Paid membership is up, and monthly happy hour is well attended. The two major events held so far this year had been a tremendous success.

BROWN: Terry Brown (Florida State '82) celebrates with his older brother, Pat (Florida State '78) after Pat's recent initiation.

FORT LAUDERDALE: Cliff Roberts (Georgia Tech '54), Dan Wade, FOSI staff member, Tom Edward (Missouri '46), Ted Woodburn (Florida State '81) and Tom Copulos (Emory '84) participate in the club's fund raiser at Promenda in the Park for FOSI.

Our first major event was our annual Founders Day Dinner held in conjunction with the University of Penn Zeta chapter. Through the superb efforts of club vice president Sandy Devenev (Penn State '70) and Penn Zeta alumni chairman Bill Glazer, the dinner was held at The Gold Standard on Penn's Campus with over 90 brothers and guests in attendance.

What made this dinner special was the fact that for the first time brothers from Widner University, West Chester University and Rutgers University were also in attendance with the fine contingent from University of Penn. Our guest speaker was Ronald Garon, Beta Province president, who filled us in on the expansion of the Fraternity in the North Jersey area through the installation of the first chapter in New Jersey at Rutgers University. Also, through the efforts of former Philadelphia club member Fred Stribling, who had served us on our executive committee, there is now a New Jersey Alumni Club. Should you know any brothers in this area have them contact Fred at 201-603-2433 or 201-359-3664 for further

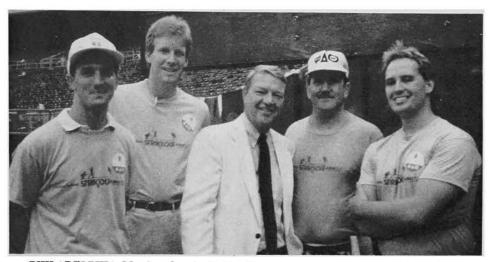

This year's Distinguised Phi Award went to Jim Johnson, who unfortunately was unable to attend the dinner due to prior committments. This award is given to the Phi who exhibits the greatest service and dedication to their profession, to the community, and to the Penn Zeta chapter. In the absence of a chapter consultant, Brother Johnson provided his leadership and guidance to the chapter in one of their most active and trying years. Our congratulations to Jim Johnson on a job well done.

Another point of note for the club this year was the adoption of a charitable organization, the Greater Philadelphia Chapter ALS Association. ALS stands for Amytrophic Lateral Schlerosis, better known as Lou Gehrig's Disease. The past few years, the alumni club has been looking to allign itself with a charitable organization to improve and implement our community service aspirations. ALS (Lou Gehrig's Disease) is a fatal neuro-muscular illness, affecting adults in their prime.

Both film star David Niven and Senator Jacob Javits died from the disease. Stephen Hawking, hailed as "one of the greatest living physicists," currently has the illness. Many who have it lose the ability to walk, talk, eat and finally breathe. There is no known cause, and at the present time, no cure. Our first joint venture with the association was to provide alumni volunteers to work The Philadelphia Phillies Wives Auction for the benefit of ALS at Veterans Stadium.

The Association hosts support groups and seminars, provides patient services, rasies funds for research, and sponsors, through the generosity of Phillies Wives, the Hahnemann Hospital ALS Clinical Services Center. This annual event this year raised

The Pittsburgh Alumni Club held its annual golf outing on June 21, 1989 at the Champion Lakes Golf Course in Bolivar, PA (7 miles North of Ligonier on PA 711).

This was the 11th year in a row without rain, but it sure was close — it quit 15 minutes before tee time and out came the sun. In spite of the threatening weather we had 44 golfers — 19 Phi Delts plus 25 guests.

Our oldest golfer was George Stewart (Pitt '20) at age 90. He has not missed many of our outings. Our long distance travelers were Jim Stopford (Pitt '51) from Cincinnati and Charlie McDonald (Pitt '51) from Erie.

Rick Ban (Ohio '72) had a low gross for the Phi Delts with a 79 and Joe Bonistalli, guest of John Geis (Purdue '53) had a low gross of 83 for guests. Jim Stopford had a low net for Phi Delts of 75 and Mike Ricketts, guest of Bill Wrenshall (W & J '41) had a low net of 73 for guests.

Dave Heininger, guest of Bill Wrenshall had longest drive on #15. Bob Jewell, guest of George Stewart had closest to the pin on #3, Harry Sanford, guest of John Geis had closest to the pin on #7 and #14, and Jim Pitcairn, guest of George Stewart had closest to the pin on #11. Bob Maloney, guest of J. Howard Womsley (Dickinson '57) had longest putt on #9 and Norb Haas, guest of John Geis had longest putt on #18.

Golf was followed by fun and fellowship with a fantastic steak dinner and prizes were awarded by golf chairman John Geis. Guests did a lot better than the Phi Delts. All golfers received one golf ball to help replace balls driven into the lakes.

The 1990 outing date is set for June 13, 1 p.m. shotgun start at Champion Lakes.

ST. PETERSBURG BEACH

We started the year with our usual officers installation banquet held at the Pass-A-Grille Yacht Club on Sept. 29, 1989. We saw outgoing president Bob Morgan turning the butt and gavel over to the incoming president Walter Pearson.

Tom Martin was installed not only as vice president but continues in his everinspiring role as chaplain. After the installation ceremony, Walt Pearson presented

PITTSBURGH: Darren Davies (IUP '86), Tom Stanton (Arizona State '64), Bob Blachley (Miami-Florida '69) and Jim Mashey (IUP '87) teamed up at the club's golf outing.

PITTSBURGH: Enjoying the club's golf outing are Bob Jordan (Iowa State '46), George Herrington (Pitt '47), Jack McCluskey (Maryland '69) and Lou Ermer (Maryland '69).

Bob Morgan with a very attractive plaque in recognition of brother Morgan's excellent contribution to the club this past year. We had a good turn-out in view of the fact that there are still a large number of brothers who have not yet returned from their northern homes. We expect everyone to be back on board for our next business meeting in October.

We also had the pleasure of brother Ed Hopper, president of Chi-Province, presenting to brother Randy Gartz, a certificate in recognition of his outstanding service as chapter adviser at the University of South Florida, Tampa.

The club started a series of it's first newsletter this year with Walter Pearson being it's first publisher, editor, and writer with great success. The newsletters reached over 200 Phi's residing in Pinellas County. A direct result of his efforts accounted for twelve new members joining us this year. They are as follows: Douglas L. Devos, Mark R. Lewis, Douglas R. Holland, Robert A. Tidball, Joey O. Obordo, William A. Emerson, Kenneth J. Lund, Roger A. Hurley, H. Paul Koebrugge, William Griffin, Joseph W. Bradham, Jr.,

and Randy J. Gartz.

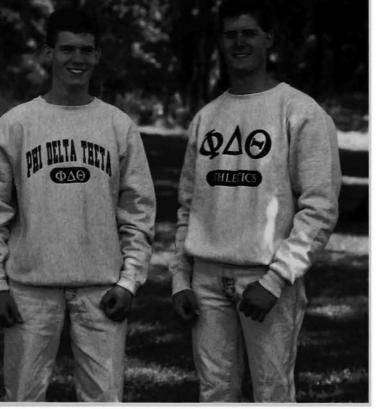

We were happy to introduce Paul Koebrugge and his lovely wife, Hamilton and also Doug Devos and his lovely wife Shirley at the banquet.

At our recent banquet brother Bill Houser explained, at times with great emotion, about their airplane crash in the Bahamas. It was stirring and also gratifying that Bill and his wife Linda came out of it QK. Their Piper Aztec crashed shortly after take-off in about 20 ft. of water off an island in the Bahamas. They were on a vacation with three others and were just winding down their three week vacation of diving, fishing and relaxing on a 43-foot sailboat.

Due to poor weather stateside their scheduled return flight was cancelled, so they decided to return to St. Petersburg by private plane. Trouble began only a couple of minutes after take-off from the landing strip at Walker's Clay. The right engine failed and the plane went down. Everyone struggled to get each other out. However, it was Linda Houser who was the last to escape despite heroic efforts by Bill and others. As Bill said, it was the hand of God that

literally went into the water and pulled her out. After being in the water about ten minutes they were rescued by residents of Walker's Clay who saw the crash.

They had to overcome any new fear of flying because they were flown to Freeport for medical treatment and then to West Palm Beach and then home to St. Petersburg. We are all thankful there were no serious injuries. Linda will require some follow-up plastic surgery on her forehead but thank Heaven she is fine otherwise.

Our bridge luncheons will kick off November 17th at Baypoint Country Club and will continue monthly to April 27, 1990. We are looking for increased attendance at this very popular afternoon affair.

During our Yuletide Feast, held on Dec. 21, 1989, at the Pass-A-Grille Yacht Club, we had a ceremony on the presentation of the Silver Legion lapel pin. The ceremony was prepared and delivered by Brother Dean M. Hoffman, II. This was our second annual presentation of the Silver Legion pin.

Housing Major Area of Concern

The General Council, under the direction of President J.W. "Bill" Stitt II, has identified chapter housing as an area of concern to the Fraternity.

Several years ago, the General Council created the position of Housing Commissioner and appointed Stanley D. Brown PPGC to the position. Under Brown's leadership the Fraternity published the House Corporation Guide, which contains all the information necessary to successfully organize and run a fraternity house corporation and was one of the first such manuals in the fraternity world.

Brown's term also saw the creation of the insurance task force and a number of other programs to help chapters develop sound risk management. Upon Brown's retirement

DALHOUSIE: The chapter house at Dalhousie is very typical architecture in that part of the world. The undergraduates are very proud of their home.

as Housing Commissioner, the General Council appointed C. Talmadge Bray, the immediate past president of the General Council and a commercial real estate broker, as Brown's successor.

Since Bray's appointment, the Fraternity's commitment to housing has continued and includes a new risk management inspection of all fraternity houses, continued updating of the House Corporation Guide, and the beginning of three very significant new programs.

ATTENTION HOUSE CORPORATIONS!

The trustees of the Walter B. Palmer Foundation have announced a program to reimburse the \$150 registration fee for one alumnus representative (a member of the house corporation or chapter adviser) for every chapter in the fraternity to attend a National Interfraternity Conference workshop on house corporations.

The dates and locations of these workshops are:

Mar. 9-10, 1990—Washington, D.C.

April 20-21, 1990—Kansas City, Missouri

This is an effort to foster a strong, effective housing corporation in every chapter. The trustees attended this NIC-sponsored workshop earlier and came away convinced that it would be something very beneficial for house corporation members.

A complete brochure describing the workshop, the location schedule through the spring of 1990 and the procedure for reimbursement of the registration fee is available from Rusty Richardson, director of alumni services at the general headquarters.

HOUSING HELP PILOT PRO-JECT: The Housing Commissioner, assisted by the Headquarters staff, has identified 10 chapters to participate in the pilot project. These chapters will receive help and advice in addressing their housing problems. The chapters initially identified are located at California Polytechnic State University, San Diego State University, the University of Illinois, Eastern Kentucky University, St. Louis University, the University of Montana, Rutgers University, Southwest Texas State University, Texas A&M, and Marshall University.

These chapters represent a variety of situations and were selected after careful study. Should your chapter be in need of help and advice in the areas of housing, you should contact Brother Bray or Rusty Richardson at the Fraternity Headquarters.

REAL ESTATE INVESTMENT TRUST (REIT): Commissioner Bray has also undertaken a study of organizing a REIT to develop a new way of funding fraternity housing. The results of his work were reported to the members of the General Council, Palmer Fund and Educational Foundation at the General Officers Conference in February of 1990.

MURAL: Jeff Eppler of Missouri Epsilon painted this mural on a wall in the basement of the chapter house. It took him four days to complete. He is from Kirkwood, MO.

Utah Celebrates 75th Anniversary

BY THOMAS N. ARNETT, JR. (Utah '69)

Without engaging in hyperbole, it is a fair statement that the celebration of the 75th Anniversary of the Utah Alpha Chapter of Phi Delta Theta was the most outstanding event in our history. The memories of this weekend extravaganza will live on for years to come in the minds of both Golen Legionnaires right down to our newest pledges.

The weekend began with an open house at the Utah Alpha Chapter House located at 85 S. Wolcott Street. Since the house was constructed in 1962-63, many of the Phi alumni who came from out-oftown were seeing it for the first time. All alumni had been invited to bring their wives, children, and significant others with them.

The open house was an outstanding success. Phis who had not seen each other in more than 25 and 30 years were yelling out names across a crowded room in stunned recognition. University of Utah yearbooks were the source of many exclamations and the recurring statement that "we couldn't have been that young". The open house began at 4 p.m. and was scheduled to end at 7 p.m. but the alumni were still busy exchanging stories and remembrances. The last alumnis left around 9 p.m. and were busy arranging their own reunions into Friday evening.

The 1989 Founders Day Dinner/ Dance in honor of our Diamond Anniversary was held on Saturday, April 8, at the Red Lion Hotel in downtown Salt Lake City. The Grand Ballroom looked almost like a general convention, with Phi

Delta Theta flags hanging down the length of the ceiling. The evening began with a social hour, allowing the alumni, undergraduates and dates to mix and mingle and enjoy the ambiance of the large ice sculpture containing the Greek letters for Phi Delta Theta and the numerals "75". Hor d'ouvres were served and a piano player provided entertainment.

The doors to the Grand Ballroom were opened at 7:45 p.m. and dinner began at 8 p.m. The program was begun at approximately 8:45 p.m. by Thomas L. Rich ('68), president of Utah Alpha's house corporation. Tom conducted the Golden Legion ceremony and inducted brothers Max A. Perry ('26), H. Glen Olson ('29) and Horace N. Whitney ('34). Also being inducted was brother Richard S. Pollock ('31), who could not be present due to illness, but who was represented by his brother William R. Pollock, Jr. ('28), who had previously

received his own Golden Legion from the Greater Milwaukee Alumni Club. Brother Olson was sponsored by his son Richard G. Olson ('66). As always, the Golden Legion ceremony was a moving event and concluded with a spontaneous standing ovation.

Following the Golden Legion ceremony, Brother Rich conducted the Silver Legion induction ceremony. We were honored to have 23 inductees into the Silver Legion. They were: J. Raybould Keate ('44), Gordon D. Simpson ('48), John W. Bowen ('50), Thomas E. Dublinski, Jr. ('52), Malcolm C. Brown ('54), Barton L. Smith ('56), Noel L. Peacock ('57), Darrel K. ('66), James J. Bailey ('66), Charles F. Reinhardt, Jr. ('67), and Robert W.P. Wilson ('67).

Brother Pastrell was sponsored by his son, Pete Pastrell ('92), Brother Karabats was sponsored by his son Pete Karabats ('92), and Brother Marchetti was sponsored by his son Mike Marchetti ('92). The new Silver Legionnaries also received a standing ovation from the approximately 310 persons in attendance. This was almost double the largest attendance we have ever had at Founders Day.

The program then concluded with the presentation of our annual awards. Thomas N. Arnett, Jr. ('69), Utah Alpha chapter adviser, presented Phi of the Year to Darren DeFrain (89), who had served the chapter well as historian, judicial chairman, pledge trainer, warden and pledge master. Brother Arnett then presented the Gary D. Palm Rally Man Award to Gordon E. "Buff" Harmston III ('90), the current chapter vice president. M. Scott Mietchen ('84), the general chairman in charge of our Diamond Anniversary celebration and the person most responsible for its success, then gave a report on the J. Williard Marriott Education Foundation. Chapter president Richard Salter ('90) presented the 1989 White Carnation Princess, Susie Bradshaw, a member of Kappa Kappa Gamma. Richard then presented the Edward J. Whitney Alumnus of the Year Award to Guy W. Goddard ('70) in recognition of all his hard work as a member of the Board of Directors of the house corporation and his work on the 75th Anniversary Founders Day organizing committee. The program ended with all of the Phis present joining arm-in-arm and singing "Brothers in the Bond"

For the remainder of the evening, Phis and their guests enjoyed music from the Eddie Haskell Band, with dancing on the dance floor, and much reminiscing among the alumni. A separate room had been arranged so that alumni could talk and tell tall tales without having to shout over the music.

For those Phis who were in attendance, the special nature of this Founders Day observance will never be forgotten. For those Phis who could not be there, we encourage you to begin planning now for

UTAH ALPHA: Twenty-three new Silver Legionnaires were installed at the Utah Alpha reunion.

Founders Day 1990. Our brothers in attendance at Founders Day have grown every single year and we want to keep up this great tradition. If you are planning to attend Founders Day 1990 or particularly interested in joining a reunion group, please write to the Alumni Secretary, Phi Delta Theta, 85 S. Wolcott, Salt Lake City, UT 84102.

UTAH ALPHA: Thornton D. "Spider" Morris ('26) visits with William R. Pollock, Jr. ('28) during the open house conducted as part of the reunion weekend.

UTAH ALPHA: Three generations of Phis present at the Utah Alpa reunion were Gordon E. Harmston (Colorado College '40), Gordon E. Harmston, III ('91) and Gordon E. Harmston, Jr. ('65).

Sixteen Phis Achieve New Giving Levels

Since the Winter Edition of The Scroll went to press, sixteen additional Phis have advanced to significant giving levels and will be recognized by the Foundation. A full report, listing the names of all persons who have advanced to new categories during the 1989 campaign, will appear in the next edition of the magazine.

The Founders Club recognizes cumulative giving of \$10,000 or more, while the John McMillan Wilson Associate level represents the halfway mark enroute to the Founders Club level. The John Wolfe Lindley level acknowledges cumulative gifts of \$2,500 and the Council Associates category gives credit for generous giving which totals at least \$1,000.

All contributions to the Foundation are tax deductible and are used to enlarge the endowment for member services, including scholarships, the chapter consultant program and the Fraternity's popular Leadership College. New club members since the last edition of The Scroll are listed below.

The Ontario Gamma Colony at McMaster University in Canada was formally inducted on Oct. 29, 1989 at Hamilton, Ontario, between Toronto and Niagara Falls.

Brothers from Ontario Alpha at the University of Toronto attended, as did members of an interest group from York University in Toronto. Fred Green, Alpha North province president, presided over the ceremony. Norm Allen, assistant director of chapter services, was also present. Rob McInnes, a former chapter consultant, has been named colony adviser by Green.

California Delta at Southern California has formed a new house corporation. The main objective will be developing a strong alumni program.

The chapter held its annual holiday dinner on the USC campus on Dec. 9. University President James H. Zumberge, a Phi, attended this event along with 250 Phis and family guests.

William E. "Chip" Drebes (Kansas St. '91) has been elected president of the Interfraternity Council at the University of Nevada, Las Vegas. A founder of the Nevada Beta colony, Chip is the first Phi to hold the IFC presidency.

Frank Vivirito (Indiana University-Pennsylvania '90) has been named "Mr. IUP" for 1990.

He was also named Mr. Congeniality, the sportswear and formal wear winner as well as Mr.

Missouri Alpha at the University of Missouri played host to 42 children at Ripley's Children's Center on Halloween, Oct. 31, 1989. The chapter sponsored a bus to bring the children to the chapter house which was fully decorated for the occasion.

Knox Phi Achieves Distinction

The Smith men are Phis through and through. George W. Smith (Knox '54) is one in a long list of Phi legacies, in which Smith's father is actually his brother...

Smith joined Phi Delta Theta in 1950 as a freshman at Knox College. Smith's father, Murray S. Smith Sr., is a Knox Phi, '25; Smith's uncle, the late J. Kelly Smith, was a Knox Phi, '22; Smith's brother Murray Smith Jr., is a Knox Phi, '51; Smith's son Dean is a Knox Phi, '81; and Smith's son, Grant, is a Knox Phi, '84.

Born in Des Plaines, IL, Smith graduated Magna Cum Laude with a B.A. in physics. He went on to earn M.A. and Ph.D. degrees in physics from Rice University in Houston, Texas. The doctorate was awarded in 1958. After earning his Ph.D., he continued as a Welch Foundation postdoctoral Fellow at Rice.

A respected member of the General Motors Research (GMR) Laboratories' staff, Smith became a GM Researcher in 1959. Currently he is a Principal Research Scientist and manager of the light control materials section in the Physics Department at GMR. His area of expertise is liquid and plastic crystals and he has authored more than 70 technical articles.

Smith's group was instrumental in introducing liquid crystal instrument panel displays to GM vehicles in the mid-1970s. Currently, the light control section is developing a

liquid crystal plastic film which can act as an electrically controlled light shutter. These films are potentially useful as privacy windows or variable sunroofs for automobiles.

SMITH Smith has earned the highest two honors bestowed upon GM Researchers. He was given the John M. Campbell award

in 1980 for his work on the "Physics of Liquid Crystals," and was honored with the Charles L. Mc-Cuen Special Achievement Award in 1985 for "Liquid Crystal Display Technology for Automotive Instrument Clusters."

Since 1963, Smith has served as a lecturer in astronomy and physics at the Cranbrook Institute of Science in Bloomfield Hills, Michigan.

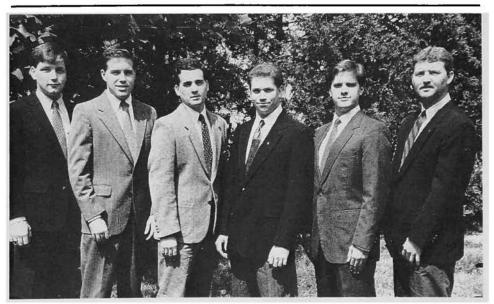

Smith belongs to the American Physical Society (APS) and Sigma XI. He was elected a Fellow of the APS in 1974. In 1977 he received the Knox College Alumni Achievement Award. His father had previously been honored with the same award from Knox, and they became the first father and son team to earn that honor in Knox history.

Smith married Mary Lee Sackett in 1956. Mary Lee is also a graduate of Knox College, and she is a member of Alpha Xi Delta. Dean, 30, is in business for himself in Seattle, Washington, and Grant, 27, recently earned his master's degree in geology and plans to return to graudate school.

George and Mary Lee were Phi Beta Kappas. George was one of a very few junior class men who were so awarded at that time. He was the second GM Researcher to win both the Campbell and McCuen Awards. He is listed in "Who's Who In America."

New Appointments

Newly appointed chapter advisers since Sept. 10, 1989 include Christopher M. Wichlep, Texas at San Antonio Colony; Christopher S. Talbot, Michigan State; Charles E. Wicks, Oregon State; R. Greg Hardy, Dalhousie; Robert E. Clifton, Indiana State; Leonard C. Smith, University of Washington; Mark A. Clark, Drake; Richard Sanders, McGill; Kirpual K. Sangara, British Columbia; Robert W. Stevens, Whitman; Christopher M. Hartwyk, Rutger; Mark E. Young, Bentley; John J. Thorp, Northwestern; Robert S. McInnes, McMaster Colony; Mark L. Jaggers, Colorado College; Michael S. Allocco, South Florida; Bruce H. Barkwill, Florida; Robert D. Ballinger, Western Maryland; Clark R. Acton, Michigan; Bradley K. Gearhart, Oregon; Andrew A. Lund, University of Victoria; and Robert A. DiRita, Widener.

CONSULTANT STAFF: The consultant staff at headquarters that served during the Fall, 1989 includes Norman Allen (Pacific '88), assistant director of chapter services; Abraham Cross (Tampa '88), Charley Pride (Western Kentucky '89), David Wilch (Kearney '88), Jay Peterson (Mankato '88) and Jeff Dillon (Kearney '87).

DAVID D. BANTA LIBRARY

Russell Jack Smith, (Miami-Ohio '36). The Unknown CIA: My Three Decades with the Agency, 1989, pp. Pergamon-Brassey's, Washington, DC. Author.

The Unknown CIA brings the reader into the hidden world of the scholars, researchers, and analysts who provide the facts upon which U.S. national security decisions are based. During Dr. Smith's remarkable career, he witnessed from within the CIA such watershed events as the U-2 incident, the Bay of Pigs invasion, the Cuban missile crisis, and the Vietnam War. He portrays the key players — the Dulles brothers, LBJ, Nixon, the Kennedys, Helms, McCone, Raborn, Colby, and others — with candor, humor, and insight about the politics of Washington decision-making.

Richard Helms, former director of the CIA from 1966 to 1973, has this to say about The Unknown CIA:

"(Smith's) qualifications for detailing the beginnings and the maturing of CIA's analytic service are exemplary. He was present at the founding of the Agency in 1947 and worked closely with all the directors of Central Intelligence, including myself, for the ensuing quarter century. He directed the work of CIA analysts during the Cuban Missile Crisis, the Arab-Israeli Six-Day War, and the innumerable highs and lows of the Vietnam War. He relates the role of CIA in each of these historic events with rich and vivid detail.

"Perhaps the greatest service this book performs is to portray the workaday operations and internal atmosphere of the Agency. It describes, with the pride of an intelligence professional, the unwavering objectivity and dedication to accuracy of the mostly unknown intelligence analysts. This is indeed "the unknown CIA."

Fianlly, here's a book that reveals what working for "the Company" is really like.

J. Tom Watson, Jr., (Florida '41). Sex and the Christian Teen, 101, 1989, pp. Baker Book House, Grand Rapids, MI. Author.

BEWSFRONTS

Andrew Gunn (Bowling Green '90) has been inducted into the Order of Omega, a Greek honorary society.

Brothers at California Kappa raised \$35,000 in donations to the University of California-San Diego Cancer Center with a Fun Run held during the fall semester 1989.

Texas Mu chapter at Southwest Texas has become the second chapter on campus to be officially inducted into the local chamber of commerce. Members also recently participated in the Tangram Ten Kilometer Fun Run and the campus Alcohol Awareness Week.

The Kansas Gamma chapter at Kansas State has recently added a totally new kitchen and two bathrooms to its house. This contemporary handbook on teen sexuality candidly shows young people how to understand their sexual drive and how to use those powerful feelings to the best possible advantage. Sex as God intended is fully explained and the dangerous abuses and consequences of sex (premarital sex, homosexuality, and sexually-transmitted diseases including AIDS) are accurately described.

"In this day of uncertain sexual roles and standards, Tom Watson's book likely will provide

much needed stability for teenagers fortunate enough to read it." — D. James Kennedy, Coral Ridge Ministries.

Tom Watson covers the topic of sex candidly and thoroughly, yet restrainedly, in Sex and the Christian Teen, 101. He's provided a book Christian moms and dads will find helpful in instilling in their children not only necessary biological information but, perhaps more important, the Bible values so often lacking in sex education.

GC Members Join Order

Following the Nov. 11 meeting of the General Council in Dallas, four General Council members and three members of the headquarters staff were initiated into the Order of Omega.

Council member Ed Whipple (Hanover '74) serves as president of the Order, a Greek service honorary dedicated to honoring leaders in the Greek system. Assisting Brother Whipple with the ceremony were Kent Gardner, associate vice presi-

dent of student affairs at the University of Texas, Arlington, and two undergraduate members of Phi Delta Theta from the University of Texas, Arlington, Paul A. Arrendell and David T. Driggers.

The new Order of Omega initiates are J. W. Stitt, II, Frank H. Abernathy, Jr., Anthony H. Ambrose, Thomas L. Holling, Robert J. Miller, Robert A. Biggs and William R. Richardson.

CHARITY FOOTBALL RELAY: Texas Eta Phis recently held a 100-mile charity football relay in conjunction with their homecoming which concluded with the presentation of the game ball before a sellout crowd at the S. F. Austin-Sam Houston State game.

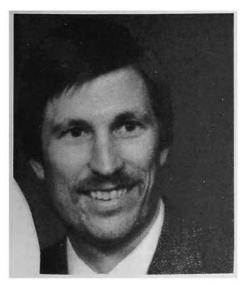

EDUCATIONAL FOUNDATION NEWS

In the past 36 years, scholarships, totaling \$621,827.50, have been awarded to undergraduate members of Phi Delta Theta. We are proud of our Foundation scholars and were are pleased to share with you information about what a few of them are doing professionally and in their comunities.

Scholarship grants have been made possible by the generosity of thousands of Phis who have made tax-deductible gifts to the Phi Delta Theta Educational Foundation.

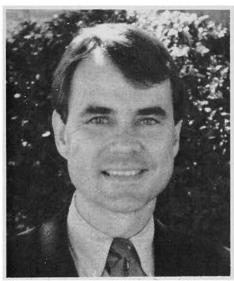

ROBERT F. WEIS

Robert F. Weis (Iowa '74) is now Dr. Weis, specializing in internal medicine. He was a Foundation Scholar in 1973. Following his undergraduate work, he entered the Iowa College of Medicine, where he received his advance degree, before becoming chief resident at the University of Missouri Hospital in Columbia. He has been in group practice at Muscatine Health Center in Iowa. He is an Iowa Affiliate Board Member of the American

WEIS

Heart Association and is chairmanelect of the Affiliate Faculty of the Iowa chapter, Advanced Cardiac Life Support system and has been president of the American Cancer Society in Muscatine.

MCLAUGHLIN

LESLIE G. McLAUGHLIN

Leslie G. McLaughlin (Kansas '73) was recognized as the Arthur R. Priest scholar by the Phi Delta Theta Educational Foundation in 1972. Following graduation from the Southern Methodist University Law School in 1976, he served his profession for two years in Dallas before moving to Midland, Texas, to enter the private practice of law, specializing in civil litigation, with emphasis on insurance defense. He is presently a director of the Midland County Bar Association and serves as chairman of the Grievance Committee for District 16B of the State Bar of Texas. Leslie and his wife, Jananne are the parents of three children.

ROGER A. BERGMANN

Roger A. Bergmann (Willamette

'66) was a 1965 recipient of a Foundation scholarship. After a two-year tour of duty with the U.S. Army following graduation, Brother Bergmann successfully met the requirement for a master's degree in business administration from the University of Nevada-Reno, at the same time teaching at the undergraduate level in the business school. He received the doctor of juris prudence degree from Santa Clara Law School in 1973 and is a member of the bars of both Nevada and California. He currently has his own law firm, specializing in business, real estate and taxation. He has remained active in Phi Delta Theta, participating with the Nevada Alpha chapter, primarily as a legal and financial adviser. He has also been active in the formation of a house corporation to assist the chapter. Brother Bergmann has been active in his community, having served as president of both his local Kiwanis Club and the Virginia (businessmen's) Club. He also serves as meet director for the Junior Olympic program in Reno.

Underclassmen Dominate Backfield

For the first time in the history of All-Phi teams the entire first team offensive backfield is composed of underclassmen — three juniors and a sophomore.

BY DR. JOHN DAVIS, JR. (Washburn '38) Scroll Sports Editor

For the first time in fraternity history the All-Phi backfield is composed of underclassmen. The quartet includes Tim McDaniel (Centre '92), Gary Gabbard (Hanover '91), Mason Pope (Washington & Lee '91) and Keith Tarter (Centre '91).

McDaniel, an All-CAC selection, rushed for 1,500 yards and 11 touchdowns. Gabbard, an All-Indiana Conference quarterback, passed for 2,400 yards and rushed for 411 more. He scored 29 touchdowns. Pope was an All-Old Dominion Conference choice. Tarter, an All-CAC wide receiver, became the school's top receiver in history with 1,300 career yards as a junior.

The honorary offensive linemen at ends are repeater Dave Colona (Duke '90), the only unanimous choice with 494 yards in receptions, and Bob Griswold (Northwestern '90), co-captain.

The other offensive linemen are Ben Griffith (Gettysburg '90), an All-Centential League choice; Mett McCartin (SMU-Penn State '91); Brian Tichy (Northwestern '92) and Steve Weber (Hanover '90), named

rushed for 522 yards and had 456 yards in receptions. He scored 11 touchdowns.

Tim O'Brien (Northwestern '90), a fifth-year senior, passed for 2,215 yards and 17 touchdowns. Wide receiver Pat Sprague (Puget Sound '91) had 406 yards in receptions and handled the team's punting.

The offensive line is composed of five seniors and a pair of sophomores. The ends are Brian Heidorn (Hanover '90), who had 403 yards in receptions, and Bill Reid (Lawrence '90). Repeating for the third consecutive year is Robert Kupbens (MIT '90). Rounding out the line are Mike Bell (Hanover '90), co-captain; Pat Pare (Hanover '90), a 275-pounder; Jeffery White (Arizona State '92), and 270-pound center Dave Wollard (Northwestern '92).

The second team backfield has a pair of unanimous selections—Robert Monks (Puget Sound '91) and David Snyderman (Washington-St. Louis '92). The other spot is filled by Harry Schiavi (Davidson '90).

The line is paced by a pair from Ripon — Terry Schroth ('90), captain, and Dean Poister ('91). Others include Ray Caton (Hanover '92), who had five sacks and nine tackles for losses; Mike White (Kearney '90), Dave Elder (Centre '91); and an *All-Phi* holdover, John Broeker (Northwestern '91).

The linebackers are paced by All-Phi holdover, Ken Whittmer (Washington-St. Louis '90), team co-captain who had 102 tackles; Luis Garcia (Case-Western Reserve '92), who had 100 tackles and was an All-University Conference selection; and Chris Collins (SMU '92).

opening session will include the introduction of past and present members of the General Council and an address by John W. (Bill) Stitt II. the current President of the Council.

General business sessions will be conducted each of the remaining days of the Convention. It is during these general sessions that the Convention delegates will be asked to consider several important proposed changes to the Constitution and General Statutes. The election of the new General Council will also be conducted during one of these sessions. The final general session will be conducted on Sunday morning and it will serve to conclude the Convention. The highlight of this particular session is the performance of the memorial ceremony for all of our Brother Phis who have entered the Chapter Grand.

In addition to the business sessions, the Convention will include a host of other activities which should interest everyone in attendance. On Friday, June 24, the Convention delegates will be able to participate in a series of workshops which will be conducted under the leadership of Arthur F. Hoge (Westminster '75). These workshops will be geared primarily for the undergraduates. A separate series of workshops will be conducted for the chapter advisers and alumni club representatives in attendance.

Three very special meal functions will also be of interest. The Free Enterprise Luncheon will be held on Friday, June 22, at which time an alumnus will be recognized for his outstanding contributions to the free enterprise system. The Awards Luncheon on Saturday, June 23, will focus upon chapters of the Fraternity which have excelled in various areas of fraternity management. Finally, on Saturday evening will be the Grand Banquet. The newly elected General Council will be installed and the Fraternity's highest awards will also be presented. A special media presentation will be made at the conclusion of this

banquet.

The alumni in the Kansas City area have already begun working to prepare several other special activities and events for everyone in attendance at the Convention. Kansas City and the 68th Biennial Convention truly promise to offer something for everyone. Begin making your plans now to attend and be a part of this outstanding Phi Delta Theta experience.

Date Rape — A Major Campus Problem

The best statistics on the subject indicate that rape is not most commonly a stranger-on-stranger crime. Instead, the typical rapist is someone known to his victim.

NOTE: The following is reprinted by permission of The Themis of Zeta Tau Alpha, Linda West, editor. It is furnished by the College Fraternity Editors Association's Editorial Services Committee.

BY JAMES D. SEWELL

Rape is one of the most feared personal crimes in today's society. For many women, especially in an urban environment or on a college campus, this fear manifests itself in the image of the hulking stranger, armed with a weapon, who materializes from the shadows. That fear further translates itself into a variety of methods of prevention: better locks in one's home, improved lighting around the residence, a sense of heightened awareness and assertive, precautionary behavior.

Yet, sadly, the best statistics on the subject indicate that rape is not most commonly a stranger-on stranger crime. Instead, the typical rapist is someone known to his victim. In the campus community, that offender is too often an acquaintance or, worse, a date. Yet, regardless of the relationship of the offender, rape by stranger or acquaintance is still sexual violence directed against women.

Over the last several years, across the country, headlines have called to our attention the reports of date and acquaintance rape in our campus environment. In several cases, the victims were assaulted by groups of males in fraternity houses and other collective residences. In others, we have seen reports of innocent victims who unwittingly found themselves in situations where the rapist was able to coerce and control their behavior. A major study of 7,000 students at 35 colleges and universities across the country brought forth some startling statistics:

- * 52 percent of the women surveyed have experienced some form of sexual victimization.
- * One in every eight college women were the victims of
- * 47 percent of the rapes were by first-time or casual dates or by romantic acquaintances.
- * Over one-third of the women raped did not discuss their experiences with anyone; more than 90 percent did not report the crime to the police.

In many and probably most cases, the rape is spontaneous and few rapists carry the self image that they are sex offenders and have anything illegal. thoughts allow the man to rationalize this behavior? Perhaps several can be identified. First, he may assume that the woman, in saying "no," really means yes and is only playing hard to get, part of her expected sexual role. He may assume she is a tease or that her reputation, which he often gathers from friends, says that she will go all the way; as a result, he may believe that sexual activity with anyone implies consent with all.

He may feel that if she pets, she'll do "it," and he may assume that sex is typical payment for a good evening of dinner, drinks and dancing. He also may accept the traditional macho role: men should be aggressive and assert their sexual needs, women must be passive and subvert their feelings. Finally, there may be poor understanding, mixed messages or failure on the part of both parties to communicate their social and sexual expectations.

With this awarness there is an obligation that Greek men and women, as the dominant leadership force on a campus, have. Our role is to change the culture of violence and aggression which has allowed date and acquaintance rape to continue to exist at our institutions of

higher education. To effectively confront this problem, it is our responsibility as campus leaders to:

- * develop programs on sexual responsibility and acquaintance rape in our individual chapters and institutionalize such programs as part of our pledge curriculum
- exert a leadership role in developing programs about date rape which are conducted in all sorority and fraternity houses on our campuses
- * exert a leadership role in developing and implementing a campus curriculum on date rape, sexual responsibility, and healthy sexual attitudes for women and men
- * demand and support serious consequences for fraternity members and other campus citizens who engage in practices which result in or encourage date rape.

Sexual violence is a reality on our college campuses, and the date rape is a too frequent occurrence. Often, because the victim blames herself for being in the situation and for the inability to say "no" more clearly, the effects of rape by an acquaintance are often more emotionally damaging than one committed by a stranger.

The elimination of this crime from our halls of learning requires a commitment from and action by both women and men and mandates both sexes to expect and receive mutual respect, sexual control and social responsibility. As the leaders on our campuses, it is a standard — a criterion of excellence — by which we will be judged.

Ozzie Smith Wins Gehrig Award

Ozzie Smith, shortstop for the St. Louis Cardinals, has been selected as the 1989 winner of the Lou Gehrig Memorial Award. He is the first defensive player to earn \$2 million annual salary and is deeply involved in a number of fund-raising and supportive activities in behalf of children.

Ozzie Smith, the prototype major league shortstop of the St. Louis Cardinals, was the winner in the vote for Phi Delta Theta's Lou Gehrig Memorial Award at the end of the 1989 season.

The 35-year-old Smith is deeply involved in a number of fundraising and supportive activities in behalf of children in his adopted home town.

Ozzie's involvement has increased steadily through his eight seasons with the Cardinals.

The first defensive player to earn \$2 million annual salary, the man TV announcers refer to as the "Wizard of Oz" is reluctant to talk about his various involvements.

"I don't do what I'm doing to get attention and I really don't care to talk about it," Smith says. But his actions speak for themselves.

"You can interview Ozzie and he'll talk baseball for hours, but bring up what he does for children and he'll change the subject," says Debbie Ehlmann, his agent who handles his off-field activities.

"Ozzie is a very quiet guy who really doesn't enjoy being in the spotlight," says Jack Buck, the veteran Cardinal broadcaster. "But he's really very involved in St. Louis."

Typical of the depth of his involvement is with the Annie Malone Children's Home.

It was founded as a home for abused children, privately supported originally in Annie Malone's residence. But it has a new home of its own, thanks to the fund-raising campaign in which Ozzie was the chairman and major supporter.

He is a frequent unannounced visitor there and at the Cardinal Glennon Children's Hospital.

"Those activities are well known," says Ehlmann. "But I can give you a dozen stories where he does something that the general public never knows anything about.

"He gets so many calls now to lend his name to things that we have to be careful. Just before Christmas, we got a call from a small grade school in North St. Louis, a very poor area. They wanted an autographed picture for their Say No to Drugs program.

"He responded by going out to the school and talking to the kids himself. You should have seen the look in their eyes as they sat in a circle around him in the small gym. He absolutely tells me 'no publicity' and he means it," Ehlmann went

Smith has lent his name to the American Heart Association, Live-Aid, March of Dimes, Multiple

Sclerosis and the Special Olympics.

He has been the recipient of the Brotherhood Award by the National Conference of Christians and Jews.

The wiry 155-pounder was born in Mobile, Ala. and broke into the big leagues with the San Diego Padres in 1978.

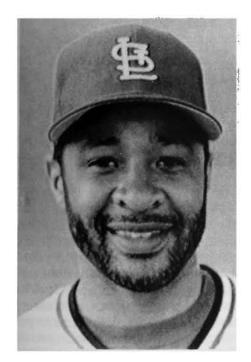

Early in his career with the Padres, he was asked to be a volunteer in a Special Olympics competition.

"He tells me that's how he got started," Ehlmann explained. "The truth is he's a pushover for kids, particularly those handicapped or emotionally disturbed."

He became a national figure in the game in his first season in St. Louis, 1982, when he helped the Red Birds win the National League pennant and go on to defeat the Milwaukee Brewers in the World Series.

He became involved in major league baseball's national campaign "Operation Grand Slam" to teach children living in juvenile detention homes baseball skills.

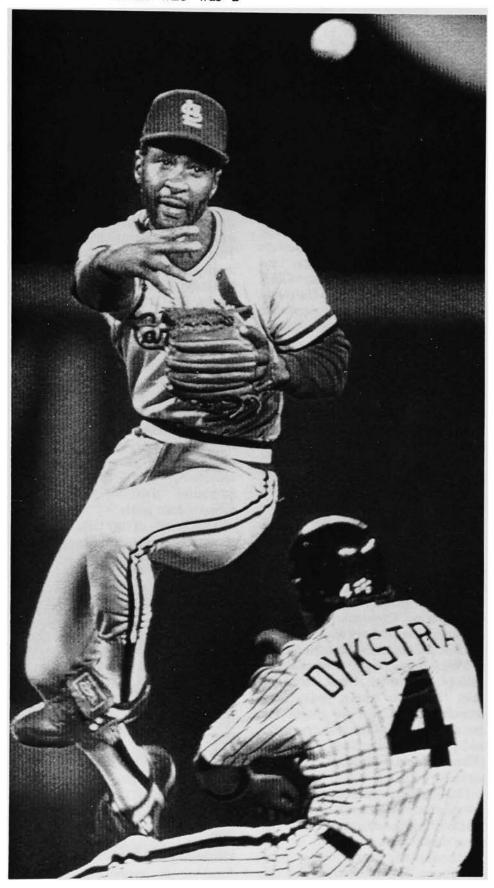

Smith will be presented the award as the 35th winner in ceremonies before a game in Busch Memorial Stadium during the 1990 season.

Dr. Steve N. Davies (Wichita '70), formerly associate director of the Wichita State Alumni Association, became the warden of the Kansas State Penitentiary in Lansing in 1975.

How does an associate Alumni Association director with undergraduate degrees in elementary education and speech wind up as warden of the Kansas State Penitentiary in Lansing?

For Dr. Steve N. Davies (Wichita '70/'77/'80) the transformation began with a bit of a surprise.

"In 1975, I was working at Wichita State as associate director of the Alumni Association, when the dean of continuing education at Hutchinson Community College contacted me and asked if I would teach some classes at Hutchinson.

"We set up a night to meet at the college and when I got there he said, 'Let's go where your classroom's located.' So we got in the car and we drove... and drove... and pulled up in front of the prison (Kansas State Industrial Reformatory)."

Davies was understandably surprised, but nonetheless went into KSIR's education area with an open mind.

"It was deplorable. Very poor conditions. The odors were bad, the

lighting was poor. As an educator I thought, 'You've got to be kidding. Something's got to be changed.' As I walked out I saw the announcement that they were looking for a superintendent of education. So I applied for that position."

And that was the beginning of what has been — and continues to be — an auspicious career in corrections. Davies' success certainly comes as no surprise to those who have known the 41-year-old since his college days.

During his study at WSU, he was involved in an amazing number of activities. Student Government Association (president and vice president), Hippodrome chair, Phi Delta Theta, Dean's Honor Roll, Interfraternity Council, Senior Honor Man, Omicron Delta Kappa and Sigma Alpha Eta are only a few of the areas in which he excelled. He continued to be recognized after graduation with honors such as Outstanding Young American in 1976 and Kansas State Teacher of the Year in 1984. The list goes on.

Davies is the kind of guy who's willing to tackle almost any situation and who says he lives by a personal credo: "If you really want something, you'll find a way to overcome barriers and you'll achieve your goals."

That kind of attitude is a real

DAVIES

'plus' not only for Davies, but for those whose lives are affected by the Kansas State Penitentiary. And, whether we realize it or not, that includes most of us.

"Ninety-nine percent of the inmate population returns to the public someday," Davies says. "And my feeling is, what type of person do I want as a neighbor, or to stand next to me in line at a fast food restaurant or sell me a car? I feel the person I want there is someone who has had a chance to change his or her life. So I believe in treatment, in trying to rehabilitate the inmates as much as possible.

"I've made many statements about how I think an institution like this should function and now I need to put my time and energy where my mouth is," says Davies, whose doctoral degree from Kansas State University is in adult, occupational and continuing education.

Davies compares the prison to any community, with his role somewhat like that of a mayor. So far this year, 111 work projects have been put into effect: paling the total of four projects underway last Fall when Davies arrived at the penitentiary.

"I think we're on track," he says. Currently his staff is reviewing projects with the added emphasis on providing a safe environment for the inmates, staff and public.

"I'm a home-grown Kansan," the Kingman native says. "I'm proud of the education I received here in Kansas and feel I can compete with anybody in my field because of it. I'm putting the training I got here to good use in Kansas. I've learned and benefited a lot from it and I want to return some of that."

"WSU is very dear to my heart," the lifetime Alumni Association member says. "It was an extremely good experience. I'm very loyal to the University. Not only did I receive a good education, but I got to know a lot of professors and others personally who took the time to get to know people and took care of them. I'm proud to be a WSU alum."

Standing Up For Your Beliefs

Steve Van Matre (Purdue '64) created a social upheaval in the Lafayette, IN Public Schools in 1965 as a social studies teacher but has emerged as an internationally-recognized educator and author in environmental sciences.

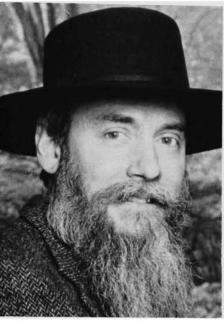

Steve Van Matre's (Purdue '64) first job experience after earning his master's from Purdue University, where he was a member of Phi Delta Theta, was not the stuff dreams are made of, but as often happens, things turned out for the best.

And what might be considered as the Lafayette, Indiana public school system's loss has certainly turned out to be the Earth's gain.

Van Matre first came to Lafayette in 1965 as a social studies teacher at Jefferson High School. It was a time of social upheaval in the country and in the classrooms. Some of the old was being forced to give way to the new, not always without conflict. Van Matre's teaching style was considered controversial by some and he ran into trouble with the school administration and his colleagues in the social studies department.

Van Matre's contract was not renewed in 1969 in a case that generated much local publicity and rallied parents, students and the National Education Association on his behalf. The administration subsequently reached a financial settlement with Van Matre just before the case went to trial.

"Some teachers felt I was stirring up students and they passed those fears on to administrators," Van Matre said recently. "And the administrators were more interested in maintaining appearances than in

VAN MATRE

dealing with the realities of the day."

Some of Van Matre's teaching that upset his colleagues included encouraging students to form new organizations, read new books and go to new places. "There was nothing subversive or radical about such ideas," Van Matre said. "For example, I urged the senior class to give their annual gift to the class to buy new books for the library while their adviser wanted them to spend it on a metal horse that would be mounted on the roof to represent the mascot. They bought the books."

A lot has happened to Van Matre since he left Lafayette in 1969. He pursued his interest and concern for the environment and is now an internationally-recognized educator and author in the field. He recently completed his seventh world tour, presenting workshops and lectures and overseeing the operation of The Institute for Earth Education, which has branches in Canada, Britain, France, Australia and New Zealand.

His experience in Lafayette, though harsh at the time, has served him well. "I learned that if you were willing to stand up to something that was wrong, people would rally to your support," he said. "Wherever my supporters are today, I send my heartfelt thanks for their readiness to act upon their

convictions. I've never forgotten that."

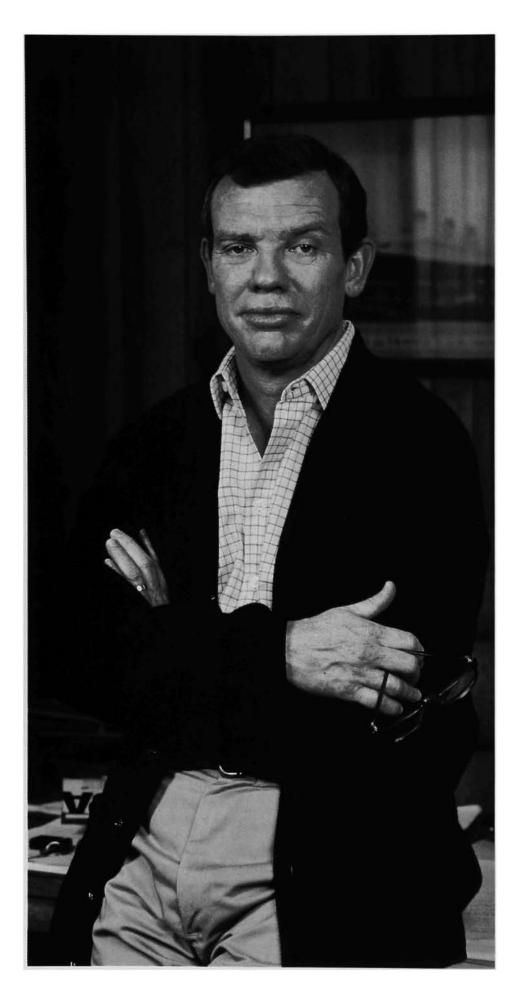

In addition to his extensive work and writing in the field of environmental education, Van Matre is a professor of environmental education and interpretation at Aurora University in Aurora, Illinois, and the coordinator of the university's master's degree program in his field. His students have come from all over the world to work with him.

Van Matre considers The Institute for Earth Education program to be his most important achievement. He developed the concept, helped spread its message and environmental education programs around the world and works tirelessly to maintain its ideals. The Institute, with branches worldwide, conducts educational programs for adults and young people, and administors intense learning programs for all levels of schooling.

"Our goal," Van Matre says, "is to help people better understand the basic ecological systems upon which all life depends, what those systems mean for them in their daily lives, and how they can begin making some changes in their lifestyles in order to live more in harmony with the Earth and all its life."

Van Matre has authored four books for the Institute: Acclimatization, Acclimatizing, Sunship Earth and Earthkeepers. They are kits for educators on how to set up environmental programs for students. The programs provide different, very hands-on systems for teaching people of all ages how to understand and appreciate the Earth. They are used by elementary, junior high and high schools all around the world.

"I would hope that young people growing up in Lafayette today can still gain a realization that what is important, win or lose, is one's willingness to stand up for what is right," Van Matre said. "Today, whenever I hear someone say he got fired, I always reply, 'Hey, it may be the biggest break of your career. Look what happened to me."

Comedy Writer Highly Acclaimed

Hugh Wilson's (Florida '65) new TV show, The Famous Teddy Z, was acclaimed by critics as the best show of the 1989 Fall season. Then CBS took it off the air. The same thing happened in 1988 with Frank's Place.

CBS is taking Hugh Wilson's (Florida '65) new TV show, The Famous Teddy Z, off the air for a while, and Wilson is sitting at his desk at Columbia Studios in Hollywood wondering aloud, "What else is new?".

Z, acclaimed by critics as the best show of the 1989 Fall season, follows Wilson's creation *Frank's Place*, acclaimed by critics as the best new show of 1987 season. It too, is off the air.

Yet according to Variety, Wilson is rumored to be one of the highest paid comedy writers in the history of television. "I am the most successful failure in town", says the Emmy Award winning writer.

Well, not exactly. Wilson also created the CBS comedy WKRP in Cincinnati that to date has produced over one-hundred million dollars in syndication revenues. And he did write and direct a little drive-in-movie called Police Academy I, which brought one-hundred and thirty million dollars to the box-office, worldwide.

"I'm a little embarrassed about Police Academy," Wilson sheepishly admits. "If I hadn't done the first one, I could have saved the world from the rest of them".

Now he is preparing "the most exciting thing I've ever done in my professional life". And it is not a comedy. Far from it. Wilson is writing the scripts for a CBS miniseries which he will produce on the Civil War battle of Gettysburg. "If I can pull this off, I'd be happy to quit right there. I don't need to write or produce anything else. This is, in my mind, it."

So how did Wilson get to "it"? After graduating from the University of Florida, where he was chapter president, Wilson knocked around in New York and Pennsylvania before ending up in the advertising business in Atlanta. He lived there for 10 years and went from a junior copywriter to president of the agency. "You keep getting promoted until you finally reach a level of total and complete incompetency", says Wilson.

So in 1975, off he slouched to Hollywood and a writing job at the then famous Mary Tyler Moore Company. "I was lucky to get in

there," remembers Wilson. "They were the best. For somebody who wanted to learn how to write television comedy, this was like getting into Harvard."

Then came WKRP and the rest.

Wilson says he started writing comedy in college. "I wrote a sketch with Russell Crofton (now a Delta pilot in Atlanta) for the Phi Delt entry in Homecoming competition. "We won as I recall. It never occurred to me at the time that I could make money writing such foolishness".

Wilson stays in touch with old brothers. "Oh, yeah, you know they see my name on TV and wonder if that's the same jerk they knew." Bob Wilcox, a Florida Alpha brother, is a writer on Teddy Z. The production assistant on the show is the son of Steve Lewallen, another Florida Alpha brother, who is from Wilson's hometown of Coral Gables, Florida. Deppe Callahan, a Phi from the University of North Carolina, is Wilson's best friend.

"I even married into Phi Delta Theta", he says. His wife, Charters, is the daughter of Phi Judge Sidney O. Smith, Jr. (Georgia '49), and the granddaughter of the late Sidney O. Smith, Sr., Georgia, the first recipient of the coveted Gardner Award.

Wilson is also involved in fund raising for Florida Alpha house improvements. "My hat is really off to brothers like Dale Hedrick, Hyatt Brown, and Jan Smith for all their work. God knows we need to fix up that house".

The father of three daughters and a son, Wilson's oldest daughter, Cannon, has applied this year to Wake Forest and Virginia. "I fully expect her to date Phis", says Wilson, "unless of course they're anything like the brothers I went to school with. In that case, I think she should just stay in her room and study."

AKRON

On Oct. 7, 1989, actives, alumni, and friends of the Delta Gamma Sorority and the Phi Delta Theta Fraternity gathered at 194 Spicer St., the Phi Delt House to pay tribute to Dorothy and Paul Martin (Akron '32). This celebration, held on Homecoming Day, was a fitting way to pay tribute to two generous supporters of the University of Akron and Phi Delta Theta Fraternity.

The party began right after the Zips won the Homecoming game against Louisiana Tech with a downhome chicken and ribs dinner. After eating, everyone in attendance headed over to the Delta Gamma House (Mrs. Martin's sorority) where a formal ceremony honoring Paul and Dorothy was hosted by Gene Wise (Akron '81).

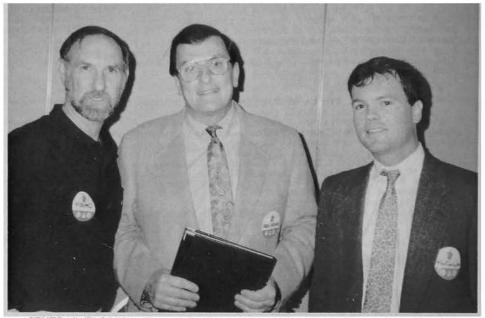

Gene opened the ceremony by relating how different the University of Akron was in 1935 when the Martins first met. He went on to list just a fraction of the achievements both Paul and Dorothy accomplished during their respective years in school.

Once Gene had finished speaking, the Martins were presented with a watercolor portrait with the likenesses of Paul and Dorothy, the Phi Delt Gamma houses, and the new Dorothy Garrett Martin Fountain, which was given to the University earlier in the year by the Martins. Along with this portrait, the Martins were also pleasantly surprised by a letter read by Chip Billow (Akron '76) from President George Bush. In the letter, the President thanked them for their generosity towards the education system of the United States.

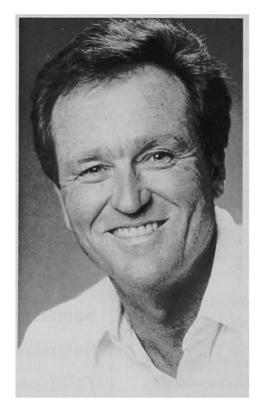

Most people could find no way to top an evening such as that, but leave it to Paul and Dorothy Martin to prove us wrong. The generosity of the Martins was again shown when Mrs. Martin presented to the University of Akron President, Dr. William Muse a check for \$150,000 to the University Foundation to fund a scholarship for the Akron chapter of Delta Gamma. Naturally, all who were present (especially the DG's), were overwhelmed and overjoyed by the Martin's gift.

It was an honor for Phi Delta Theta and Delta Gamma to hold this event, but much of the credit for the success of the event should go to Chip, Jim Warner (Akron '71), and Ohio Epsilon President, David Bender. Their hard work, dedication, and commitment to this event helped to assure its success.

The Akron Area Phi Delta Theta Alumni Association again enjoyed a wonderful

try Club celebrating "Love Feast."

This has been a "tradition" for almost 100 years at Akron to celebrate the night our fraternity was founded. Mike Enright (Akron '67) was chairman. The program included a Golden Legion Ceremony honoring 27 Brothers from our area, reports from various committees, and the announcement of scholarship recipients by Brother James Warner (Akron '71). A good dinner and a great evening of Phi Delt Brotherhood was enjoyed by all.-Hugh B. West CENTRAL FLORIDA

On Jan. 18, we held a dinner meeting in Orlando with 38 Brothers in attendance. Prior to hearing Brother Don Rutledge (Florida '62) speak, reports were given dealing with membership, academic scholarships for undergraduate chapters at UCF and Rollins, and the planning for Founder's Day Celebration in March.

Brother Rutledge is currently one of the top collegiate basketball officials in the nation. He has worked four of the last five NCAA "Final Four" tournaments. His remarks covered many exciting moments working "big time" basketball games.

The regular monthly luncheon on January 23rd was attended by 21 Brothers. Our speaker was Mark Kirkham from the Orange County Sheriff's Office. Mr. Kirkham spoke about how "crack cocaine" is one of Orange County's biggest businesses and how law enforcement agencies are attacking the problem.

A good crowd of Brothers and guests attended the monthly luncheon of February 27th. Program Chairman Wally Hughes (Kentucky '42) arranged for Stanley Hand to be our speaker. Mr. Hand is a retired Air Force Colonel who discussed the very controversial B-2 Stealth Bomber program prior to a lively question and answer session.

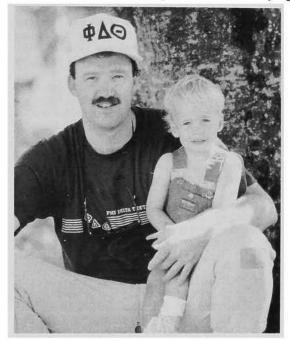

During January and February the Central Florida Club held a mid-year membership campaign. Ten new Brothers were brought into the fold. We are proud to announce that during our first year in existence we have reached a grand paid membership of 86. The goal for 1990-91 is a membership of 150 members. Phis in the Greater Orlando area can join by sending a \$25.00 check payable to "Phi Delta Theta Alumni Club." Mail checks to Brother John Mischuck, 727 Park Lake Circle, Orlando, FL 32803.

Much planning has gone into preparation of our observance of Founder's Day on March 29. Immediate Past President of General Council Tal Bray will be our guest speaker. Chi South Provience President Ed Hopper will officiate at Golden and Silver Legion ceremonies. The election of Officers and Directors for 1990-91 will be held during a brief business meeting. Also on the program will be the awarding of two \$100 academic scholarships. One will go to a deserving active at Rollins and the other to an active at UCF.—Howard Stockton

FORT LAUDERDALE.

On Dec. 22, the Phi Delta Theta Alumni Club of the Fort Lauderdale, Florida Area, Inc., made Christmas a little more enjoyable for kids at the Florida Ocean Sciences Institute (FOSI), the club's community service project.

The club paid for the food and gifts for the annual FOSI Christmas Party. Each kid received a personalized gift from Santa,

Harry Schaefer (Purdue '64).

According to Neil Wilson, executive director of FOSI, many of the kids in the FOSI program have never received a Christmas gift. Through the club's efforts, we were able to make their Christmas more enjoyable.

FOSI is a program for teenage offenders that uses a marine-oriented approach to rehabilitation. Since adopting FOSI as its Community Service Project in October, 1987, the Ft. Lauderdale Phi Delta Theta Alumni Club has helped raise over \$42,000

for FOSI.

The Fifth Annual Phi Delta Theta Alumni vs. Sigma Chi Alumni Softball Game took place on Saturday, February 3 at George English Park in Ft. Lauderdale. For the first time in five years, the Phi Delts were on the losing side, losing 12-6. Last year's score was 32-1 in favor of the Phi Delts.

Following the "official" seven inning game, the Phi Delts avenged themselves with a 9-5 win in the First Annual "Over 40" game. Rick Wolfe (Michigan State '72) was the winning pitcher.

After the game, the two clubs continued the fraternity spirit with a cookout.—Jamie Meehan

GREEN VALLEY

Sixteen Brothers were in attendance, plus one visiting Phi and 16 guests.

The meeting was called to order at the Country Club of Green Valley at 7:30 p.m. by president **Jack Coates**, following an excellent dinner.

Minutes of the 1989 Annual Meeting were accepted as previously recorded by the secretary, Jack Lytle. The financial report for 1989 was given by the treasurer, Jerry Stahmer.

The following slate of officers and directors was presented to the members in attendance by the chairman of the nominating committee: president, Ralph D. Doubler; vice-president, John (Jack) G. Lytle; secretary, Jerry Stahmer; treasurer, Norman P. Dunlap; directors, Lute Bowers, Ernest Collins, and Allen Moore.

There being no nominations from the floor, the slate was elected by acclamation. Following a brief report by outgoing president Coats, the meeting was adjurned at 8 p.m. by incoming president Ralph Doubler.

HOUSTON

The Houston Alumni Club enjoyed a great year in 1989 with membership increasing to over 120 Brothers. In 1990, the number of active participants should grow to well over 150, which will bring more

functions and more fun. Back in its hayday, the Houston Alumni Club consisted of over 300 Brothers and we should reach this mark again within a few years as there are over 2,000 Phis in the Greater Houston area.

Last year yielded some remarkable functions, such as the Dirty's Deck Party, thanks to owner and properietor Bob Morris (Texas '65) for his services. The Summer party and the Christmas bash were held at the lovely homes of Fred Garrett (Kansas State '57) and Ed Cappell (Arizona '69), respectively.

On March 15, the Houston Alumni Club hosted its Founder's Day Banquet at the Houston Country Club. The event proved to be a success with over 75 Brothers attending. Brother Troy M. King (TCU '67) was honored as a Silver Legionnaire. Later in the evening, P.P.G.C. '68-'70 Howard E. Young inducted the following five Brothers into the Golden Legion: Julian C. LaRoche (Texas '43), Robert E. Lee (Oklahoma '43), John L. Overshiner (Indiana '43), Curt T. Pearson (Lafayette '43) and Don R. Toland (UCLA '41).

The other functions scheduled for 1990 are: the June 12 Sky Box Party (Astros vs. Dodgers), a golf tournament in September to raise money for the Educational Foundation of Phi Delta Theta and the annual Christmas party. With membership growing like it is, 1990 will undoubtedly be a banner year for the Houston Alumni Club. If you live in the Houston area and are interested in becoming active in Phi Delta Theta again, then please call Brother Chris Young (Texas '84) at 953-1363 (office) or 664-9771 (home).

NEW JERSEY

It seems only fitting that this first report to the Scroll from the "Almost New" New Jersey Alumni Club comes upon the 2nd Annual Founders Day Banquet.

In what might be called a tribute to Ron "Corky" Garon (Tampa '80), the setting was the Rutgers Brower Hall. About 100 persons attended including virtually the entire Rutgers chapter undergrads. Tampa U. had the largest alumni contingency.

The highlight of our program was feature speaker Joseph D. Williams (Nebraska '50), CEO of Warner Lambert, with a serious theme of commitment to service, and some anecdotes of his Nebraska days. Keynoter, General Council President, Bill Stitt, II (Mississippi '54) also made the Golden Legion presentations to David S. Way (Swarthmore '43) and Charles T. McGinnis (Pennsylvania '43). Congratulations David and Charles.

Guest speaker, Theresa Laser, dean of Greek Affairs at Rutgers made it clear the Phi Delt chapter is held in high regard at Rutgers. The "extra effort" pin goes to Bill Winans (Rutgers '89) who traveled three hours from Southern Maryland to attend. Although not to be out done, featured speaker Joe Williams came in from Tokyo the day before.

There were several Phi "legacies", but Steve Roper's (Texas Tech '83) wife Julie (both Texas Tech) had a grandfather, uncle and two brothers as Phis to take the honors.

Some of the musically oriented undergrads gave us a Phi Delt adaptation of the Billy Joel hit "We Didn't Start the Fire". To cap the evening off Ron "Corky" Garon's driving force in establishment of the chapter at Rutgers and the N.J. Alumni Club, was honored by the undergrads by naming an annual award in his name. The winner of the "Cup" for 1990 is Jay Bernhardt, as the undergrad most exemplifying Corky's dedication.

We hope to see more alumni participation in the future. Meetings are the 2nd Thursday of every month at: The Rutgers Club, 199 College Avenue, New Brunswick, NJ.

Call me for details. Fred Thompson (Maryland '60) at 201-985-1000 (B) or 201-223-5063 (H).

PALM SPRINGS

On Jan. 10, 1990, the Coachella Valley Alumni Club was established with the meeting of the founding members in Rancho Mirage at The Springs Country Club.

This was the first meeting of Phis in the Coachella Valley, and the evening was devoted to getting acquainted, meeting with undergraduates from the chapter at the University of California-Riverside, and to hear a report on the Chapter House at the University of Illinois from a guest, Dick Foley (Illinois '49).

Brother Jeff Dillon (Kearney State '87) brought an outstanding group of Phis from the chapter at California Mu: Ed Dunayevich, Pat Guevara, Roger Maffia, Charles Packard and Jeffrey A. Paul. These brothers reported on the state of the chapter at Riverside, and described the progress of the plans now underway at Riverside for future housing on the campus. It is the hope of those present that the new alumni club will be able to keep in touch with the Riverside chapter as these plans progress, and to offer any assistance that the chapter might desire.

Brother Dick Foley gave a history of the remodeling project underway at the chapter house at the University of Illinois and the problems faced by the current chapter, which has not been able to live in the house for the past year and will not be able to do so until the remodeling is completed in the Fall, 1990, when the members will move back in. Problems with fund raising have delayed the completion of the remodeling.

The meeting was thoroughly enjoyed by all of the brothers attending. An application for an alumni club charter was signed and is being forwarded to General Headquarters for official recognition. Unfortunately, some of the founding members were unable to attend the meeting: William Burgess (Minnesota '39), Corb Bedell (Kansas '50), Charles J. Kramer (Wabash '49), Frank V. Marshall, Jr. (UCLA '47), Judge Fred R.

NEW JERSEY: Undergraduate Phi Delts from Rutgers handled the registration desk at the New Jersey Founders Day.

HOUSTON: New officers include Ben Austin, secretary; Basil McDonald, vice president-social; Jed Skeete, vice president-membership; Leon Blum, vice president-social; Chris Young, president and Bob Huntley, treasurer.

NEW JERSEY: David S. Way (Swarthmore '43) and Charles T. McGinnis (Pennsylvania '43) were both inducted into the Golden Legion at the New Jersey Founders Day dinner.

ST. PETERSBURG BEACH: Bob Kinnery (Ohio '43) and his wife, Betty, came from Cleveland, Ohio, to attend the Founders Day banquet.

Metheny, Jr. (Nebraska '43) and John Shelden (TCU '80).

The club is considering a Founders Day event in the Spring and future meetings are currently being planned by the board. Those persons attending the first meeting of the Coachella Valley Alumni Club were: Bob Bell (Michigan-Pittsburgh '46), Bob Canaday (Wyoming '39), Bob Hexom (Montana '43), Joe Miner (Purdue '39), Warren Overman (Illinois '71), George Pfeiffer (Arizona '42), Douglas M. Phillips (New Mexico '49), Ray Robbins (Wabash '35), John R. Shelden (TCU '80), Ron Sutherland (USC '51), Rick Thacker (Oregon State-Oregon '53).

All Phis visiting in the Palm Springs area are invited to get in touch with Brother Phis by calling Frank V. Marshall, Jr. in Rancho Mirage at (619) 346-3441.—Douglas M. Phillips

PITTSBURGH

The Pittsburgh Alumni Club held its traditional Christmas Luncheon at the Gateway Center Club in Downtown Pittsburgh on Friday, Dec. 8, 1989. There were 30 members and nine actives from the University of Pittsburgh and Indiana University of Pennsylvania in attendance.

Bill Wrenshall (Washington & Jefferson '41), our secretary-treasurer presided and J. Howard Womsley (Dickinson '57) led us in the invovation. Nine Golden Legionnaires were recognized along with the undergraduates in attendance. Both chapters made brief reports on the year to date and it is obvious that they are leaders on their respective campuses. Sixteen Brothers in attendance participated in the traditional Football Pool.

The Alumni Golf Outing will be held on Wednesday, June 13, 1990 at Champion Lakes Golf Club in Bolivar, PA (7 miles North of Ligonier on PA 711). Contact John Geis at (412) 367-2443.

Brother George Herrington (Pitt '47) closed the luncheon with some songs of Phi Delta Theta.

Don't forget that we meet for lunch every Friday at Kaufmann's on the 11th Floor.

ST. PETERSBURG BEACH

We held our Annual Yuletide Feast at the Pass-A-Grille Yacht Club on Dec. 21, 1989. Those in attendance receiving their lapel pins as Silver Legionnaires were Douglas Devos (Wisconsin '42), Paul Koebrugge (Maryland '64), Kenneth J. Lund (Dennison '62) William E. McCormick (Florida '38) and Leo Leonardi (Miami '66).

Brother Dean Hoffman, II (Dickinson '41) performed the ceremony, which incidentally he wrote for the fraternity. Those not in attendance, eligible for their Silver Legion awards, received them by mail the following week. We again had a large group of Phis and their wives and guests to celebrate this joyous occasion. This has always been one of the favorite social events of the year.

We welcomed new members Kenneth Lund and his wife, Brit and their daughter, Laura and William E. McCormick, Jr. and

his wife, Elinor.

Our monthly bridge luncheons for the year will continue until May and will start up again in October. There has been some increased interest and we are looking forward to adding some additional tables. It gives those members who participate to get together once a month at the Baypoint Golf Club in Largo to further the fellowship of Phi Delta Theta which also includes their wives and other guests.

Gray Morgan (Georgia Tech '37), chairman of the golf and tennis committee, with the help of Pat Eddie (Kentucky '41), are putting together a program for a Spring outing. In the past it always took place in the Fall but because of our busy schedule at that time of the year and congestion on the

courses, the concensus of opinion was to hold it during the Spring months. More on the golf will be reported at a later date.

On Jan. 23, 1990, a group of Phis from our club met with Brother Jay Peterson (Mankato '88), chapter consultant at the Pass-A-Grille Yatch Club for lunch. We would have liked to had Jay for our monthly meeting but there were some conflicting dates. Jay brought us up-to-date on all of the latest happenings and most importantly answered questions by the brothers concerning their own individual chapters, what trends were taking place, major problems at the chapter level and where the alumni can be of some help. Our meeting was very beneficial and we only hope that we can get together more often with Jay

and other Phis from headquarters.

By the time this article goes to press, our Founders Day Banquet and Golden Legion ceremony would have taken place on Feb. 23, 1990, at the Lakewood Country Club, St. Petersburg. Even though we are now in the preliminary stages of making all of the necessary preparations we are inducting the following brothers into the Golden Legion: Joseph W. Bradham, Jr. (Florida '43), Thomas A. Daffron, (Cornell '41), Douglas L. Devos (Wisconsin '42), Fred C. Lemr, Jr. (Ohio U. '43), John E. Stambaugh (LSU '41) and Robert W. Yount (Miami-Florida '42).

During our meeting of Jan. 26, 1990, we welcomed Brother Harold D. Barclay Continued on Next Page

Super Bowl XXV will be held in Tampa in January, 1991. We will be holding an open house during that time for all visiting Phis, so be on the lookout for more information in later issues of the Scroll.—Jerry Novario

TORONTO

One year ago, just before Founders Day 1989, a group of Phi Delts from a variety of chapters including Ontario Alpha, Quebec Alpha, and Nova Scotia Alpha got together and formed the Phi Delta Theta Alumni Club of Toronto.

The purpose for forming this club was to ensure that the old Phi Delt adage "A Fraternity For Life" was maintained. That group fo Phis believed that a major way to foster brotherhood in the post-university years was simply to get the guys together on a regular basis.

One major project that the Alumni Club has undertaken is the maintenance of an accurate list of Phi Delt addresses and phone numbers. Hopefully, we will be able in the future to keep all brothers up to date on what promises to be a great social calendar.

The Alumni Club's address is: Phi Delta Theta Alumni Club of Toronto, P.O. Box 855, Postal Station "P", Toronto, Ontario M5S 2Z2.

We are very proud to report that the first year of the Phi Delta Theta Alumni Club of Toronto has been a true story of success. In addition to the traditional First Thursday event (now held at the Chapter House — 165 St. George St.). Phi Delts of all ages and their spouses, girlfriends and other family members were able to enjoy such events as:

- Alumni vs. Active basketball and football challenges
 - A Day With the Blue Jays
- The First Annual Phi Delta Theta Island Picnic
 - Second City Dinner Theatre Night
 - · Grey Cup Party.

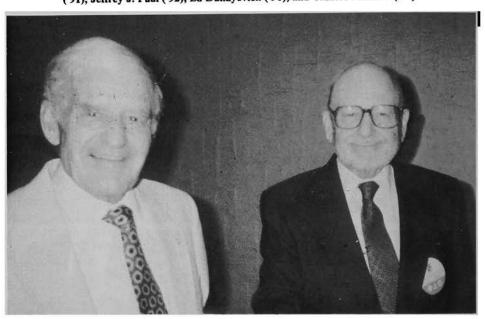

A tentative schedule for the 1990 year is presently being devised, but some dates to keep in mind are:

- May 16, Blue Jays Baseball Night
- June 10, 2nd Annual Island Picnic
- July, Second City Dinner Theatre Night
- September, the return of the Golf Tournament
- October 4, Alumni Cocktail Party and, of course, the perennial First Thursday of the Month at the House.

It's been a fun and active summer for the alumni and actives of Phi Delta Theta. The alumni club organized three major activities as well as the *First Thursdays* at the house. All events were lively and well attended. If you don't believe this reporter, just ask some of the Phis who attended these events. Ask John McCracken or Marcel Gagnier about the Jays game, Roger Hewitt or

Andy Kidd about the Island Picnic, and Ken Chong or Howard Barton about the Second City Dinner-Theatre Night.

The first event of the Summer was a night at the ball park. Seventy Phis and their friends watched the Blue Jays battle the Cleveland Indians. As I recall, the Jays did lose the game but few Phi Delts noticed — as all had a good time renewing friendships. By the way, Ron Lillie was late as usual.

In June the alumni club met at the Toronto Islands for a picnic. Frisbees, footballs and baseballs sliced through the air; hot dogs, hamburgers and steaks were gobbled; and pictures were taken of pretty bikini-clad young women on their way to the beach (see Robin Watson for copies and enlargements.)

In July the alumni club attended the Second City Theatre to see When Bush Comes To Shove. The revue was hilarious, as was Sean McGowan who was seen rolling on the floor, and the dinner highly

palatable.

We have been very pleased with the attendance and enthusiasm at the alumni club events this year. To continue this success we need more feedback from the alumni-at-large. A number of things that you can do to make our task a little easier are:

 Phoning one or two Phis that you keep in contact with and spreading the word about any events.

2) Keeping the Alumni Club informed of any changes in your address or phone numbers with the attached form.

3) Photocopy and send this letter to any Phis that have been out of touch that you may have seen recently.

4) Send the attached form with your recent changes in residence or business (or other Phis who may not be on our database) to the following address: Phi Delta Theta Alumni Club of Toronto, P.O. Box 855, Postal Station P, Toronto, Ontario M5S-2Z2.

VALLEY OF THE SUN ALUMNI CLUB

On Dec. 14 over 100 Phis, spouses, and friends gathered at the Westcourt in the Buttes resort for the annual Christmas party. Brother Steve Durham (Minnesota '85), who is the manager of the Top of the Rock, served as our host.

Our Founders Day banquet has been scheduled for March 2, 1990 at the Cottonwoods resort in Scottsdale. We look forward to another successful event. Any alumni who has been a Phi for 50 years will receive his Golden Legion pin, and any alumni who has been a Phi 25 years will receive the Silver Legion pin. Phis living in the Phoenix area who are eligible for these awards should contact Don Thompson (Butler '66).

Russ Gillard (GMI '73) will continue to serve as the chapter's president. Gil Guerlich (Arizona State '82) and Jon Mudder (Arizona State '82) will serve as vice-president and treasurer respectively.

As our chapter continues to grow, we need more alumni to help co-ordinate our activities. Proposed projects include a community service project and the hosting of the national convention in Phoenix in a few years.

Our monthly breakfast meetings are still held on the first Saturday of each month. These rotate in the cities of Mesa, Tempe and Scottsdale. All alumni are welcome to attend these informal affairs. — Don Thompson

WASHINGTON, D.C.

The March "Third Thursday Luncheon" was held at Ireland's Own pub and restaurant in Alexandria's Old Town. Club Phis celebrated St. Patrick's Day with potatoleek soup, some blarney and a bit of Irish. This annual event continues to be a popular club get-together.

Our club's 106th Founders Day Dinner is scheduled for May 11 at The Army-Navy Country Club, 2400 South 18th Street, Arlington, VA. Festivities for the annual black tie event begin at 6:30 p.m.

This year's honored Phi and principal speaker will be **Bob Schieffer** (TCU '59), Chief Washington Correspondent for CBS News and anchorman for The Weekend News telecast from New York. His recent book, *The Acting Presidency*, will provide plenty of dinner table conversation and

some questions for the author.

Any Phi transiting the nation's Capitol in early May are welcome to join us for a fine evening of fraternity capped off with induction of new Golden Legion members. Contact Paul Gettel (Michigan State '85) at (202) 625-1229 for details.

Our last "Third Thursday Luncheon" before Summer break will be at The National Press Club on May 17. We'll then be in recess from formal club events until September 20th—Jerry J. Felmley

WASHINGTON ALPHA _

The Washington Alpha Alumni Association held their third annual pledge recognition dinner at the College Club in downtown Seattle in December. The evening's ceremony was chaired by alumni president Jim Cope and speakers included Phikeia Board President Dr. Brewe Beede, chapter advisers Mark Cordova and Leonard Smith and chapter president Steve Harriott.

Thirty-one new Phikeias were welcomed with an introduction to the history of Phi Delta Theta in general and Washington Alpha in particular. Many fathers were in attendance and were as proud as was the chapter of this outstanding class in keeping with Washington Alpha's strong traditions.

FOUR GENERATIONS: Four generations of Phis gathered on Thanksgiving Day, 1989 in Union, Washington. They include Dr. Douglas Larson (Whitman '66), Jeffery Larson (Washington-Seattle '93), Arthur T. Lee (Whitman '17), James H. todd (Washington-Seattle '42) and Edward T. Lee (Washington-Seattle '48). Dr. Larson is James H. Todd's son-in-law. Jeffery is his son. Arthur T. Lee is Todd's father-in-law and was a charter member of Washington Beta as was his brother, Walter. He will celebrate his 75th anniversary as a Phi on Founders Day this year and Todd will qualify for the Golden Legion this year. Edward T. Lee is Arthur's son.

WICHITA.

At a time when many businesses are under reorganization plans. The Wichita Area Phi Delta Theta Alumni Chapter decided to follow suit. Our organization is 12 years old and needing a shot in the arm to revitalize the organization that has been recognized as the only viable fraternity alumni group in the city.

With Brothers Lonnie Glen, Brad Razook, Dan Breit, and a new board of directors, the Wichita chapter designed a "Mission Statement" and established goals and objectives. We started a Sword and Shield Society for all dues paying members with recognition given to those members at all of our events (an idea "lifted" from the Central Florida Alumni Club).

An integral part of the new guard at the Wichita alumni chapter was to establish communication with alumni by mailing a newsletter to Phis in the Wichita area. Thanks to brother Glen for his writing talents and brother Kelly Reich for his assistance in its printing, our quarterly newsletter has been well received and responsible for drawing many new members to the chapter. The newsletter contains a listing of all Sword and Shield Society members, information on area Phis and their accomplishments, reports from the active chapters in Kansas, reports from the alumni chapter officers, a schedule of events for the entire year, and tidbits of Phi Delta Theta information passed on by the General Headquarters Alumni Club News.

Events for the 1990 year include trips to the newly opened Wichita Greyhound Park, and trips to baseball games showcasing the 1989 NCAA Collegiate Baseball Champion Wichita State University Shockers, as well as the Double A Wichita Wranglers. Besides the Founders Day celebration, we also have scheduled our annual Golf Tournament on July 28th, and a "Casino Nite" for the Fall. Proceeds from the "Casino Nite" will be donated to the fund-raising drive for the new Wichita State University Chapter house.

The Founders Day celebration was held March 29 at the Petroleum Club. We had over 50 alumni and actives from Kansas University, Kansas State University, and Wichita State University. Brother Stewart McLeod, from Arkansas City, received his Golden Legion Award, and brothers Steven Blaylock, Dick Carpenter, Bob McCalla, Peter Peterson, and Woody Woodall received their Silver Legion pins.

Brother Clark Jackson presented brother Robert A. Geist with the inaugural "Wichita Area Outstanding Phi of the Year" Award. Bob has been a very active participant in the fund-raising efforts for the construction of the new Wichita State Chapter house. In attendance was Bob's son, Ronnie Geist, an active from the University of Kansas.

Brother Lonnie Glen was re-elected president and also elected to serve as the chapter delegate in Kansas City. Other newly

elected officers include Brad Razook, treasurer; Kendal Nelson, social; and Dan Manson, membership. Mu West Province president, Oliver Samuel brought us current with Phi Delta Theta happenings and told us that a fellow alumni club member, Jordon Haines, will be the featured speaker for the Free Enterprise Banquet at the upcoming convention.

Brother Haines, an alumni from KU, is chairman of the board of Bank IV in Wichita. The evening ended with sports highlight videos from KU, KSU, and WSU.

I don't think the Kansas State alumnis will let a KU alumni pick out the KSU video next time — a KSU football recruiting video!

If any Wichita area alumnis are not getting our newsletter, please call Lonnie Glen at 721-2887 or Kendal Nelson at 685-1229. A special thanks goes to brother Howard Stockton, president of the Central Florida alumni chapter, for offering suggestions and allowing us to use some of their ideas in our newsletter (although he admits some of theirs are stolen, too!)

WICHITA: Receiving Golden Legionnaire and Silver Legion awards at the Wichita Founders Day dinner were Bob McCalla (Wichita State '66), Dick Carpenter (Wichita State '66), Steward McLeod (Kansas '42), Woody Woodall (Wichita State '66), Peter Peterson (Kansas '68), and Steven Blaylock (Kansas '68).

Cage Selections All Unanimous

BY DR. JOHN DAVIS, JR. (Washburn '38) Scroll Sports Editor

For the first time in fraternity history, the All-Phi Basketball Board was unanimous in its selections for every member of the 1989-90 first and second honorary teams.

The All-Phi first team is composed of a pair of McGill seniors and a trio of underclassmen from Stanford, Kansas and Centre. The second team is composed of four seniors, three of them from Puget Sound, and a single underclassman.

Pacing the selections is Dave Hicks (Centre '91) who had 679 points for a 26.1 average plus 229 rebounds. He had a top game of 44 points against University of the South with 36 against Fisk, 34 against Marysville and 32 against Seward and Mt. Vernon. Centre won the Collegiate Athletic Conference with a 9-1 record.

A pair of McGill seniors are repeaters. Dave Steiner was All-Canadian for the third consecutive year and Paul Brousseau was the leading rebounder in Canada with 222 for a 12.3 average. Steiner scored 1,853 career points and was over 30 points 17 times in his career. He averaged 22.8 this year with a top game of 42 points against Carlton.

Brousseau was All-Canadian for the second consecutive year and won the E. C. Lebel Award as "The Outstanding Player in the Eastern Division." For the season he scored 429 points for a 23.9 average. He scored over 30 points in seven games.

Adam Keefe (Stanford '92), an All-PAC Ten selection, had a 19.0 scoring average along with 225 rebounds. He earned "PAC Player of the Week" honors on Jan. 24.

Completing the first team is repeater Mike Maddox (Kansas '91). He had a 9.0 scoring average plus 105 rebounds coming off the bench as the nation's best No. 6 player with the Jayhawks, who were ranked in the top three for 12 weeks. His top games were 21 against Alabama-Birmingham and 17 against UCAA Champ UNLV.

The second team was dominated by a Puget Sound trio. Aaron Hansen ('90) had 447 points for a 15.0 average plus 113 rebounds. Mark Schultz ('91) scored 392 points for a 13.07 average plus 191 rebounds, tops on his team. Nick Klungel ('90) scored 294 points for a 10.14 average plus 183 rebounds. Schultz was named NAIA District "Player of the Week" twice and Klungel once.

Completing the unanimous second team is former All-Phi Bob Blackwood (Central Florida '90), team co-captain with a 11.6 average and Dan Finn (Centre '90), also a co-captain with a 12.8 average plus 101 rebounds and 89 assists. Blackwood had top games of

24 against Valparaiso and 19 against Davidson.

The future appears bright with underclassmen Keefe, Hicks, Schultz and Maddox returning along with All-Phi holdover John Mugler (Washburn '91), sidelined this year with pericarditis, an inflamation of the sac surrounding the heart.

Legendary Great Tom Harmon Dies

Lom Harmon (Michigan '40), a member of the All-Phi Football Board for 34 years and the donor of the Tom Harmon-Grantland Rice Trophy given annually

to the "Outstanding Phi Delt Athlete", died March 29, 1990 in Los Angeles, Calif. of a heart attack at the UCLA Medical Center after completing a round of golf at the Bel-Air Country Club.

Brother Harmon, as a University of Michigan tailback, won the Heisman Trophy, Maxwell Award and the Associated Press "Athelte of the Year" honors in 1940. Like all play-

ers of that era, Harmon also played defense. He was a starter in basketball with *All-Big Ten* second team honors and he ran the low hurdles in track. As a Gary, Indiana high school senior, he set a national high school record in the low hurdles.

The Chicago Bears made him their first pick in the 1940 NFL draft but he signed with the NY Americans. After serving in the Air Force during World War II where he earned a Purple Heart and Silver Star, Harmon spent the 1946 and 1947 seasons with the Los Angeles Rams. Combat injuries to his legs ended his playing career and he turned to sport broadcasting.

"Tom Harmon was by far the greatest football player and all around athlete we've ever had at Michigan" said Will Perry, Michigan's associate athletic director.

"He was truly a legendary sports hero who was on the cover of *Time* and *Life* Magazines. At a time in this country when there was no television, everybody knew who Tommy Harmon was".

Memorial mass and services were held at St. Paul's, the Apostle Church in Westwood, CA. Survivors include his wife, the former actress Elyse Knox; his son Mark, a television and movie star who played quarter-back at UCLA in the early 1970's; two daughters, Kristin, ex-wife of the late Rickey Nelson and Kelly, an actress and eight grandchildren. — Dr. John Davis, Jr.

CU Hires Harrington

Joe Harrington (Maryland '68) a member of the All-Phi Basketball Board and the current coach at Long Beach State was hired during the recent Denver NCAA Championships to revive the basketball fortunes of the University of Colorado.

Harrington played at Maryland under Lefty Driesell. Then he spent 10 years there as an assistant coach. He had been a head coach for 11 years compiling a 179-135 record at Hofstra, George Mason and Long Beach State.

He is regarded as a national-caliber recruiter. Harrington takes over C.U. program that has not produced a winning record since 1983-84. Prior to signing, Harrington turned down the University of Miami (Fla.) coaching job.

INDUCTION: Thomas C. Eakin (Denison '56) was inducted into the Ohio Iota Hall of Fame at Denison University on Oct. 28, 1989, during Homecoming. He is flanked by Ted Preston, former chapter adviser, and David J. Shannon, chapter president. Eakin

is the founder and president of the Ohio Baseball Hall of Fame. He was honored for his outstanding achievements in sports and civic activities.

APPOINTMENTS - MEETINGS - ANNOUNCEMENTS

Scholarship Woes Concern GOC

Scholarship — or the lack of it—was one of the most discussed topics at the General Officers Conference in Fort Mitchell, KY, Feb. 16-18.

What about liability insurance, hazing, alcohol abuse and drugs?

Those problems were also discussed at length but the overriding topic was the poor scholarship performance of many Phi Delt chapters.

"I believe it is significant for us to note that only nine (9) chapters of the 45 reporting were above the All-Men's Average last Spring," reported Fr. David Turner, scholarship commissioner.

"First of all, scholarship reporting is not done by all colleges and universities," he said. "We have received only 45 reports of chapter scholarship as of last Spring. This is 45 out of 170, or only 26%. While this may be a small number from which we might extrapolate and come to a conclusion, the picture we see here might be what is the real condition throughout Phi Delta Theta."

There were several proposals brought forward to deal with the problem.

The Code Committee is considering a proposal that would require a 2.25 (on a 4 pt. scale) in order to be initiated. This would be presented to the General Convention this summer in Kansas City.

Turner recommended the establishment of an ad hoc committee from among the general officers to make recommendations to (a) the General Council and (b) to the Awards Committee regarding having fraternity standards for pledging and initiation as well as some related scholarship criteria when designating a chapter a Gold Star or Silver Star chapter.

He also recommended the consideration of some type of program where by every chapter of Phi Delta Theta will make some report of its scholarship standing whether such report is given by the college or university or not.

University Concerns

Major concern regarding the scholarship issue was also expressed by Dr. Ed Whipple, reporter of the General Council, regarding recommendations by the American Council on Education composed of college and university presidents.

"The presidents want fraternities to get their act together and promote good scholarship instead of the opposite," stated Whipple. "They are going to put pressure on us to either improve scholarship programs or cease to exist."

One of the ACE's recommendations aimed at the scholarship program is to have all fraternities go to deferred rushing systems. Another is to eliminate pledge status as a requirement for institutional recognition or support.

"The National Interfraternity Council, of which Phi Delta Theta is a member, has taken strong exception to both proposals in a resolution adopted at their conven-Continued on Next Page

tion on Dec. 2, 1989," said Whipple. "The resolution questions the deferred rush proposal citing no conclusive evidence that such a proposal would improve scholarship. Secondly, they questioned the elimination of pledging as being premature pointing out that two NIC fraternities (ZBT and TKE) eliminated pledging last year and there has not been sufficient time lapse since to properly evaluate the results."

The general officers voted to direct the General Council to address this issue as a high priority in the coming months.

Purchase of Alcohol

They also supported a proposal whereby the General Council would mandate that no chapter funds be used to purchase alcohol. The Code already prohibits the use of alcohol in fraternity houses and lodges. This item sparked some heated debate.

Officers also recommended that the Council move to implement a staff reorganization proposal which would allow the director of alumni affairs to devote full-time to the cultivation of alumni and alumni clubs. This is part of the Council's Stragetic Long-Range Plan which would create new positions of business manager and editor/director of public relations as full-time head-quarters positions.

The meeting began on Feb. 16 with an orientation for new province presidents along with meetings of the Educational Foundation, the Survey Commission and the Palmer Fund.

The Officer's Conference began on Feb. 17. The morning session consisted of a series of reports from various officers.

Frank Abernathy, treasurer of the GC, reported that the fraternity was in good shape financially as a result of the fee adjustments enacted by the General Convention in 1988. He discussed the possibility of construction of a new headquarters building in the next four or five years. The fraternity purchased a property in Oxford for \$125,000 last year that now houses the chapters services staff.

John Poole, chairman of the Survey Commission, reported that nine new colonies have been installed this biennium: San Diego State University, University of Texas-San Antonio, University of South Carolina, Bentley College, UNLV, West Virginia University, State University of New York-Oneonta, McMaster Unviersity and Eastern Washington University.

The fraternity is in various stages of planning with Cameron University (Oklahoma), York University (Ontario, Canada), Mississippi State University, the University of North Texas, State University of New York-Buffalo, Washington College (Maryland) and Sam Houston State University (Texas).

Richard E. Galloway, chairman of the Palmer Foundation, reported that 13 loans of over one million dollars had been made during the past year.

The need for a strategic plan to be developed by a Housing Task Force to address all areas of housing concerns was emphasized by Housing Commissioner C. T. "Tal" Bray.

Tom Holling, member-at-large of the Council, discussed the work for the Mitchell Scroll Endowment Fund. At the close of 1989 the Fund held assets valued at \$3,350,- 000 and produced income of nearly \$200,000 during the year.

Development Dynamics of St. Louis was hired by the Educational Foundation to conduct the annual fund solicitation drive in 1989 according to Roger Cerne, chairman. The drive raised \$479,215 from 8,453 donors in 1989 and its assets stood at \$4,057,059 as of Dec. 31, 1989.

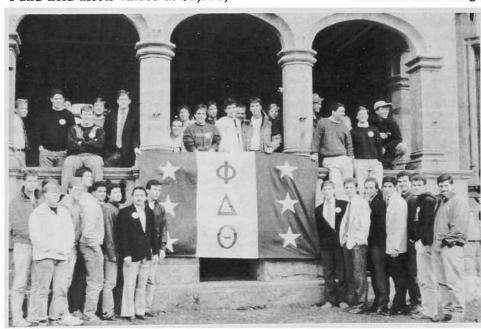

Liability Coverage

Liability insurance charges will average \$70 per undergraduate member in 1990 according to William R. Richardson, director of alumni services. The greatest number of claims has resulted from three types of incidents — (1) slip and fall incidents resulting in injuries, (2) falls from roofs, balconies, windows or fire escapes and (3) assaults or fights.

Bill Estes, chairman of the search committee for General Council candidates, reported the following had indicated they would run for council spots at the summer convention: Frank Abernathy (president), Tony Ambrose, Arby Dickert, Stan Gilson, Tom Holling, Fr. David Turner and Dr. Ed Whipple.

James Burra, chairman of the Code Review Committee, reported

on various proposals for changes in the Code. The committee met in March to finalize those proposals and will then send them to all officers and undergraduate chapters.

Bill Dean, editor of *The Scroll*, announced that the cost of publishing the magazine had remained constant during the past year. He also announced that the GC had voted to keep Hart Press in Long Prairie, MN, as its printer.

Poole, who was also chairman of the Search Committee to name a successor to Robert J. Miller as executive-vice president, reported on the work of his group. J. W. "Bill" Stitt, president of the GC, then announced that the Council had interviewed Robert Biggs, William R. Richardson and Thomas Reardon, all of whom were recommended by the search committee, and that an announcement would be forthcoming within the week.

Group Discussions

In the afternoon the officers split up into five groups, each headed by a council member to discuss a variety of concerns and make recommendations. After these discussions the council met to compile all the recommendations coming from the groups. Those recommendations were then presented for additional discussion before the entire body the following morning.

WICKS HONORED: Charlie Wicks, former president of the General Council, receives the National Interfraternity Conference Interfraternal Award from NIC Treasurer Robert L. Marcham at the NIC meeting in December, 1989.

New Appointments

Newly appointed chapter advisers since Dec. 10, 1989 include: Thomas B. Rankin, S.W. Missouri State; Joseph E. Miller, Cal. State-Northridge; Michael E. Hall, Centre; Michael D. Bryant, Butler; Jerry L. Courtney, Iowa Wesleyan; Peter B. Hall, Texas; Albert W. McCullin, Jr., Southwestern Texas; Craig W. McCandless, South Florida; G. F. (Danny) Daniel, Georgia; Michael R. Canizales, Puget Sound; Thomas R. McKinnon, Knox; and Michael J. Booth, Chicago.

SCHOLARSHIP WINNERS: Three undergraduate Phis at Lafayette won this year's Pennalpha Foundation scholarships. Carl Bergsten ('85), treasurer, and Peter Classen ('72), president, flank the three winners — Gregg Mangione ('90), Andrew Speter ('91) and Aaron Dean ('90). The Pennalpha Foundation also contributed \$2,000 to create an endowed scholarship within Lafayette's general scholarship fund to honor Robert Atchison, who recently died after many years of involvement with the chapter's alumni board.

NEWSFRONTS

Matthew Harper (Miami-Ohio '91) has been elected to serve a one-year term as president of the IFC at Miami.

Colonization ceremonies for members of the Phi Delta Theta Interest Group at Mississippi State University were conducted March 4, 1990. The colony has 23 members.

Phi Delts at Ole Miss combined with members of Sigma Nu on Feb. 25 to stage a charity football game that raised over \$4,000 for a local high school football player who was paralyzed this Fall. Both groups pledged \$2,000.

Michigan Alpha won the intramural wrestling tournament in the fraternity division at Michigan in December, 1989.

Charles E. Wicks (Wilamette '47), former president of the General Council, was presented with the 1989 NIC Interfraternal Award at the NIC meeting in Dearborn, Michigan on Dec. 1, 1989. The presentation was made by Henry L. Bauer, NIC president.

The November/December, 1989 issue of Link, the publication of The Amyotrophic Lateral Sclerosis Association, was devoted entirely to Lou Gehrig. The article contained several references to Phi Delta Theta and the fraternity's efforts to support ALS.

Bob Hoysgaard (Wisconsin '63), president of the Fort Lauderdale Alumni Club, was "recognized" by a group of Lawrence College Phi Delts while visiting his Sigma Chi son, Rob, in London, England. Paul Alex, one of the Lawrence undergrads, remembered seeing Brother Hoysgaard's picture on the cover of the Fall, 1989 Scroll where he was featured as "Phi of the Year."

The following Phi Delts have been elected to positions on the housing corporation of Indiana Eta: Steve Sheline ('71), president; Darren K. Peck ('91), vice president and secretary and Leonard Bareford ('87), treasurer.

Seven Canadian Phis Receive Scholarships

BY ROB MCINNES (Dalhousie '85)

Seven undergraduate Canadians, have been named winners of the 1989 Canadian Scholarship Foundation Scholarship awards. The scholarships ranged from \$700 to \$1,100 and were given on the basis of outstanding scholarship, chapter, campus and community involvement, financial need and recommendations from employers, university officials and fellow Phis.

The 1989 winners include: Patrick L. Oland, Nova Scotia Alpha; Karl Brunke, Quebec Alpha; Craig B. Jones, Ontario Alpha; John C. Howitt, Ontario Beta; Timothy L. Bullen, Ontario Gamma Colony; Luke A. Swaine, Manitoba Alpha; and Etan Seeman, British Columbia Alpha.

Oland is currently the vice president of his chapter and is active in the Dalhousie Commerce Society and campus intramurals. He plans to graduate in 1991 with a Bachelor of Commerce degree, majoring in Marketing.

MY PHI DELT SON

NOTE: The following poem was written by Jacquie Weber, the mother of a Phi Delt undergraduate at Kansas State. She is a member of the Parents Club for the chapter in Manhattan, KS. The poem was written and framed as an auction item for the Mothers' Weekend Auction to benefit the chapter house. The poem was so well received that the club made 40 more for purchase by the undergraduates to give to their mothers for Christmas.

My Phi Delt Son

Of a "Phi Delt son"
I can be most proud,
As this young man's a credit
In any place or crowd.

A gentleman with "moral rectitude" And "friendship" to share, A true asset to the K-State campus Who represents his fraternity everywhere.

Being not judged by social status But the individual qualities of each, Nurturing, group togetherness To other young fellows, a tremendous out-reach.

With a "sound learning" attitude Throughout his college stay, I know my "Phi Delt Son" In life's journey, is well, on his way. Brunke is currently the warden of the McGill chapter, having previously held the position of pledge class president. He is very involved in community service, and campus life but his grades have not suffered in the least. His straight A average will serve him well after graduation.

Jones is pursuing a medical degree at the University of Toronto and currently is in excellent academic standing. He is the chapter's scholarship chairman and enjoys photography and music.

Howitt has been an active contributor to campus life at the University of Western Ontario, having served as president of his freshmen class and as a residence hall Don. He has worked at a Summer camp for many years, is an ardent rower, is the chapter's warden, and majors in French language and literature.

Bullen, although not yet a Phi, is a fine representative of the colony at McMaster University. He is pursuing his Honours in Commerce while being active in campus intramurals, the Commerce Society, and the Inter-Fraternity Council as treasurer.

Swaine is an outstanding athlete as a member of the Canadian Junior National Powerlifting team. He majors in Honours Philosophy and Political Science while being involved in a local band. He was pledge class president.

Seeman rounds out this year's winners, representing the chapter at the University of British Columbia. He is at the top of his class in Commerce, while holding the position of assistant rush chairman. Last year he was chapter secretary and Greek Week representative, and continues to remain involved in campus and community activities.

The Canadian Scholarship Foundation has been busy over the year, having recently assumed the duties of fund-raising among the Canadian Phis. A campaign is currently underway that will allocate funds toward the 1990 scholarship winners.

The Foundation has developed a plaque for each Canadian chapter, listing the names of winners since the Scholarship Award's inception in 1974. Since that time the Foundation has awarded more than \$55,000 in scholarships to deserving undergraduates across Canada.

For more information on the Canadian Scholarship Foundation please write to them at 425 University Avenue, Suite 602, Toronto, Ontario, M5G 1T6.

THE BOND

NOTE: The following poem was written by Sean P. Hoskin (Dalhousie '88) and was sent to General Headquarters by Fred Green, province president for Alpha North Province.

THE BOND

I sit alone,
The book opened in my hands.
No ordinary book,
But a hand-written manuscript,
A manuscript first scribed one hundred and forty
years ago.
This is the Bond of Phi Delta Theta.

Reading it, the years fade.
Time reverses.
I'm in a room at Miami University.
Around me sit six men,
Men of great stature and strength of purpose,
Met for one reason;
To form a brotherhood,
A Fraternity.

More than a century later
Their creation lives on,
Growing through the pride of its members,
Nurtured by the principles set forth by the six.
They would be proud.

Over one hundred seventy-six thousand brothers Drawing from each other for support, friendship and experience. All are united in the brotherhood.

Separated by distance, Side by side; it matters not. All are united. The fraternity is strong.

Bound by its secrecy.

And it shall continue to strengthen.
The brotherhood will grow,
As long as the fraternal feelings are strong,
As long as I do my part
To transmit the fraternity to those who follow me,
Greater than it was transmitted to me!

With each signature in the Bond Another brick is added to the foundation of the fraternity. The larger we get, The longer we live.

Phi Delta Theta for Aye!

DORSEY AWARDS: Four outstanding students at the University of Georgia received 1989 Jasper Dorsey Awards given by the Young Alumni Council. The presentation took place at the halftime of a Georgia football game. The group includes Dr. Charles Knapp (Iowa State '68), University president; Trey Googe, Outstanding Junior Man; Kelly Curran, Outstanding Senior Woman; Dr. Jere Morehead, YAC awards chairman; Frances Ashworth, Outstanding Junior Woman; Dorsey (Georgia '35); and Alec Kessler, Outstanding Senior Man.

MARYLAND BETA: Maryland Beta brothers conducted their third annual alumni golf tournament on Oct. 21, 1989. There were 40 alumni in attendance and the active members served as caddies.

Number of Contributors Increase

The 1989 Educational Foundation campaign drew better than 2,000 more contributors than the 1988 campaign. This represents a 32 percent increase in participation. Over 30 scholarships are now being given on an annual basis to undergraduate Phis from the income off the fund.

BY ROBERT J. MILLER President **Education Foundation**

he Phi Delta Theta Educational Foundation's 1989 campaign drew better than 2,000 more contributors than a similar effort in 1988. This represents a 32 percent increase in participation when allowances are made for the exclusion of Canadian gifts. It should be noted that the Canadian campaign is now treated as an individual event and will be reported in a separate article.

Foundation Beneficiaries

Again in 1990, the Foundation will make grants to benefit the chapter consultant program, the David D. Banta Memorial Library, the Scholarship Commissioner and the Leadership College. The recipient receiving the largest grant will be those undergraduates who receive scholarships.

All scholarships awarded at large are intended for fourth year students. A nominee must be a member of Phi Delta Theta, currently enrolled in college, who in June of the year of nomination will have completed three years, but not more than four years of study.

The candidate must return to the college or university where his chapter is located for at least one additional academic year, during which time he must be an active participant in chapter affairs.

He should be the brother who, in the eyes of his fellow chapter members, best exemplifies the teachings of the Bond of Phi Delta Theta. In selecting this individual, his accomplishments in the following activities should be considered: scholarship, chapter service, campus activities and honors, and community involvement. Factors such as moral rectitude, leadership and character should appear in letters of recommendation.

Since the beginning of the scholarship program in 1962, over 500 awards have been granted, with a total value in excess of \$600,000. Over 30 scholarships are presented on an annual basis.

The individual judged to be the most outstanding of all candidates is named the Arthur R. Priest recipient of a \$2,500 scholarship. Numerous grants from designated funds are awarded in specific chapters or geographical areas, in addition to the scholarships which are available to the undergraduate membership at large.

New Founders Club Members

The 1989 campaign saw the addition of three additional names to the Founders Club list, bringing the total to 20. The trustees of the Foundation consider it a privilege to recognize S. Stanley Learned (Kansas '24), Douglas B. Milne (Oregon '38), and James P. Burra (Cal State-Northridge '67) in this

Brother Learned graduated from the University of Kansas with a

degree in civil engineering. He became a successful top executive of Phillips Petroleum Company, serving as president and chief executive officer. He was director of the Tenth District Federal Reserve Bank in Kansas City and the American Petroleum Institute, as well as the Independent Petroleum Association of America.

In the Fraternity, he has served as a trustee of the Educational Foundation (1964-69), as the Biennial Convention speaker in 1966 and was named the international Phi of the Year in 1970, in recognition of which he was presented the Raymond L. Gardner Award.

Brother Douglas B. Milne is the first of a three generation Phi family. He has two sons, Douglas J. and Jack E., who were initiated by the Fraternity at Sewanee and Vanderbilt, respectively, plus a grandson, Joey H., a recent initiate of the Clemson chapter. He also has two Phi brothers, John and Harry T., who were initiated at Oregon State and Oregon.

*The number of members in each of the giving levels is based upon cumulative giving, regardless of whether a gift was received in 1989.

596 members have been added to the various giving levels during the 1989 solicitation campaign.

The number of living alumni who have given gifts totaling less than \$100 is 20,009. The total number of living alumni who have contributed at sometime to the Educational Foundation equals 32,081.

of Oregon, Brother Milne served as president of the Oregon Alpha chapter. Following discharge from the U. S. Army with the rank of Lieutenant Colonel in 1941, he and his wife decided to remain in Florida. He started his own food brok-

erage firm in 1948, a business in which he remains active today.

He has been involved in many community activities, serving as a trustee of the Edward Waters College and Jacksonville University, chairman of the Jacksonville City Rescue Mission, and is a leader in St. Mark's Episcopal Church.

A certified public accountant by profession, Brother James P. Burra is president of the W. D. Adam Company, a manufacturer of material-handling containers, which are made of high density polyethylene. His experience prior to the current presidency included ten years with the Arthur Andersen Company and experience as the chief financial officer for Intercole, Inc. He currently serves as a director of the Orange County American Cancer Society.

As a very active Phi Delta Theta alumnus, Brother Burra has been a chapter financial adviser, a house corporation president and is the current president of the Fraternity's Omicron South Province. In the latter capacity, he has served two terms on the Code Review Committee and twice on the Chapter Adviser Award Committee.

Memorial Gifts

Memorial gifts play a significant role in the Foundation's fund-raising program. When such gifts are received, they are acknowledged to the donor and recognition of the gift is forwarded to the family of the deceased. A gift in memory of a member or close friend of the Fraternity serves as a lasting testimonial.

Matching Gifts

Many companies participate in a matching gift program. Contributions given by current or retired employees or directors and/or their spouses, which meet the specific guidelines established by the individual company, will be matched at least one-to-one. Matching gifts are added to the contributions of the individual in determining gift level recognition. A partial list of corporate matching gift programs is displayed with this article.

PHI DELTA THETA CLUB RECOGNITION

NOTE: These lists contain all donors in the five highest giving levels regardless of when the most recent gift was received. Deceased donors are only listed in the Founders Club. An * before the school name indicates the chapter is inactive.

OF PHI DELTA THETA FALL 1990

Biggs Named To Follow Miller

Robert Alan Biggs (Georgia Southern '76), who has been director of chapter services since 1978, will become executive vice president of the fraternity on June 30, 1991 when Robert J. Miller officially retires.

Robert Alan Biggs (Georgia Southern '76) has been named Phi Delta Theta's next executive vice president by the General Council.

He became the Executive Vice President Designate on July 1 and will assume the post effective June 30, 1991 when Robert J. Miller officially retires to become president of the Phi Delta Theta Educational Foundation.

Biggs will only be the fourth executive vice president in the history of the fraternity.

When Biggs becomes executive vice president he will be replaced as director of chapter services by Norman Allen (U. of Pacific '88). Allen is currently assistant director and he will be replaced in that post by Abraham Cross (Tampa '88), who has served the past two years as a chapter consultant.

Bob was born in Minneapolis, Minnesota on January 31, 1954. He finished high school in Atlanta, where his family had moved in 1964. After two quarters at North Georgia College, (Dahlonega) in the 1972-73 academic year, he transferred to Georgia Southern College, where he graduated in 1976.

He joined the general headquarters staff in August, 1976, as a chapter consultant, serving in that position for two years before being named director of chapter services in August 1978, a position he has held since.

His responsibilities have included managing services, programs and activities for Phi Delta Theta's undergraduate chapters. He has recruited, organized, trained and supervised the consultant staff.

He has been the key staff person instrumental in the development of new chapters in conjunction with the Survey Commission. He has been responsible for the written and video presentations when representatives of the fraternity visit a campus that the Survey Commission has identified as a possible expansion site.

Biggs has also written and edited the current officer manuals, bulletins, newsletters and brochures used by the various volunteers who work with the undergraduate chapters.

In addition to his responsibilities as director of the chapter consultant program, he served as manager of the 1988 Convention in Dallas and has been the primary staff person responsible for the past two Leadership Colleges on the campus of Miami University. Prior to that, he coordinated the chapter officer and adviser conferences held in various parts of North America.

Bob received an MBA Degree from Xavier University in 1984 and passed his Certified Association Executive examination in 1986. He is past president of the Oxford Junior Chamber of Commerce and is a former scoutmaster for the B.S.A. Troop 930.

He has served on numerous committees and panels for the Fraternity Executives Association, the Association of Fraternity Advisers and the National Interfraternity Conference. He is a campus evaluator in the latter organization. He currently serves as secretary-treasurer of the Cincinnati Society of Association Executives.

He is married to the former Coni Miller and they have two children, Lori, age 4, and Kyle, 8 months.

A Changing of the Guard in KC

It was an historic convention!

* Not historic because of any earthshattering Code changes although there was some lively debate on several proposals.

* Not historic because of any unforseen problem or dilemma that confronted the delegates.

It was historic because it represented the changing of the guard — a time of transition.

It was the last General Convention for Robert J. Miller (New Mexico '50) as the fraternity's executive vice president, a post he has held since 1955. He will retire June 30, 1991 bringing to a close 40 years of service to Phi Delta Theta.

The delegates and visitors to this convention witnessed this changing of the guard and they will not soon forget it. Years from now they can

tell other generations of Phis that "I was there."

Frank Abernathy (Richmond '60) was elected the new president of the fraternity by the delegates. Tony Ambrose (Kentucky '67) and Dr. Ed Whipple (Hanover '74) were re-elected to the Council while Arby Dickert (Clemson '80) and Stan Gilson (California-Northridge '70) were elected for the first time.

They defeated incumbent Tom Holling (Washington-St. Louis '51) and Fr. David Turner (Minnesota '70), a former Council member.

There were several changes to the General Statutes but they were mostly of a housekeeping variety.

The better part of one day was devoted to a Leadership College consisting of 34 sessions patterned after the Leadership College in Oxford in the off-convention years.

There was considerable discussion about Risk Management, a term that really came into being in the 1980s. At the heart of the discussion was the use and misuse of alcohol by chapters of the fraternity.

For the most part, it was a fairly normal convention.

Wednesday Evening

The Kansas City area alumni club hosted an elegant dinner at the new Kansas Alpha chapter house for all of the general officers and their spouses. Following the dinner, a brief history of the fund raising and building efforts for the new chapter house was given by Bill Hess (Kansas '69) and Monte Johnson (Kansas '59).

Opening Session

The opening session featured probably one of the shortest speeches ever given by a president of the General Council. J. William Stitt (Mississippi '54) simply challenged the delegates to "put something into the convention" and "take something back to your chapters." He thanked a number of people and asked his wife, Helen to stand.

At the beginning of the session past presidents of the General Council were introduced. They in-

Tal Bray (South Florida '65), 1986-88. Also introduced was Fr. David Turner (Minnesota '70). who served on the Council from 1982-1988.

The current council members were also introduced followed by the singing of The Star Spangled Banner, O'Canada and Eternal Praise.

Stitt then bestowed Legion of Merit awards on Hall Layman (Illinois '35), chairman of the Frank J. R. Mitchell Fund trustees, and Laird McGregor (Denison '52), former member of the Council who had to resign due to poor health. He was not present to receive the award but Miller had presented it to him earlier at his home. (See Legion of Merit and Legion of Honor stories elsewhere in this issue).

Bob Fitzpatrick (Maryland '58), convention warden, explained the work of the wardens committee and asked for cooperation from all delegates.

Each candidate for the General Council was then given one minute to make a presentation to the delegates. Earlier, Robert J. Miller (New Mexico '50), executive vice president, announced that Kansas City Mayor Richard L. Berkley, had proclaimed June 21-24 as "Phi Delta Theta Days" in the city.

Friday Morning Session

The delegates heard routine reports and passed several Code changes at the Friday morning session.

Bob DeLorain (Arizona State '66), chairman of the committee on credentials, discussed the problem of delinquent chapters. His committee met with 9 of 14 delinquent chapters and recommended that

those delegates be seated at the convention. The recommendation was adopted.

Alan Glover (Nevada '72), chairman of the procedures committee, moved that (1) Roberts Rules of Order govern procedure, (2) the order as printed in the program be the order of business, and (3) that total time allotted for nominating seconding speeches for GC candidates be seven minutes. These recommendations were adopted.

Roger Cerne (Case '63), chairman of the Educational Foundation, reported that the foundation had four million dollars in assets. The Foundation will award over \$72,000 in scholarships in 1990 and will underwrite 25% of the costs of the chapter consultant program. In addition, the Foundation will help pay for many costs of the Leadership College as well as for educational areas in chapter houses.

Bray, housing commissioner, discussed the creation, composition and work of a new housing task force.

Dinkel, Code committee chairman, reported on proposed changes to the Code. In the session the delegates passed changes that represented basic housekeeping changes.

They changed Section 27 to

Continued on Page 131

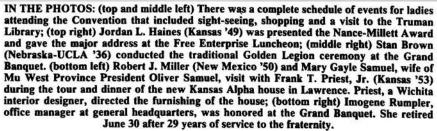

allow the General Council to appoint new commissioners and allow those commissioners to attend conventions without adding each commissioner by an amendment to the General Statutes.

They changed Section 49 by dropping the statement "and inspect" from a statement that listed, as one of the duties of the executive vice president, to "visit and inspect active chapters and alumni clubs."

They changed Sections 56,57,58, 60 and 61 that pertain to the establishment, installation and withdrawal of chapters. The changes are more in line with what is actually the practice of today with regard to fraternity expansion.

At the recommendation of The Educational Foundation the delegates changed Section 125.2 to provide more clarification regarding the description of the Foundation representative in each chapter.

John Poole (North Carolina '65), chairman of the Survey Commission, reported that the commission had reached its goal of adding 15 new colonies during the biennium. He reported that there were currently 173 chapters and 10 colonies in 44 states and 6 Canadian provinces. He then introduced a new video tape used by the commission when its goes to a prospective college or university.

Layman, chairman of the Frank J. R. Mitchell Fund which supports the magazines of the fraternity, reported that the assets of the fund stood at \$3.5 million and was generating an income of \$200,000 each year. The annualized income is 9.5 percent.

Leadership Workshops

The last hour of Friday morning and two more hours in the afternoon following the Free Enterprise Luncheon were devoted to Leadership School sessions on a variety of topics. The first two sessions contained 12 topics and the third one had 10 topics. The topics ranged from issues of chapter concern to programs for alumni delegates and chapter advisers.

LUBBOCK TROPHY: Luc Perron (McGill '91) receives the Lubbock Trophy for his chapter from Ron Garron (Tampa '88).

Free Enterprise Luncheon

Jordan L. Haines (Kansas '49), chairman of the board of Bank IV in Wichita and its holding company, Fourth Financial Corporation, was presented the Nance-Millett Award by Ronald F. Walker (Cincinnati '61), Educational Foundation trustee, at the Free Enterprise Luncheon on Friday.

The award, given by Dr. John D. Millett (DePauw '33) and the late James J. Nance (Ohio Wesleyan '23), honors an individual who has made an outstanding contribution to the free enterprise system.

Haines told the delegates that "Phi Delta Theta is very much a part of me." He pointed out the Phi Delt tradition in his family. Four other members of the Haines family, including his father, brother and two uncles, were already members of the fraternity when he was initiated. He was later joined in the fraternity by a cousin and his son.

"Without Phi Delta Theta I certainly would never have enjoyed the level of success I have achieved professionally and socially," he said. "I was not a leader as an undergraduate Phi. But being a Phi had an impact on me that I really benefitted from.

"A fraternity is a micro-society in which all types come together in a living environment. In that setting you develop values. You learn how to cooperate and to communicate. These are values that adults have to have in order to be successful.

"You learn self-discipline and group discipline. There can be no success with structure. You must draw the line and that is what a fraternity does. That's what it did for me and I believe it is still doing that for others.

"And it does not end with graduation. I remember moving to Phoenix after graduation. I saw in the paper they were having a Phi Delt Alumni Club meeting so I went. I didn't know anyone but I made six of the best friends I have ever had through that experience. The same thing was true in Houston and in

Dr. Whipple was nominated by Dr. Wicks. Seconding speeches were given by Ben Beckham (Alabama '71), William Drinnon (Tennessee Tech '91), James Walter (Stanford '91) and Jeffrey Durham (Hanover '92).

Before the nominations, Dick Galloway, chairman of the Palmer Foundation, reported to the convention. The Palmer Fund has nearly three million dollars in assets with two million dollars out in loans. The average loan is \$43,000. The average loan in 1989 was \$75,000. There are 47 chapters that have taken out 53 loans.

Abernathy then reported on the financial condition of the fraternity. He discussed the need for a new general headquarters building. He indicated that he was optimistic about the financial status of the fraternity.

While ballots were being counted a formal opening of a chapter meeting, a formal initiation ceremony and a formal closing were given by members of the Emporia State chapter.

Following the Awards Luncheon the Code Committee then came back to the convention to take care of unfinished business. Of prime concern was Section 59, dealing with the way charters would be granted. After considerable discussion and debate the convention changed Section 59 by approving a procedure whereby the respective province president and the Survey Commission would monitor the progress of a colony. When the colony completed GC prerequisites, the province president could then recommend that a charter be granted.

The charter would be granted only if (1) three-fourths of all chapters in the province in which the institution is located approve, (2) the Survey Commission approves and (3) the General Council approves. If the colony is located in a province containing four or more chapters, then the three-fourths vote is required. If the province contains only three chapters, then the vote of two of them is required for approval.

In addition the convention formalized the General Council nominating process by approving the addition of a Nominating Committee that will now replace the less formal Search Committee.

The convention defeated a proposal that would have required a pledge to attain a 2.25 grade average on a 4-point system in order to be initiated.

The convention also defeated a proposal that would have given all chapter advisers a vote at General Conventions.

The session was concluded with a presentation on Risk Management conducted by Art Hoge (Westminster '75), dean of the Leadership College, Rusty Richardson (Tampa '80), director of alumni services, and Jim Beckman (Centre '85), insurance broker.

Grand Banquet

A tribute to Miller highlighted the Grand Banquet.

First, he was inducted into the Founders Club, reserved for members who contribute \$10,000 or more to the Educational Foundation. The general officers, consultants and friends had raised over \$18,000 to create a scholarship in his name at the time of the convention.

Later in the program, Miller was presented with a family portrait and was given the opportunity to address the delegates. He was also presented with a portrait of the Governor's Palace at Williamsburg, VA by incoming GC President Abernathy. The evening was concluded with a slide presentation highlighting Miller's 39 years of service.

Another highlight of the banquet was the presentation of the Gardner Trophy recognizing "The Phi of the Year" Monte Johnson (Kansas '59). Johnson and his wife were present to receive the award. (See story elsewhere in this issue).

Earlier in the program, Brown conducted the Golden Legion ceremony honoring Webster Bishop (Texas '40) and Dr. Russell D. Shelden (Missouri '39).

Trophies for award-winning chapters were given to Westminster, Kansas City Trophy; Mississippi, Founders Trophy, and Iowa State, Harvard Trophy.

Ten-year service recognition was given to Holmes, Fred Dunn (Indiana '65), Marv Perry (Maryland '53) and Estes.

Burra joined Miller in the Founders Club in a presentation conducted by Perry.

Stitt then presented a Legion of Merit medallion to Oliver Samuel (Kansas '48) and a Legion of Honor medallion to Cary.

The new General Council was installed followed by the tributes to Miller and a special slide presentation "A Look Back" that featured a variety of convention activity concluded the evening.

Jackson (Auburn '82), vice president; J. Lane Nalley (Washington & Lee '74), executive secretary-treasurer, and John B. Jackson, Jr. (Georgia Tech '45), executive vice president. They were reelected by acclamation.

CENTRAL FLORIDA

Since reorganizing the Central Florida Club early in 1989, the club has experienced an exceptionally successful first year of operation. Membership started at zero and ended with 96 dues paying brothers. Regular monthly luncheon programs were established providing interesting speakers and loads of fellowship.

Five major activities were conducted during the year. We kicked-off with a "reorganizational" dinner featuring Director of Alumni Affairs Rusty Richardson as speaker. The four other events were: a charity fund-raising golf outing; two evening dinner programs with brothers Chuck Rohe (Wisconsin '62) and Don Rutledge (Florida '62) serving as speakers; and a "top-drawer" Founders Day headlining Past General Council President Tal Bray.

In June, the club began its second year of operation. A "kick-off" membership renewal campaign is to be the first order of business. Membership Chairman John Mischuck (Central Florida '88) will handle the collection of dues for 1990-1991 which will be \$30.00. Brothers are encouraged to give more than the minimum dues and become members of our "Sword and Shield Club."

The club held its first Founders Day celebration on March 29 with 50 actives and alumni in attendance. The highlight of the evening was the induction of Tom Wuichet (Dennison '43) and Donald Gaylor (Iowa '42) into the Golden Legion. Province President Ed Hopper handled the induction ceremony for the Golden Legion and for eight brothers joining the Silver Legion. They were John Williamson (Georgia '57), Sandy Sanders (Florida '56), Fred Pfeiffer (North Carolina '46), Earl Long (Florida State '54), Pat Huff (Florida '52), Bobby Duncan (Florida '56), Bill Byers (Auburn

'49), and Howard Stockton (Akron '58).

Central Florida alumnis were honored to have as their speaker, Tal Bray, past president of the General Council.

John Mischuck reported that the club now has a paid membership of 96 brothers. Not bad for a club only one year old.!

During the business meeting directors were elected for 1990-91. They were: Brian Waterhouse (Rollins '85), Jon Sales (Jacksonville '70), Charles Carmen (Florida '71), Tom Davison (Rollins '83), Whit Duncan (Florida State '85), Bobby Duncan (Florida '56), Howard Stockton (Akron '58), Wally Hughes (Kentucky '42), Greg Rhodes (Central Florida '84), Lin Lessig (Lehigh '29) and Jack Branham (Florida '50).

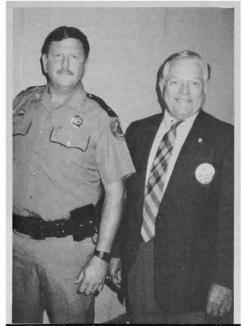

New officers for 1990 are: president Howard Stockton, vice president Brian Waterhouse, treasurer Greg Rhodes, and secretary Jon Sales.

A membership renewal drive will soon be initiated. Orlando area Phis can join by calling John Mischuck (898-8872) or Howard Stockton (904-394-1453). — Howard Stockton

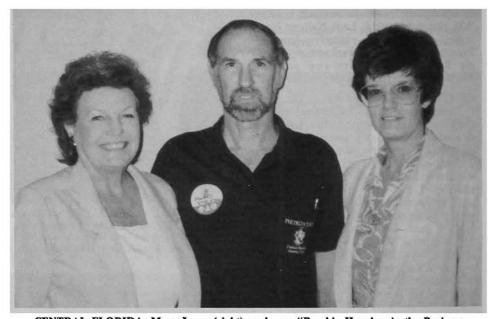

CENTRAL FLORIDA: Tal Bray, past president of the General Council, delivered the main address at the club's Founders Day Dinner.

CENTRAL FLORIDA: Lt. J. R. Harper, Florida Highway Patrol, who spoke to the club regarding DWI liability, is greeted by Sandy Sanders (Florida '56).

FORT LAUDERDALE

The fifth annual "Greek" party was held on March 10 in Terminal 24 at Port Everglades. The participating alumni groups included Alpha Chi Omega, Delta Delta Delta, Delta Gamma, Kappa Kappa Gamma. Phi Delta Theta, Pi Kappa Alpha, Sigma Alpha Epsilon and Sigma Chi.

Close to 400 "Greek" alumni enjoyed chicken wings and cole slaw compliments of Hooters followed by a buffet dinner served by Dominion Catering. The group listened and danced to the music of a band led by

Captain Harry Hann.

The party benefited Florida Ocean Sciences Institute (FOSI).

The proceeds from the party specifically

was used towards the construction of FOSI's new swimming pool, completed in May, 1990.

The check for \$1,500.00 was presented to Neil Wilson, FOSI's executive director during the ground breaking ceremony on March 19th.

The club collected \$2,149 from parking fees at the Ft. Lauderdale Spring Boat Show for the benefit of the Florida Ocean Sciences Institute (FOSI), the club's community servcie project. The show was held on May 3-6 at the Bahia Mar Resort & Yachting

FOSI is a program for teen-age offenders that uses a marine-oriented approach to rehabilitation. Since adopting FOSI as a community service project in 1987, the Phi Delta Theta Alumni Club of Ft. Lauderdale has raised more than \$47,000 for FOSI.

Thirty-two Phi Delts participated including, Craig Voight (Miami-Florida '69), Dave Isenberg (Florida '75), Bob Hoysgaard (Wisconsin '63), Lowell Boggy (Indiana '47), Steve Rea (Pittsburgh '81), Larry Serlo (Florida '81), Jack Korthals (Ohio State '70), Michael Luby (Ohio State '70), Harry Schaefer (Purdue '64), Bob Allen (South Florida '74), Bob Slatterly (Union '40), Don Schaffer (Lafayette '54), Cliff Roberds (Georgia Tech '53), Rick Forum (North Carolina '66), Bob Poage (Florida '48), Mark Englehart (Montana State '73), Wynne Casteel (Missouri '54), C.B. Highlights during the ceremony included the reunion of fellow Golden Legionnaires Jay Anson and Dick Butler, who had not seen each other since their Butler University days...over 50 years ago! Dick recited the poem "The Poem on the Wall" by Hilton U. Brown, Jr. Dick and Jay had to memorize the poem during their pledgeship at Butler University.

William Cook Murphy was sponsored and introduced at the ceremony by his Phi Delt "Big Brother" Don Hess (Miami-Elorida '59). Also, John (Jack) Quailey was sponsored and introduced by his son, Bruce Quailey (Penn State '71).

HOUSTON

On June 12, the Houston Alumni Club gathered together for the first ever Houston Astros Skybox Party. There were approximately 50 Brothers in attendance at the festive gala that was highlighted by an Astros victory.

The poor Dodgers never stood a chance as they were victimized by the constant heckling of brother Steven Helm (Texas '85) who incidentally was crowned the "Hotdog" King.

Other brothers responsible for helping bring the Astros to their fourth straight win are David Stevenson (Southwestern '84) and Tom "Bubba" Trammell (Southwestern '84). They, in fact, led the whole Astrodome in prayer when Juan Agosto was brought in to pitch in the seventh inning. Way to go guys!

Another special point of interest was the beautiful rendition of the national anthem given by P.P.G.C. '68-70 Howard E. Young (Southwestern '47). His rap was done to the charming beat box of Leon Blum (Southwest Texas '83) and the stylish scratching of MC Jed Skeet (Texas '84).

The HAC would like to welcome some of its newest members: brothers Carl Badgett, Gregg Proctor, Roland Brand, Julian LaRoche, David Bowman, Ed Cappel, Ken Perkins, Ben Edwards, Jerry Thuber, James Reckling, Ed Ellis, James Root, Glenn Ewton, Terrell Taylor, Don Toland, John Overshiner, Ted Ellis, Jack Mayfield, Paul Noyd, Roy Box, Walter Taber, Ben Austin, Stephen Claiborn, and Greg Marshall. In addition to the new members, we were also fortunate to have two visiting brothers join us from other parts of the nation. Their names are: Greg Arnold (resident of Florida), Andy Schwartzfeggar (resident of Ft. Worth).

We always have a great time when we get together so if you are interested in joining, please call Chris Young (Texas '84) [Office: 953-1363, Home 664-9771]. Our next event will be a golf tournament, two-man scramble format, at the Sugar Creek Golf Course sometime in September. Prizes will also be awarded for groups with the highest scores so as to make the tournament more interesting. — Ben Austin

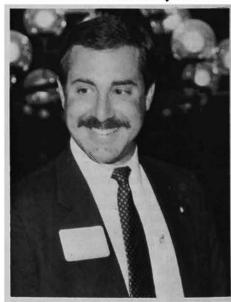

ILLINOIS

Illinois Delta-Zeta noted the founding of the fraternity and their chapter 119 years ago, with a dinner at the Lincoln Room, Knox College, Galesburg, IL. Illinois Delta was founded in 1871 and was combined with Illinois Zeta at the closing of Lombard College in 1930.

Ninety alumni, guests, actives, and Phikeias gathered for an evening of brotherhood featuring the presenting of the Golden Legion certificates and pins to Ralph Sharpe, Jr., Flossmoor, IL, Robert C.

LOS ANGELES: Wendall Niles, long time master of ceremonies on many famous radio programs, was the featured speaker at the Los Angeles Alumni Club's Founders Day dinner.

LOS ANGELES: Chris Lapple presided over the Los Angeles Alumni Club's Founders Day dinner as one of his last official acts as president of the club.

Peterson, Elmhurst, IL, and Avon, IL residents, David Wingate, Lewis Lillie, Jr. and John Long. It is an honor to be a Phi for 50 years, however, Lee Cassidy (Knox '20) really impressed the brothers by having achieved that distinction 23 years ago.

Highlighting the evening was an address by Anthony A. Lee, Knox class of 1975. Tony is the state's attorney of the most famous county in the country (thanks to General Motors), Ford County Illinois.

It was noted that the Spring issue of the Scroll was dominated by Illinois Delta-Zeta Phis, with featured articles on Bob Wallace and the Smith family.

After dinner, the brothers visited the Phi Delt house to view some of the improvements, made possible by the "Drive for 125". The "Drive" continues to do very well with over \$26,000 having been pledged. Of that amount, the 233 participants have already paid over \$18,000. The active chapter expressed its appreciation of this support.

With its rich heritage, Illinois Delta-Zeta remains a proud chapter of Phi Delta Theta, and continues to "exemplify the teachings of the Bond".

LOS ANGELES

The annual Founders Day dinner of the Los Angeles Alumni Club was held on March 14th on the campus of the University of Southern California, an institution of higher learning famous for Porsches, Beverly Hills fashions, quarterly vacations in Palm Springs, football and education.

A wonderful evening was put together once again through the prodigious, gargantuan and capacious effort of our steadfast planning committee led by retiring President Chris Lapple of Cal Zeta.

We had more than 100 Phi brothers gather to enjoy refreshment, renew acquaintances and share a wonderful evening.

Following dinner we received enthusiastic reports from the presidents of each of the three chapters in our immediate area: Cal Gamma (UCLA); Cal Delta (USC); and Cal Zeta (California State University at Northridge). Each report was encouraging i.e. grades were improved, athletic prowess was among the best, campus involvement was superior, girls were very good, parties were terrific, and nobody was on probation (that we know of).

Each president then announced his chapter's "Phi of the Year" award. They were: UCLA — Gary Bittner (for the second time); USC — David Sewell; and CSUN — Scott Goldberg. The UCLA chapter took this opportunity to present to Hugh Geyer ('43) a plaque in appreciation of the four arduous years he labored to bring about a lease whereby the chapter is back on fraternity row after an absence of more than 15 years.

One of the high lights of the evening was our keynote speaker. Wendell E. Niles (Montana '27). He kept the brothers undulating between rapt attention and hilarious laughter as he spun a magic web of anecdotes and humor commencing with his experiences in the early days of Montana Alpha through his all encompassing career in the field of entertainment. Brother Niles has appeared in more than 30 motion pictures and is recognized as perhaps the #1 radio and TV announcer during his career. Just a few of "his" shows were Bob Hope, Burns and Allen, Milton Berle, Joey Bishop, Tony Martin, Charlie McCarthy, Gene Autry, Hallmark Playhouse and on and on. Among his many honors is his star on the famous Hollywood Walk of Fame on Hollywood Blvd.

As usual, the Golden Legionnaire ceremony came last. This year we inducted 11 men into that most hallowed group which is the largest class of 50-year Phis we have had and certainly makes their names worthy of mention here. They are: Tom Bair (DePauw '43), Don Fellows (UCLA '42), Hugh Geyer (UCLA '43), George Guild (Washburn '42), Richard Johnson (Centre '43), Norman Lauchner (Franklin '42), W.A. Monahan (Kansas State '43), Howard McGee (Kansas State '43), Carl Nachtrieb (Akron '42), Don Phinney (Kansas State '43), and Robert Trump (Iowa Wesleyan '46).

Following this solemn and inspiring ceremony and official photographs, President Lapple's remarks concluded the meeting. All of us on the Board would like to

thank Chris for his perspicacity and exercitation in leading the L.A. Alumni Club throughout the past four years.

I would like to thank Phi Delta Theta for creating the Silver Legion award, my receipt of which was especially gratifying, since I have been a Phi since 1955. — Samuel Green

MONTANA

On Feb. 24, 1990, alumni and undergraduates of Montana Alpha gathered together to honor four legendary men in Montana, "The Four Norsemen of the University of Montana."

The Four Norsemen came to the University of Montana in the early 1920's from Butte, MT. Little did anyone know that these four Swedish brothers would have a profound effect on sports and scholarships at UM. The first Dahlberg to come to the University was Harry "Swede" Dahlberg, who not only became captain of the football team and member of the Silent Sentinel honor society, but became one of the founding fathers of the Montana Alpha Chapter of Phi Delta Theta in 1920, a year before his graduation. Harry won four football awards and went on to be inducted into the Montana Sports Hall of Fame.

The other three Dahlbergs followed closely behind Harry. George "Jiggs" Dahlberg, ('25), won awards in basketball and football and was later inducted into UM Basketball Hall of Fame, the Montana Sports Hall of Fame, and the Montana Coaches' Hall of Fame. George was assistant football coach for 12 years, head basketball coach for 16 years and became athletic director for six years at the University of Montana. Numerous scholarships and awards were founded in George's name and the new basketball arena at the University was named Dahlberg Arena in George's honor.

After George came Oscar Dahlberg ('26) and Alfred "Al" Dahlberg ('34). Oscar won awards in football and basketball and became student body president in 1926. Alfred won awards in football, basketball and track and won the Grizzly Cup award for outstanding athletes. All four brothers belonged to the Silent Sentinel UM Honor Society as well as starting great tradition of sports and scholarships commitment at Montana Alpha.

Montana Alpha awarded George Dahlberg, the last of the Four Norsemen, a plaque to be hung in Dahllberg Arena in honor of the contributions to the University and Phi Delta Theta by these great men. Three generations of Dahlbergs have been a part of Montana Alpha and will continue to be in the future.

NASHVILLE

On March 28, the Nashville Alumni Club observed Founders Day at the University Club on the campus of Vanderbilt University. As always, it was a packed house with over 130 alumni and actives enjoying a fine evening.

MONTANA: Hal and Sharee Fraser ('64), Corge "Jiggs" Dahlberg ('25), Arthur Dahlberg ('58), and Ann and Roger Strombert ('63) pose with their plaques at the Montana Founders Day.

MONTANA: Honored at the Montana Founders Day were Tim Dahlberg ('91), George "Jiggs" Dahlberg ('25), Arthur Dahlberg ('58) and Steve Dahlberg ('92).

After an excellent meal, President Bill Estes (Vanderbilt '55) welcomed everyone to the banquet and noted that 19 various chapters were represented. Bill then called upon Tom Stumb (Vanderbilt '83), Tennessee Alpha chapter adviser, to make a special presentation to Dorothy Halliburton. The beloved "Dot", who recently retired, was recognized for her 35 years of faithful service as cook and kitchen manager for the Tennessee Alpha Chapter.

Next on the evening's agenda was the Golden Legion ceremony. Brother Stumb performed the ritual, and brothers George Byron Alder (Vanderbilt '43), Edwin Anderson (Vanderbilt '43), Gilbert Blake (Vanderbilt '43), T. Oscar Burris (Vanderbilt '43), Thomas Connor (Vanderbilt '42), Matt Dobson (Vanderbilt '43), and John Warner White (North Carolina '42) were present to be honored as inductees. Others eligible but unable to attend were Warren C. Beem (DePauw '42), Beverly W. Landstreet (North Carolina '43), and Walter M. Robinson (Vanderbilt '43).

The program was then turned over to the Vanderbilt actives. Outgoing President Will

Fitzgibbon gave the state-of-the-chapter report and introduced next year's officers: President Robin Thompson, Vice President John Crockett, Rush Chairmen Charles Mercer and Blake McConnell, Treasurer Todd Driver, House Manager Steven Madden, and Social Chairman Kevin O'Hara. To close the evening, Robin Thompson took the podium to introduce the outstanding class of new initiates and to present the Best Senior Award to Will Fitzgibbon, the Best Pledge Award to Jim Hughey and the John S. Medant Sportsmanship Award to Eb Lemaster. The Nashville Club is already looking forward to celebrating the 143rd anniversity. -John M. Abernathy, III

PALM SPRINGS

The newly formed Coachella Valley Alumni Club held a Founders Day dinner meeting at the clubhouse of *The Springs*, in Rancho Mirage, on March 21, 1990. Past GC President Charles E. Wicks (Willamette '47) gave an outstanding talk on the principles of the fraternity and the full

meaning of membership in Phi Delta Theta. There were no candidates for the Golden Legion Award, but, the evening was enjoyed by all members who were able to be present.

Brother Rick Thacker (Oregon State-Oregon '53), was elected president of the club and brother Frank Marshall (UCLA '47), treasurer. The board of directors will meet later to discuss future events and nominate other officers. Those in attendance were: Bob Bell (Michigan-Pittsburgh '46), Bill Bennett (Iowa '48), Bill Burgess (Minnesota '39), Bob Canady (Wyoming '39), Bob Hexom (Montana '43), Charles Kramer (Wabash '49), Frank Marshall (UCLA '47), Doug Phillips (New Mexico '49), Willard Rowland (Washington-St. Louis '36), John Shelden (TCU '81), Ron Sutherland (USC '51), Rick Thacker (Oregon State-Orgeon '53), Blair Van Vliet (Oregon State '74) and Allen Voigt (Willamette '48). — **Doug Phillips**

ST. LOUIS

On March 29, over 85 members of the St. Louis Alumni Club attended the annual Founders Day Banquet at the University Club. This year's event was one of the best in years and is just the beginning of things to come.

The banquet's main speaker, Fran Murray, is presently owner of the NFL's New England Patriots and is also partners with Jerry Clinton (who's two sons are Phis) in bringing a new NFL franchise to St. Louis. Murray's presentation was both educational and enjoyable, ranging from current NFL business to the pending hotel tax election which will decide if St. Louis builds a new 70,000-seat domed stadium/convention center addition (and, therefore, help decide if St. Louis gets an NFL team).

Preceding Murray on the dias was the well-deserved presentation of the St. Louis Phi of the Year Award to Elmer Boehm (Cincinnati '46) along with a report on Missouri chapters by Province President Jerry Johnson; reports from representatives of the chapters themselves, the induction of four brothers into the Golden Legion, George Fuller (Iowa State '43), Charles Hodgson (Washington '41), John Conrader (Washington University '43), and Lou Bailey (Oklahoma '43); and the election of the alumni board for '90-'91: Bob Johnson (Westminster '81), Charlie Medelberg (Missouri '80), Don Land (Missouri '85) and Matt Kammerer (Vanderbilt '42).

ST. LOUIS: Fran Murray, co-owner of the New England NFL team, was the featured speaker at the St. Louis Alumni Club's Founders Day dinner.

The upcoming year promises to be exciting for the St. Louis club, with the Lou Gehrig Award to be presented to Cardinal shortstop Ozzie Smith at a home game (hopefully June 5...tickets are available) and the annual "Cardiac Cub" softball grudge match with Sigma Chi on September 12 along with other events (Christmas Party, Founders Day). Those alumni in the St. Louis area should contact one of the board members for details. March 29 was just the start of a great year! — Michael Johnson

ST. PETERSBURG BEACH

The St. Petersburg Beach Alumni Club once again held its Founders Day Banquet and Golden Legion ceremony at the beautiful Lakewood Country Club, St. Petersburg, FL on Feb. 23, 1990. To say the least we had our largest attendance in the 24-year history of the club.

The following Golden Legionnaires received their awards: Thomas Daffron (Cornell '41), Fred C. Lemr, Jr., Col. Ret. (Ohio Univ. '43), John E. Stambaugh (LSU '41), Robert W. Yount (Miami-Ohio '42). Unfortunately two brothers, who are members of our club, had to cancel plans to receive their awards, Joseph W. Bradham, Jr. (Florida '43), due to conflicting commitments, and Douglas L. Devos (Wisconsin '42), due to illness.

In attendance was Howard Stockton (Akron '57), president of the Central Florida Alumni Club, who provided us with a few words on the establishment of the recently installed alumni club located in Orlando. We were happy to have brother Stockton and his wife as guests to this very important and festive function. Brother Bob Kinney (Ohio U. '41) and his wife, Betty,

Continued on Next Page

were also in attendance. Brother Kinney vacations in Englewood, FL, but resides permanently in the Cleveland, OH area. Bob will be receiving his Golden Legion award next year and it is anticipated that our club will be his sponsor. He has since become a member of our club.

We had two stirring presentations of the Golden Legion award. The first was Rob Stambaugh (Florida State '69), who presented to his father, John E. Stambaugh (LSU '41), his pin, with his mother, Althea, looking on. The second was Marty Hecht (Ohio U. '42), presenting the pin to Fred C. Lemr, Jr. (Ohio '43), with Ruth, Fred's wife, looking on. It was 50 years ago that Marty pledged Fred with his Phikeia pin at Ohio University, Athens, OH. This was the first time that the two had seen each other since their college days. I might add that Fred has since become a member of our club. He and Ruth now live in St. Augustine, FL, and it is anticipated that they will return to this area to participate in the club's functions.

Preceding dinner, which consisted of the usual New York strip steak as only the Lakewood Country Club can provide, was a Phi Delt songfest. The music was obtained from Headquarters just a few weeks before and started the whole evening on the right "note." It is highly recommended that each of the clubs, if they haven't already done so, obtain the tape and the lyrics from Headquarters. it is bound to start the evening off in the right mood for this or any other social Phi Delt get-to-gether. The songs, led by Jeanne Cherry, wife of brother Lyman (Bud) Cherry (DePauw '37), was able to get more on the right key.

Brother Dean Meck Hoffman, II (Dickinson '41), in the absence of brother Edward Hopper (Akron '65), conducted the Golden Legion ceremony in his usual flawless manner. This same ceremony was written by Dean's father in the days when he was closely associated with Phi Delta Theta at General Headquarters.

The evening was closed by our president Walter Pearson (Iowa '44), with a few words pertaining to what it has meant for him to be associated with Phi Delta Theta, not only during his college days but also and particularly with this alumni club.

Our first event, after the Summer recess, will be our officers installation banquet on September 28, 1990, at the Bilmar Resort Club, St. Petersburg Beach.

As a reminder to the last article, the XXV Super Bowl will be held in Tampa in 1991. Our club is planning a reception but the details will be announced later. — Jerry Novario

SEATTLE

The University of Washington, Seattle Alumni Club held its Founders Day Banquet on April 10, 1990 at the Bellevue Athletic Club. In attendance were over 160 alumni, 75 actives and special guest Robert J. Miller, Ron Smith, Pi Province president

SARASOTA: Dick Crepes (Ohio '44), secretary-treasurer, and Al McFadyen (North Carolina '48), president, congratulate Golden Legion inductees Bill Watson (Florida '43) and Mike Fernella (Akron '45) after Russell Thomas (Emory '48) inducted them.

and Martin Taylor, chapter consultant. All helped celebrate the induction of six Golden Legionnaires.

Jim Cope ('68), alumni president, was master of ceremonies and after a wonderful prime-rib dinner and a few announcements recognizing the many successes that the alumni club has had this year, introduced the co-chapter advisers, Leonard "Banger" Smith ('82) and Mark Cordova ('81). After a brief recap of their report on the active chapter, Banger introduced the rush chairmen for this past year, Andy Miller and Pat Pendergast. They each received a plaque in recognition of a job well done for pledging 33 Phikeias.

Dr. Brew Bede ('71) then called the annual Phikeia meeting to order and conducted the business of the house corporation. Among other issues, the alumni unanimously confirmed the present slate of board members as well as the addition of two new members, Jeff Tallman ('81) and Ror Simpson ('81). Steve Willard ('68), vice president of the alumni club, brought the alumni up to date on a retreat that Steve, Bill Rademaker ('64), Dick Parks ('60) conducted recently with the elective officers in the house updating the by-laws and job description and duties of each office so that an even transition can be made each year when new officers are elected. This outstanding contribution of these three alumni was well received by the house and the alumni, and in recognition, were presented the Three Wise Men Award for outstanding service to Washington Alpha.

Each year, the alumni club and the Phikeia Corporation nominate a distinguished alumni for his long service to the fraternity, higher education, and community in honor of Robert J. Behnke ('43). The award this year was presented by Bob Frayn ('56) to his father Mort Frayn ('27). After a rousing standing ovation Mort thanked the brotherhood, his son, and again confirmed his

belief that Phi Delta Theta is a "fraternity for life". His name will be memorialized on a bronze plaque in the entry-way to the dining room of the House.

Dick Bangert ('71), treasurer of the Phikeia Board, then lead the Golden Legion induction ceremony. Dick had the honor of inducting not only his father Richard E. Bangert, Sr. (Pennsylvania '42), but also Washington Alpha inductees, Robert J. Behnke, Robert A. Paisley, Karl H. Klopfenstein, Lawrence G. Cunningham and Roger J. Williams. We congratulate you brothers, and particularly Bob Behnke, for your legacy.

In addition to being our featured speaker, it was no accident that **Bob** Miller was pleased to be in Seattle to make two special, national proclamations from Headquarters. The first proclamation was given to Arthur T. Lee (Whitman '17) to help celebrate his

75th anniversary of pledging Phi Delta Theta at Whitman College in 1915. To help celebrate were eight family members and four generations of Phis led by his son Ted Lee (Washington '48). Bob also presented to brother Lee a Phi Delta Theta gold chain watch from the Seattle Alumni Club. Arthur then gave a short speech and emo-tionally said, "This is the best damn fraternity there ever was," and thanked everybody.

The second national proclamation was meaningful to Bob Miller in that the recipient was brother Bob Behnke who has been a friend for many, many years. Brother Behnke's exhaustive energies and commitment to Phi Delta Theta has been felt from National Headquarters through the provinces and to the local chapter as well as the alumni club. In recognition of his service, it was fitting that on his 50th year and induction to the Golden Legion Bob was also given a watch by the Seattle Alumni Club honoring this evening. Standing ovations were then given to both brother Lee and brother Behnke.

Before Miller addressed the brotherhood as guest speaker, Dick Parks led 15 of his classmates in class songs. Their enthusiasm and brotherhood was warmly received by the banquet attendees. We hope there will be competition from other classes next year at our banquet. Brother Miller then gave a report on the status of Phi Delta Theta, as well as many memories of his service to the fraternity and his warm associations of many of the brothers in Seattle. The alumni and the active chapter genuinely appreciated Bob's visit and his remarks; and, we thanked him for his brotherhood and friendship with Washington Alpha. We wish him well for the duration of his term as the Executive Vice President, retirement, and future outside of Phi Delta Theta.

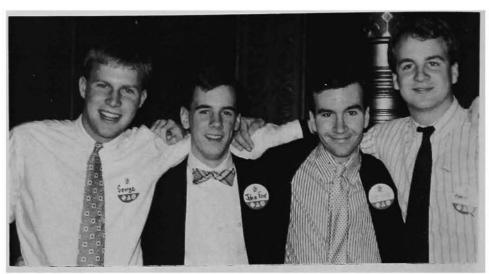

Our evening was concluded by singing Ouaff-A-Stein.

VALLEY OF THE SUN.

On March 29 at the Cottonwoods of Scottsdale the Valley of the Sun Alumni Club held its annual Founders Day banquet. Fifty-eight alumnus and guests were joined by 10 of the undergraduates from the chapter at Arizona State University.

Lee George Coney (Mercer '40) received his Golden Legion pin. Ten brothers received their Silver Legion pins: Bill White (Illinois '66), Bob Meyers (Kansas '59), Joe Roediger (Cornell '60), Ron Saffer (Iowa State '63), Vic Kraemer (Arizona State '61), Richard Dow (Arizona '62), Bill Vaughn (Arizona State '65), Clyde Betts (Gettysburg '64) Bob Willian (Butler '67), and Jack Peterson (Franklin '59). Our featured guest for the evening was Robert J. Miller, the executive vice president of the fraternity.

Once again we would like to extend an invitation to any Phi living in the Phoenix area to join us in future activities. We will be meeting monthly at the Fiesta Inn in Tempe, Arizona, on the first Saturday of each month at 8 a.m. This Summer we will

WASHINGTON, D.C.
The Metropolitan Washington, D.C. Alumni Club celebrated its annual Founders Day Dinner at the Army-Navy Country Club in Arlington, VA on Friday evening, May 11, with brother Bob Schieffer (TCU '59), who is the CBS Television Broadcasting Chief Washington Correspondent, as the featured speaker. At the end of his remarks, brother Schieffer was presented with the 2nd Annual Carl Scheid Appreciation Award by outgoing club president Jerry J. Felmley (Illinois '54), who is succeeded by William M. Treadwell (West Virginia '61).

Frank H. Abernathy, Jr., treasurer of the General Council, gave a preview of the General Convention scheduled for Kansas City, and introduced brother George F. Atwell, president of the Delta North Province.

Brother Asa Bates (Colby '38) conducted the Golden Legion Awards ceremony for two brothers present, Gen. Bernard W. Rogers (Kansas State '43), USA (Ret.), and Douglas P. La Pierre (Colgate '41).

Dr. F. Jay Pepper (Chicago '60) then presented "Distinguished Phi Awards" to Asa Bates, Ph.D.; Thomas J. Stanton (Chicago '63), attorney and chief of U.S. Bureau of Trustees; Stephen F. Osisek (Virginia '51), principal of George Washington School, Alexandria, VA; and Rodney Harrington (West Virginia '46), retired Pentagon military officer.

In addition to brother Treadwell as president, the new officers of the alumni club will be David C. Beeder (Illinois '52), reelected vice president; and Paul Gettel (Michigan State '85), re-elected secretary/treasurer.

The Metropolitan Washington, D.C. Alumni Club meets next on Thursday, September 20 at Ireland's Own restaurant in Alexandria, VA, for a noon luncheon and on the third Thursdays of October and November at the National Press Club in Washington, D.C. for noon luncheons. The December meeting will be on Capitol Hill. All visiting Phis are invited. Contact Dave Beeder, bureau chief at the Omaha World-Herald, National Press Building for further details: (202) 662-7270. — William M. Treadwell

VALLEY OF THE SUN: George Lee Coney (Mercer '40) receives his Golden Legion pin and certificate from Robert J. Miller, executive vice president.

SYRACUSE: Richard Roberts ('80) presents Beta Province President Ron Garon with an award in appreciation for his efforts to improve New York Epsilon. An "Outstanding Alumnus Award" was created in his name to be given each year to the alumnus whose participation and interest in the chapter's continuing progress goes above and beyond the call of duty.

Birthday Bunch Meet Annually

Sometimes alumni have their "special" reunions, but how about a group that has met every January, since their graduation in 1951, without a miss! They are called "The Birthday Bunch".

The Birthday Bunch is a group of seven (or eight) from Missouri Gamma. They are Tom Holling, Charles Mahn, Randy Martin, Hugh Webster and Bob Wolters. Another member of this group, Jim Sprick, died a few years ago but his wife, Barbara, joins the bunch and their wives, at the annual "Birthday Bunch", gathering.

Another Phi Delt member of the "Birthday Bunch" function is Peter Mollman. A "founding" member, who for several years now has lived in Chicago, Illinois, and is not always able to attend. Last year, however, the group journeyed to the Windy City to have the event, and Pete was in attendance.

This same alumni group has always maintained close relationships by also joining together to celebrate New Year's eve, every year!

For about 30 of these past 40 years, they have gotten together at each other's houses for a monthly poker game. Of late, because of family pressures (children/grandchildren), they have backed off a little, with the intent to pick this up in a year or so, again.

In 1990, the group met at Perre Marquette Lodge in Grafton, Illinois for their annual birthday event at which time they also planned a Spring fishing trip to Hallingdal in Northern Wisconsin, a lodge owned by Tom Holling, a member of the group, and a member of the General Council of Phi Delta Theta.

The group has stayed active in Phi Delta Theta activities, particularly Founders Day.

Gerry Grossman was recognized at the annual Missouri Gamma golf outing this past Spring by being designated, by the chapter, as being the Phi who has done the most for Missouri Gamma.

He was the first designatee and received the "Sprick Province President Trophy" named in memory of the "Birthday Bunch" member who is deceased. The "Birthday Bunch" were the founders of the trophy to honor a Phi each year who has made a significant contribution to the Missouri Gamma chapter. The chapter voted to give it to Gerry, one of the "Birthday Bunch".

Wolters is president of Mark Twain Bank, trust division. Grossman is vice president of Maritz, Inc., a world-wide motivation and incentive company. Webster is a partner in the food brokerage firm of Rosen-Maurer-Webster-Sissors, Inc. Martin is president of Multiplex Display Fixture Co. Brossard is a partner in one of St. Louis' largest insurance agencies, Charles L. Crane Agency. Mollman is a vice president of a large Chicago publishing company. Mahn is a retired architect. Holling is president of his own management consulting firm.

Three of the members had three daughters but Jim Sprick's son, Jim, is a Phi Delta from Missouri and Tom Holling's son, Mike, is also a Phi Delt from Missouri.

Next year, 1991, the Birthday Bunch will have survived 40 years. Death took one of the wives, but otherwise they are all married to the same girls, as well.

Is Phi Delta Theta a fraternity for life? These Phis from Missouri Gamma — "The Birthday Bunch" represent a legacy of what the Bond truly means by the word — "friendship", wouldn't you say?

BIRTHDAY BUNCH: Members of the "Birthday Bunch" include Bob Wolters, Gerry Grossman, Tom Holling, and Hugh Webster. Charlie Mahn attended but is not pictured. Randy Martin was unable to attend.

New Province Presidents Selected

Two new province presidents have recently been appointed by the General Council. They include George R. Porosky (Akron '66), Sigma South Province; and Judge Gary R. Wade (Tennessee '70), Eta South Province.

Sigma South includes five Ohio chapters — Epsilon, Eta, Kappa, Lambda and Mu. Eta South includes the state of Tennessee with four chapters — Alpha, Beta, Gamma and Delta.

BEWSFRONTS

David Clifford (Dension '91) has been elected president of the Denison Campus Government Association. He received 41% of the votes cast, defeating two other candidates.

The California Lambda chapter was the winner of the Sweepstakes Trophy in the University of the Pacific's 62nd annual Band Frolic presentation. The Phi Delts were also presented with awards for Best Script and Best Acting.

The Oklahoma Delta Colony at Cameron University was formally inducted on April 6, 1990. Presiding over the ceremony was Nu Province President Jack Cozier. Also present were Mike Sage and Mike Padgham, both representing the Oklahoma Beta chapter, and chapter consultant Jeff Dillon. The new colony is located in Lawton, OK and currently consists of 35 members.

Robert Phillips (Utah '91) has been inducted into the University of Utah Eta Mu chapter of the Order of Omega.

Congressman James A. Courter (Colgate '63) of New Jersey was responsible for furnishing the fraternity with a 5 x 8 United States Flag for the Benjamin Harrison Home in Indianapolis. The Congressman arranged to have the flag, which was flown over the U.S. Capitol, dedicated to the Harrison Home.

Porosky is a chief engineer of Bias Truck Tire Engineering for the

POROSKY

Goodyear Tire and Rubber Company. He has worked for Goodyear for the past 26 years, having received a BS degree in mechanical engineering in 1966 and an MBA in 1973.

He has been active in the Akron community serving as president of the church congregation for the United Church of Christ. He has served his chapter as adviser during the past two years. In addition, he has attended the 1988 General Convention and the 1989 Leadership College. He held many different chapter offices as an undergraduate and attended the 1964 Convention as the official delegate.

He and his wife, Barbara, have three children.

Judge Wade is a member of the Tennessee Court of Criminal Appeals. Before his appointment he

WADE

was a partner in a Sevierville, TN law firm. He is also a former mayor of Sevierville and has been very active in community activities, such as the Lion's Club, the

Heart Association and numerous bar associations.

Wade is a member of the University of Tennessee Chancellor's Associates and has served on the board of directors of the Sevier County United Way.

As an undergraduate he was president of his chapter and later served as president of the local alumni club. He is currently a director of the house corporation.

He and his wife, Sandra, have three children.

The authors use many examples of their projects to illustrate the problems to be anticipated and how to overcome them.

New Colonies Installed

Two new colonies, Washington Epsilon at Eastern Washington University and Maryland Gamma at Washington College, MD, have recently been installed.

Eastern Washington was installed on Jan. 17 with one adviser and 17 colony members participating in the ceremonies held at the local United Church of Christ in Cheney, WA. Norman E. Allen (U. of Pacific '85), assistant director of chapter services, inducted the group.

Maryland Gamma's ceremonies were conducted on March 31 with 23 members being installed under the direction of Bob Fitzpatrick (Maryland '58), Gamma South province president, and David Wilch (Kearney '88), chapter consultant.

New Appointments

Newly appointed chapter advisers since March 10, 1990 include Fritz A. Behring, South Dakota; T. Todd Pittenger, Rollins; Thomas J. Rillo, Indiana; Scott A. Hebert, California-Santa Barbara; John C. Bartlett, Jr. Tennessee Tech; Louis R. Vazquez, Southern California; and Richard S. Pirrotta, Pennsylvania.

Thirty-Six Educational Foundation

The Phi Delta Theta Educational Foundation awarded 36 scholarships worth \$48,500 for 1990. The amount of the J. Willard Marriott Award was yet to be determined.

John R. Moore, IV (Mississippi '91) won the \$2,500 Arthur R. Priest Award. There are now 14 named funds with awards ranging from \$1,000 to \$2,000. Two of these named funds award more than one scholarship.

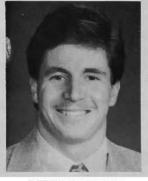

"The competition for the Priest Award was very keen," said T. William Estes, Jr., one of the Educational Foundation trustees. "There were four or five top applications, and it was tough picking the best."

"I continue to marvel at the number of campus activities that many of the applicants are involved in," he continued. "And I mean not just honorary societies that don't require much time, but the meat and potatoes activities that are obviously quite time consuming. This would be a real eye-opener to many undergraduates who just coast through school without participating in any campus activities."

It is the goal of the Educational Foundation trustees to increase the worth of the Foundation so that various educational programs, currently underwritten by the general fraternity, may be sponsored by the Foundation.

UT-San Antonio Installed in March

BY EDDIE J. NEAL

The Texas Xi Colony of Phi Delta Theta at the University of Texas at San Antonio was chartered on Saturday, March 3, 1990 thus becoming the 211th chapter of Phi Delta Theta Fraternity. Former president of the General Council, Howard E. Young conducted the service that saw 35 new brothers initiated.

The initiation ceremony took place in the McDonald Center of the St. Matthews Catholic Church on March 2. Twenty-eight men were initiated that evening including Dr. Bill Gustafson, who is the scholarship adviser for Texas Epsilon and was one of four alumni initiated. Attending the ceremony were Faculty Adviser David Senseman, Alumni Adviser Captain Phillip Beekley, other area alumni, about 20 undergraduate representatives from Texas Mu and Texas Gamma, Mike Gustafson — son of Dr. Gustafson, Young and Director of Chapter Services Robert A. Biggs.

The installation ceremony was held at St. Matthews Catholic Church with brother Howard Young serving as presiding president. Besides a number of family and friends, those attending were Harry Gerlach; Charlie Stevens, Austin alumni club president; Carol Burton, former Rho South province president; university administrators, and area alumni.

Following the installation, a luncheon was held at the Wyndam Hotel. Included among the guest speakers were County Judge Tom Vickers who is an alumnus of Texas Gamma, UT-San Antonio Dean of Students Dora Hauser, Young, and Biggs. Other activities of interest at the luncheon were a slide show depicting the history of the chapter, presentation of awards, and a special memorial for the late Chapter Adviser Chris Wichlep, who died of cancer about a month before the

installation. The memorial consisted of lighting a candle, a moment of silence, and the announcement of Texas Xi financial support of the American Cancer Society each year in honor of Chris and the establishment of the Chris Wichlep Alumnus of the Year Award.

Finally, the events were brought to a conclusion that Saturday evening at the Wyndam Hotel with the new chapter holding its first formal dance in celebration of the accomplishment.

Thus, after starting out three years ago as an interest group of Kappa Sigma Fraternity, changing to the local fraternity Delta Kappa Sigma, and undergoing a year as a colony of Phi Delta Theta, the men of Texas Xi join Alpha Tau Omega, Lambda Chi Alpha, Sigma Phi Epsilon, and Tau Kappa Epsilon as a chartered fraternity on the campus of the University of Texas at San Antonio.

In the past 36 years, scholarships, totaling \$621,827.50, have been awarded to undergraduate members of Phi Delta Theta. We are proud of our Foundation scholars and we are pleased to share with you information about what a few of them are doing preofessionally and in their communities.

Scholarship grants have been made possible by the generosity of thousands of Phis who have made tax-deductible gifts to the Phi Delta Theta Educational Foundation.

ARTHUR F. HOGE III

Arthur F. Hoge III (Westminster '75) received his scholarship grant in 1974. Following graduation, he served Phi Delta Theta as a chapter consultant for a two-year stint and followed that with a short tour of duty as the director of chapter services. He then returned to the halls of ivy to study law at Southern Methodist University in Dallas. Upon completion of his legal education, he became a shareholder and partner in Crowe & Dunlevy, P.C., a law firm established in 1902 and currently consisting of 85 attorneys and 150 support personnel. The firm, located in Oklahoma City, has many specialties, including litigation, tax, corporate, securities, real estate, probate and oil and gas. Brother Hoge specializes in litigation. He is married and the father of one child. He remains active in Phi Delta Theta, serving as adviser to the University of Oklahoma chapter.

HOGE ADDITION

In the Spring issue under the listing of donors to the Educational Foundation the name of William B. Williford was omitted. Brother Williford gave a gift to the Education Foundation in memory of Thomas Chalmers Swann, III.

Bezold Wins Harmon-Rice Trophy

BY DR. JOHN DAVIS, JR. SPORTS EDITOR

Jeff Bezold (Centre '90) won the 1989-90 Harmon-Rice Trophy by a five point margin over Steve Jung (Lawrence '90) to break the stranglehold that Lawrence has had with the past three consecutive winners for the most prestigious fraternity sports award based on athletics, chapter participation, scholarship and school activities.

Bezold, who tallied 51 ballot points, served Kentucky Alpha-Delta as warden in 1987-88, treasurer in 1988-89 and as chapter president in 1989-90. His scholarship record was a 3.56 GPA as an economics major and he was on the Dean's Honor List. His school activities included being vice president of Omicron Delta Epsilon, an economics honor society.

In athletics he started every football game all four years. As a senior he served as captain and he was named Centre's "Most Valuable Player". He was a two-time All-College Athletic Conference (CAC) selection in 1988 and 1989. This past season he was named the CAC "Defensive Player of the Year" and climaxed his career being named KODAK Div. III All-American Linebacker.

Jung, a football and track performer, had 46 ballot points. He served Wisconsin Beta as social chairman in 1987-88, rush chairman in 1988-89, pledge educator 1989-90 and vice president in 1990.

Jung's scholarship mark was a 3.1 GPA as a chemistry major. In school activities he was a lab assistant for general chemistry in 1987-88-89, a chemistry tudor in 1987-88-89, a counselor for the freshmen

in a residence hall in 1988 and 1989, plus a tour guide for incoming students in 1988 and 1989.

In athletics he was a four-year starter as a defensive back serving as captain in 1989 and he was named the team's "MVP" in 1989. Jung was a three-time All-Midwest Conference defensive back plus a second team Football Gazette All-American in 1988 and a Second Team Pizza Hut All-American in 1989.

He was a four-time All-Conference performer in track in 1987-88-89-90. He holds the school record for 600 yards and placed in the Mid-West Conference Indoor and Outdoor meets in 1987-88-89-90 at 400, 600, and 800 meters. Additional awards included a letterman ring for a senior who had earned eight or more letters; the Bernard Heselton Award to the most dedicated senior football player and the Iden Charter Cup for excellence in scholarship, athletic ability, college spirit and loyality.

A distant third with 17 ballot points was Guy Wood (Cameron '90) colony, a four-year varsity out-field regular with a .337 career batting average and an Academic All-American with a 3.95 GPA.

Four Honored At Convention

Legion of Merit medals were awarded to Nelson Hall Laymann (Illinois '35), Laird McGregor (Denison '52) and Oliver Samuel (Kansas '48) and a Legion of Honor designation was given to T. Glen Cary (Texas Tech '56) during the Convention.

Legion of Merit medals were awarded to Nelson Hall Layman (Illinois '35), Laird McGregor (Denison '52) and Oliver Samuel (Kansas '48) and a Legion of Honor designation was given to T. Glen Cary (Texas Tech '56) at the Grand Banquet of the Kansas City Convention this Summer.

The following remarks were made by President J. William Stitt (Mississippi '54) prior to making the presentations to each one:

Nelson Hall Layman

Nelson Hall Layman was appointed a trustee of the Mitchell Fund in 1969 and he continues to serve in this capacity today. Throughout the years of his service, the fund has continued to grow and the income has been used to finance the publication of the Scroll. He became chairman of the Mitchell Fund Board of Trustees in 1981 and was involved in the reorganization and incorporation of the fund in 1983.

A gracious and distinguished gentleman, he is held in high regard by those who know and are associated with him.

He was initiated by the Illinois Eta chapter at the University of Illinois, on February 13, 1932, and given Bond #455. He is now retired from his many years of association with the Northern Trust Company in Chicago.

His brother, Carroll (Illinois '38), is also a member of Phi Delta Theta. He and his wife, Claudia, reside in Hinsdale, IL.

H. Laird McGregor

Laird McGregor was initiated on June 4, 1948, at which time he was assigned Bond #595, of the Ohio Iota chapter at Denison University. He has also attended Kentucky Military Institute, the Ohio State University and the Harvard Graduate School of Business.

He has served on the board of trustees of Muskingum College and been a national director of Junior Achievement and a director and member of the national board of trustees of Camp Fire Girls.

McGregor entered the financial business in 1962 and is now retired from the Dana Corporation, where he was president of the company's venture group, consisting of five divisions: savings and loan, insurance, leasing and finance, property and building systems.

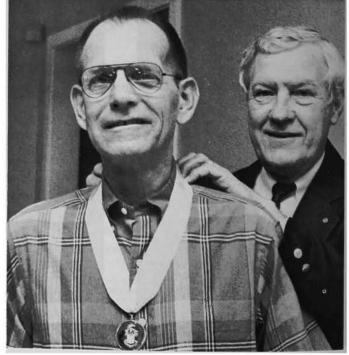

He has been a member of Rotary, the Chamber of Commerce and chairman of the United Fund.

In 1981 he was named to the board of trustees of the Phi Delta Theta Educational Foundation, a service which he faithfully rendered until 1989, when the title of Emeritus Member was conferred upon him. During 1986-1988, this brother served as a member of the General Council. Health problems developed at that time which would not enable him to place his name in nomination for re-election.

While not currently serving as an officer of the fraternity, this brother has never ceased to be keenly interested in the well-being, develop-

ment, progress and expansion of Phi Delta Theta.

The members of his family are his wife, Jo, daughter, Laurie, and son, Andrew.

Oliver Samuel

In 1969, when Oliver Samuel was approached by the General Council concerning possible service to the general fraternity, his response was, "Your invitation to service as a province president really is a surprise and quite an honor. After much thought and consideration, I've decided to accept the office of president of Mu West and I will attempt to do the best job I can." The record shows that he has performed in an exemplary manner for more than 20 years in this position.

He was initiated by the Kansas Alpha chapter at the University of Kansas, Bond #802, on April 26, 1943. His chapters have consistently performed well under his guidance, due, no doubt, in part, to the excellent rapport he has with the chapter members and the respect they have for him. His record of visits made each year indicates a performance difficult to surpass.

In addition, he has been willing to accept other responsibilities, such as serving as a member of the chapter adviser award committee; (he was chairman in 1975); service on the study committee to determine the method for election of the General Council; two terms on the General Council search committee;

a member of the Azure ribbon committee (a committee appointed to study the overall operations of the general fraternity) and, currently, is chairman of the ritual committee.

His family includes his lovely wife, Mary Gayle, a Pi Phi, a Phi son, Ray, Southwest Missouri State University, and daughter, Elaine. He and Mary Gayle are in regular attendance at the Phi Delta Theta conventions and general officers conferences.

T. Glen Cary

Following graduation, it was only a short time until Glen Cary became an alumni club president, chapter adviser, province president and survey commissioner. He was elected to the General Council in 1970 and served 10 years, culminating in the presidency during the 1978-1980 Biennium.

Two of his three terms on the survey commission came following his tenure as a member of the General Council. In addition, he has served as public relations commissioner and on a number of important convention and other Phi Delta Theta committees.

He was initiated Bond #113 by the Texas Epsilon Chapter at Texas Tech University on October 4, 1953, where he was elected student body president, as well as president of several other campus organizations.

He received numerous scholarships for his academic achievement and is recognized in a number of

CARY

"Who's Who" publications. As an alumnus of Texas Tech, he has served the University in a number of capacities: president of the Ex-Student's Association, president of the Loyalty Fund Board of Trustees, Trustee of the Foundation and Development Board and the Endowment and Trust Fund, member of the University President's Search Committee, a member of the Finance Advisory Council, to name a few.

He is a certified life underwriter, a graduate of the American Institute of Banking, the Southern Methodist University School of Insurance Marketing and the LaSalle University School of Law.

He has been on the board of several corporations and civic organizations, such as the Lions Club, Jaycees, Chamber of Commerce, Sales and Marketing Executives International, American Management Association, Dallas Symphony Association and the Museum of Fine Arts.

A native Texan, he is currently the president of the Foster-Cary Agency, Inc. and a general agent with the Central Life Assurance Company, with offices in Dallas.

His family consists of his wife, Shirley, a Phi Phi; son, Lance, a Phi from the Texas Tech chapter; daughter-in-law, Gail; daughter, Shelley, a Pi Phi from Ole Miss and granddaughter, Katie.

He has a Phi brother, Dale, also a Texas Tech graduate.

Moore Named Priest Winner

John Roger Moore IV (Mississippi '91) is the 1989-90 winner of the Arthur R. Priest award and will receive a \$2,500 scholarship from the Phi Delta Theta Educational Foundation to help finance his senior year at Ole Miss.

He is a physics and sociology major at Mississippi who has a 3.6 grade average and set his sights on going to medical school after graduation.

In his chapter he has been on the tribunal advisory committee, the judicial committee and the operating committee. He has served as corresponding secretary, secretary and currently president.

"I pledged Phi Delt for several reasons," he said. "I knew several of the members and there were three physics majors in the chapter and this had an impact. Of course, the chapter had a great reputation and this was also important."

"Being a Phi Delt has given me a group of friends that I always stay in touch with regardless of whether school is in session or not," he said. "Scholarship is important to me and our chapter has developed a good reputation for scholarship. I also enjoy playing intramurals and just being a representative of Phi Delta Theta on campus is exciting."

He emphasized the fact that being president was not easy. "You must take stands that are not popular," he said. You must stick to your guns. In the long run, people respect you for that. We have rules that have to be followed. For those who don't wnat to follow the rules I tell them they have a choice—

they can either be a part of Phi Delta Theta or they can go in another direction. If they don't want to follow our rules they have to go in that other direction." John has also found time to be very active on campus outside Phi Delta Theta. He has been a member of Alpha Lambda Delta, Phi Eta Sigma, Gamma Beta Phi, Alpha Epsilon Delta, Omicron Delta Kappa, Mortar Board, and Order of Omega. He has also served on the IFC and has been active in Greek Week functions.

Thomas J. Reardon (Mississippi '72), associate dean of students at Ole Miss, describes John as "a young man with unusual strength and character. He has used these same traits in working with the membership in Mississippi Alpha."

Marty McLeod (Mississippi '91), chapter vice president, said that his "moral character also serves as an example to us all. His strong Christian beliefs are not compromised. As an active member of Reformed University Fellowship and our chapter's fellowship, he makes those around him realize the important things in life. He gives up Spring break each year to serve as a counselor for high school students on Young Life trips. His dedication is unquestionable."

PRIEST PRESENTATION: John Moore (Mississippi '91) receives the Arthur R. Priest Award from Jim Holmes (Arizona '51), trustee of the Phi Delta Theta Educational Foundation. The award recognizes the outstanding undergraduate of the year and was presented at the 68th Biennial Convention in Kansas City this Summer.

MOORE

Malone Captures Stone Honor

BY GEORGE E. GRADY (Arizona '53) President of Omega Province

Booth M. Malone (Auburn University '73) is the 1989-90 recipient of the coveted Samuel V. Stone Chapter Adviser of the Year Award.

Booth is the 19th chapter adviser to receive the Stone Award which was established in 1968. He traveled to the 1990 convention in Kansas City this Summer with his wife Frances, as guests of the fraternity, to receive his award in person.

He was initiated by the Alabama Beta Chapter at Auburn University in 1970. He holds a B.A. degree in visual design from that institution and is a professional artist living in Columbus, GA.

He was appointed chapter adviser in 1985 and works closely with Theta East Province President Ben F. Beckham III. Beckham writes, "Through Booth's leadership the Phi chapter at Auburn has been transformed from a problem chapter to a chapter nominated for the Gold Star Award. The chapter has improved considerably under his leadership. Booth is the backbone of the chapter and the catalyst for the many positive accomplishments of the chapter."

When Booth was appointed adviser, Alabama Beta was without a chapter house, on social probation, and its charter was being held "in escrow" by the General Council. With the assistance of fellow alumni Malcolm L. "Buck" Marsh, Jr. ('48), house corporation president, and Robert Reed ('65), a dramatic

ADVISER OF THE YEAR: Booth Malone (Auburn '74) receives the Samuel V. Stone Award as Chapter Adviser of the Year from GC President J. William Stitt (Mississippi '54).

turnabout took place. Brothers Marsh and Reed turned their attention to mending fences with the university and with the chapter's alumni. Once that was accomplished, they put their efforts behind building a new chapter house, while Booth applied himself to rebuilding the chapter.

His goal was (and still is) to be number one on the Auburn campus. Booth's first year concentrated on crisis management. A set of bylaws were written which gave the officers control. It provided checks and balances. It also defined what was expected of members and pledges, and Booth's contribution was to make it difficult to change them once they were adopted. Each Phikeia is given a copy of the bylaws when he pledges and is tested on them before initiation.

Booth feels an adviser has to be first and foremost a role model. He has to be consistent but not overly judgmental. Besides his many duties as adviser, he drives one hour each way from his home in Georgia to Auburn once a week to attend chapter meetings. He may be the only adviser that goes through a time zone change each week to visit his chapter.

In the past year, Alabama Beta has been named Most Improved Chapter by the Atlanta Alumni Club. They also recently elected their first student senator in ten years. Scholastically, the chapter has improved its standing for each quarter for the last two years and is presently at 2.57 and climbing. In sports they have claimed a cham-

pionship in basketball, tennis and golf in the past two years.

In 1988, due to the efforts of the alumni, Alabama Beta's \$1.2 million chapter house was completed with 15,000 square feet on 3½ acres; it is one of the largest in the southeast. Neighbors to three other fraternities, its address must be more of a coincidence: 848 Morrison Drive.

Alumni Marsh writes, "It is impossible to relate on paper the importance of Booth's dedication and the love he has given to Alabama Beta." With this kind of admiration, it is easy to see why Booth Malone is this year's winner of the Chapter Adviser of the Year Award.

This year's Award Selection Committee was chaired by George E. Grady (Arizona '53), province president of Omega; and two prior award recipients, Roger Wm. Heineken (Emporia State '78), adviser at Kansas Epsilon, and Dr. John Score (Southwestern '45), past adviser at Texas Gamma.

Special commendation goes to the following four excellent advisers who were runners-up: Clark Acton, Michigan Alpha, University of Michigan, one year; Roy Anderson, Jr., Texas Kappa, University of Texas-Arlington, 14 years; John H. Clark, Ohio Alpha, Miami University, five years; and Steve Frees, Indiana Beta, Wabash College, two years. The brothers of Phi Delta Theta owe these individuals, and all the chapter advisers of our fraternity, their heartfelt thanks for the dedication and time that goes into this important position.

Johnson Selected Gardner Winner

Monte C. Johnson (Kansas '59), former athletic director at the University of Kansas, has won the 1989 Gardner Award designating him as Phi of the Year. He spearheaded the fund drive that raised over \$2 million for a new house at Kansas Alpha.

Monte C. Johnson (Kansas '59), has been selected to receive the Raymond L. Gardner Award as "Phi of the Year" for 1989. The announcement was made during the Grand Banquet of the Biennial Convention held in Kansas City. Monte was present at the banquet to receive the award.

Thomas W. Luce III (SMU '63), has been named runner-up for the award.

This award was established by the Seattle Alumni Club in honor of Raymond L. Gardner (Washington '18). Brother Gardner was a Seattle civic and business leader who served as chapter adviser for Washington Alpha, province president, and, finally, as a member of the General Council from 1952 to 1956.

The Gardner Award is given annually to an alumnus for his contributions to Phi Delta Theta, higher education, and community life and honors those alumni who have brought prestige to the Fraternity through their activities.

Johnson's involvement with the University of Kansas and Phi Delta Theta began in the early 1950's. Monte was a member of both Kansas Alpha and the varisty basketball team. In 1957, he played in the NCAA Final Four Tournament with Wilt Chamberlain and Bill Bridges. Although the Jayhawks lost the final game to the tournament to North Carolina, this was truly a memorable experience for Monte.

Upon graduation in 1959, Monte accepted a position as a marketing city salesman for Skelly Oil. Short-

ly thereafter, he returned to the University and served in a variety of capacities including: public relations director, assistant athletic director, academic counselor and business manager.

In 1970, Monte accepted a job at the Fourth National Bank of Wichita, the largest bank in Kansas. Upon joining the bank, he was reunited with long time friend and prominent Kansas Alphan, Jordan Haines. Jordan's influence on Monte was tremendous, especially in the area of fund-raising. Jordan taught Monte well and frequently volunteered Monte's talents for various fund-raising jobs in Wichita.

As campaign chairman for the Salvation Army in Wichita, Monte used his fund-raising talents effectively to raise more than \$100,000 from 1977 to 1978. Monte also

raised money to help start the Fellowship of Christian Athletes, in central Kansas. He also volunteered to be campaign chairman for the Friends University Board, which provided money for small colleges, and eventually raised over four million dollars during a two-year period.

In addition to his fund-raising efforts, Monte became involved in the Wichita Chamber of Commerce and later served on its Board of Directors. He also served as an usher and member of the Board of Trustees of the Plymouth Congregational Church.

After enjoying tremendous success with the Fourth National Bank, Monte returned to Lawrence in 1980, to work on several real estate ventures. In the Spring of 1983, Monte was asked to serve on a

search committee to find a new athletic director for Kansas. Ironically, during this search, a columnist for the Kansas City Star/Times named Jonathan Rand nominated Monte as a candidate for the position.

Johnson eventually was offered and accepted the position as athletic director and immediately began to fight to eliminate the financial woes that the University was facing. During his four-year tenure as athletic director, Monte faced some very difficult decisions in regard to funding and personnel. Not all of

his decisions were initially popular but the eventual results of those decisions were highly acclaimed. He left the department with more qualified personnel, an operating surplus of \$600,000 and drastically improved facilities.

Upon his departure from the athletic department, Monte decided to pursue another monumental task: the construction of a new chapter house for the men of Kansas Alpha. The idea to build a new house for Kansas Alpha was not a new one. In 1969, plans for a new house were drawn up, but the ability to pool the resources was not there. Monte took the initiative to head the campaign for the new house.

Fund raising for the project officially began on September 15, 1987. In only two months, through unique fund raising methods and diligence, Monte had secured over half of the 2.5 million dollars required for the project. By May, 1988, Monte had successfully raised 2.1 million dollars, the amount needed to complete construction. In addition, he raised funds for the maintenance of the new chapter house for the future. The maintenance fund is indicative of Monte's concern for the future and his vision when looking ahead.

The new chapter house project is now complete. As a result of Monte's efforts, the chapter was able to move into the new facility for the Fall semester of 1989.

Throughout his professional career and numerous volunteer positions, Monte has been driven by that in which he believes, and he has admitted that he could not raise money for a cause that was otherwise. His dedication and service to the university and the chapter illustrate his strongly held beliefs.

Thomas W. Luce III

Tom Luce has also played an integral role in the building of a new chapter house for his chapter at Southern Methodist University. His involvement with higher education has not been limited however to SMU. As Chief of Staff of the Texas Committee on Public Education, Tom has helped to enact many of the massive educational reforms recently approved by the Texas State Legislature.

Tom has also been involved in a host of community and political activities including: a special governor's committee on the drug war, director's positions on the Dallas Historical Society, the Gaston Episcopal Hospital and KERA, the PBS channel in Dallas.

Professionally, Brother Luce is an attorney and founding partner of the prominent firm of Hughes and Luce.
